Why do you even care?!? It's not even your room!!

No but it's my house! Pick it up!!!
Also you need to dust.
Okay.

Later...
He's such an asshole!
Yeah, you should just tell him to fuck off.

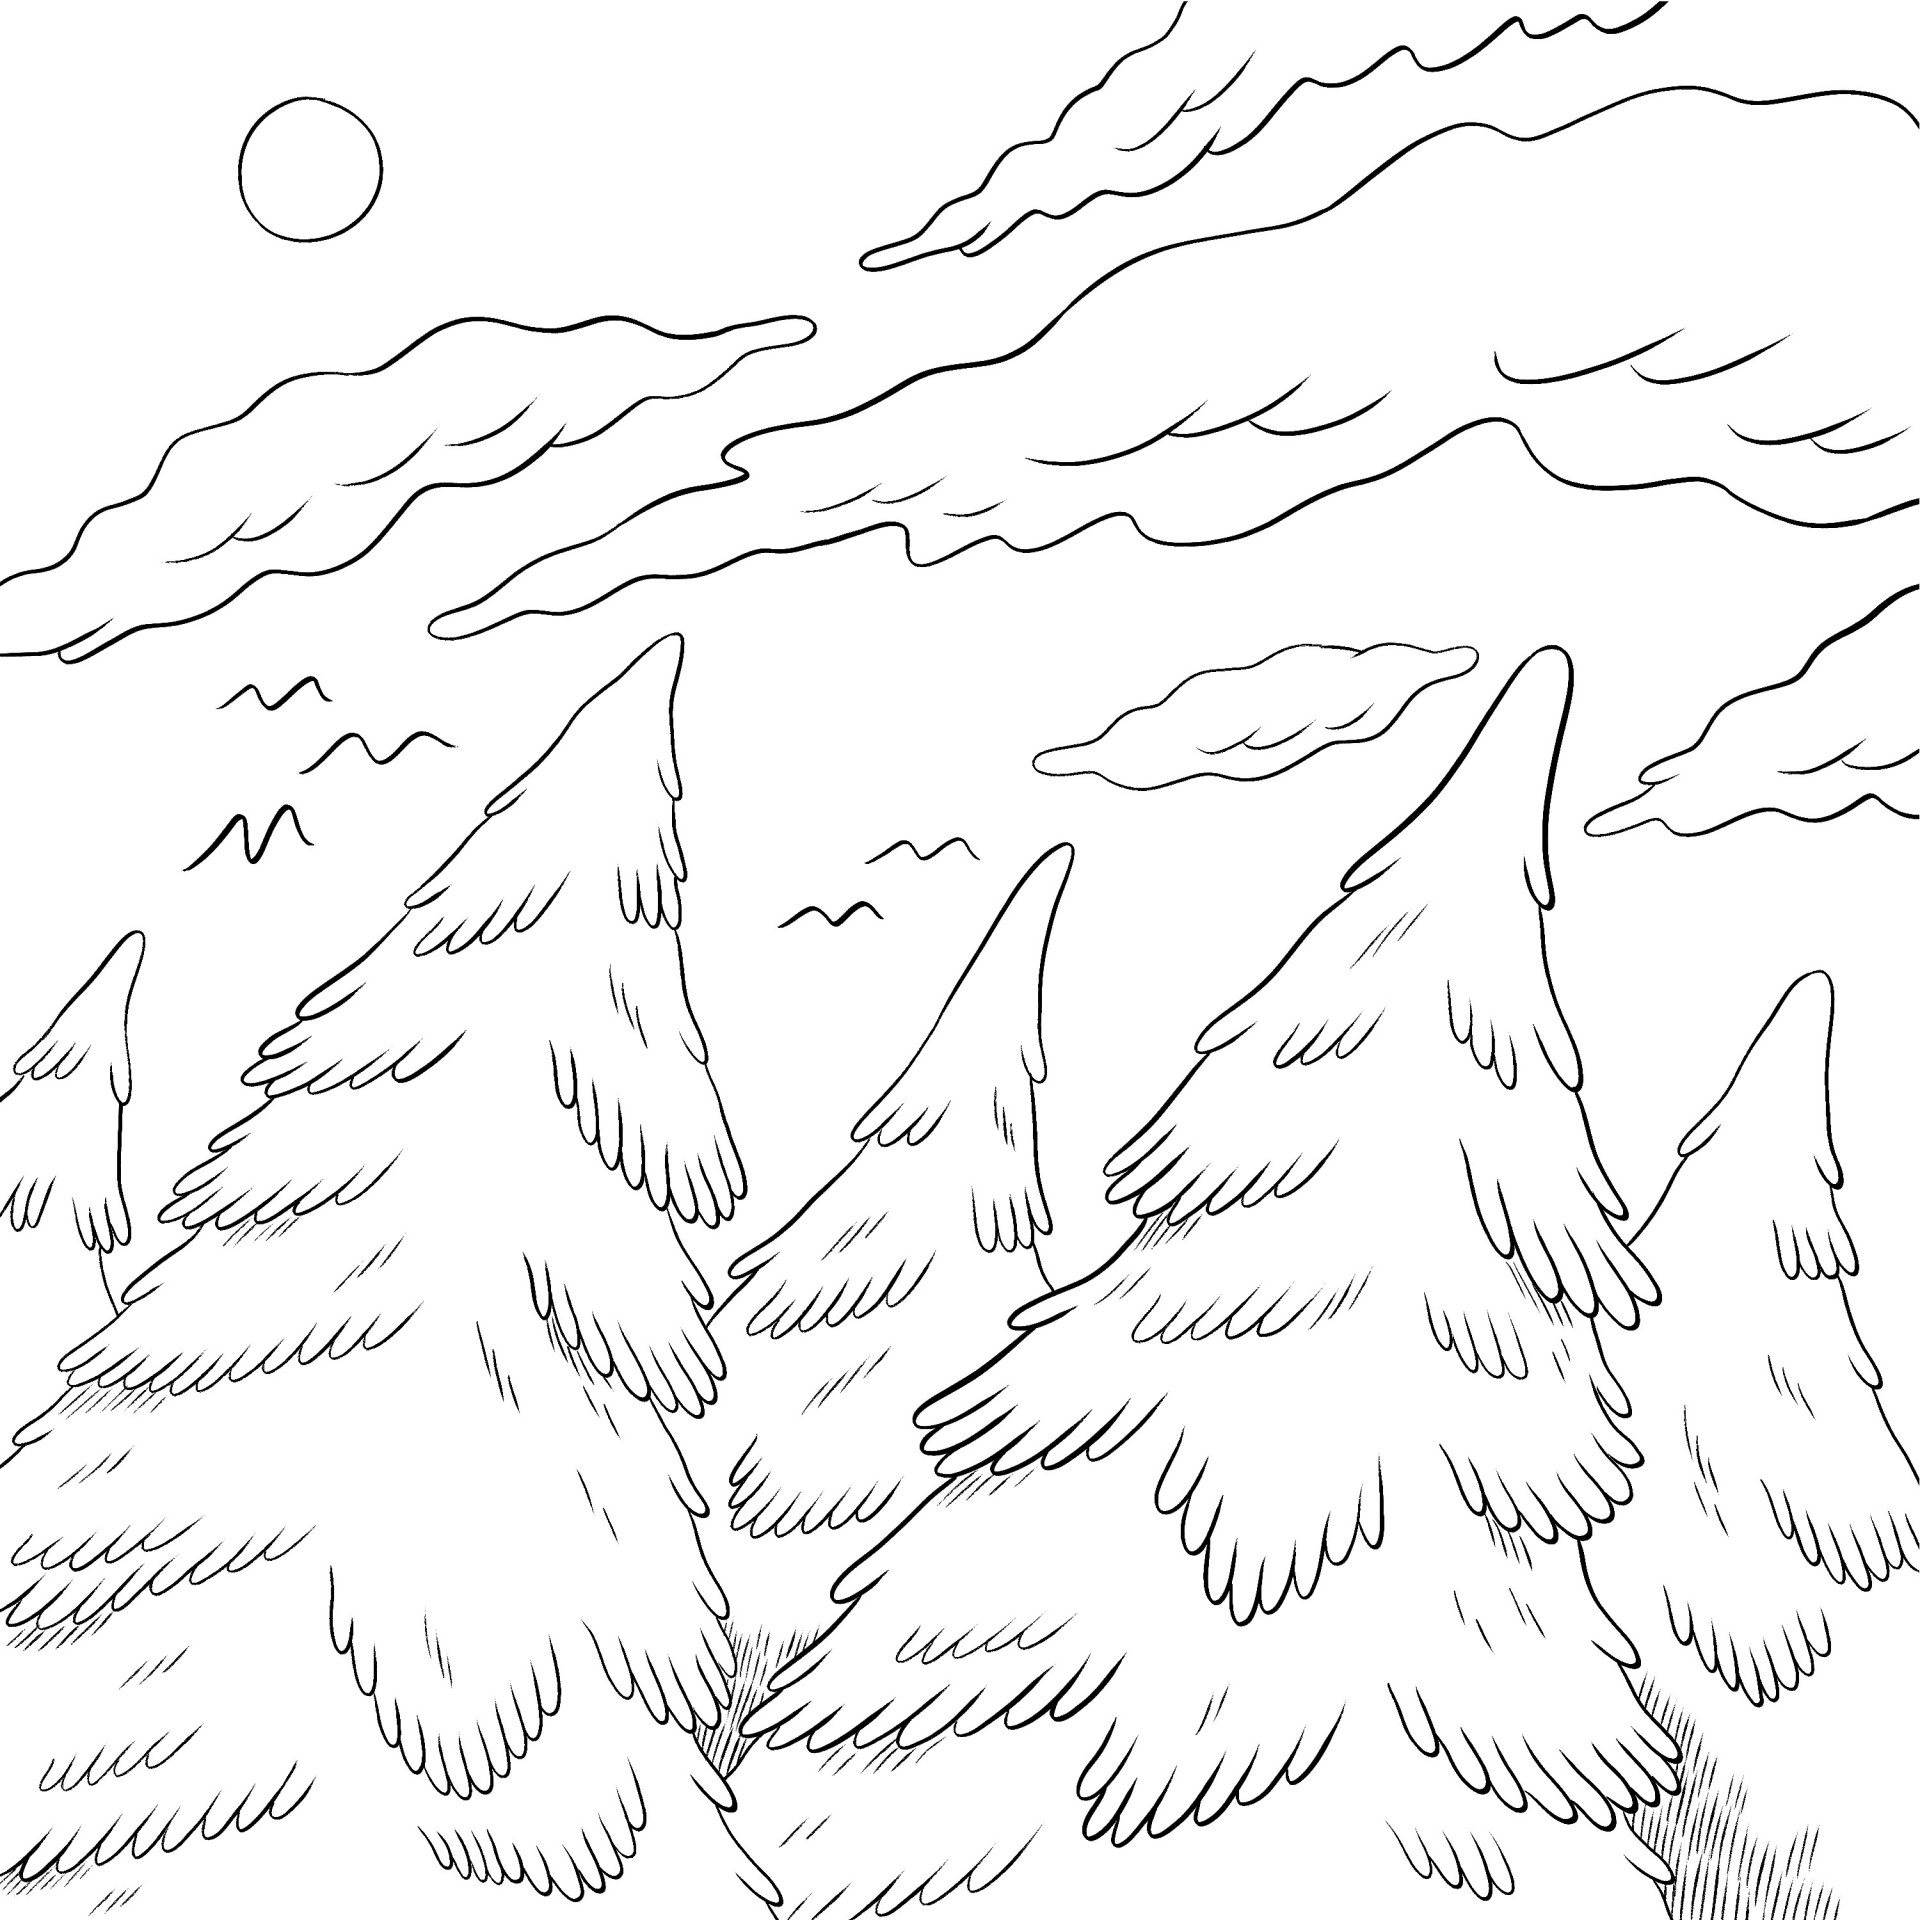
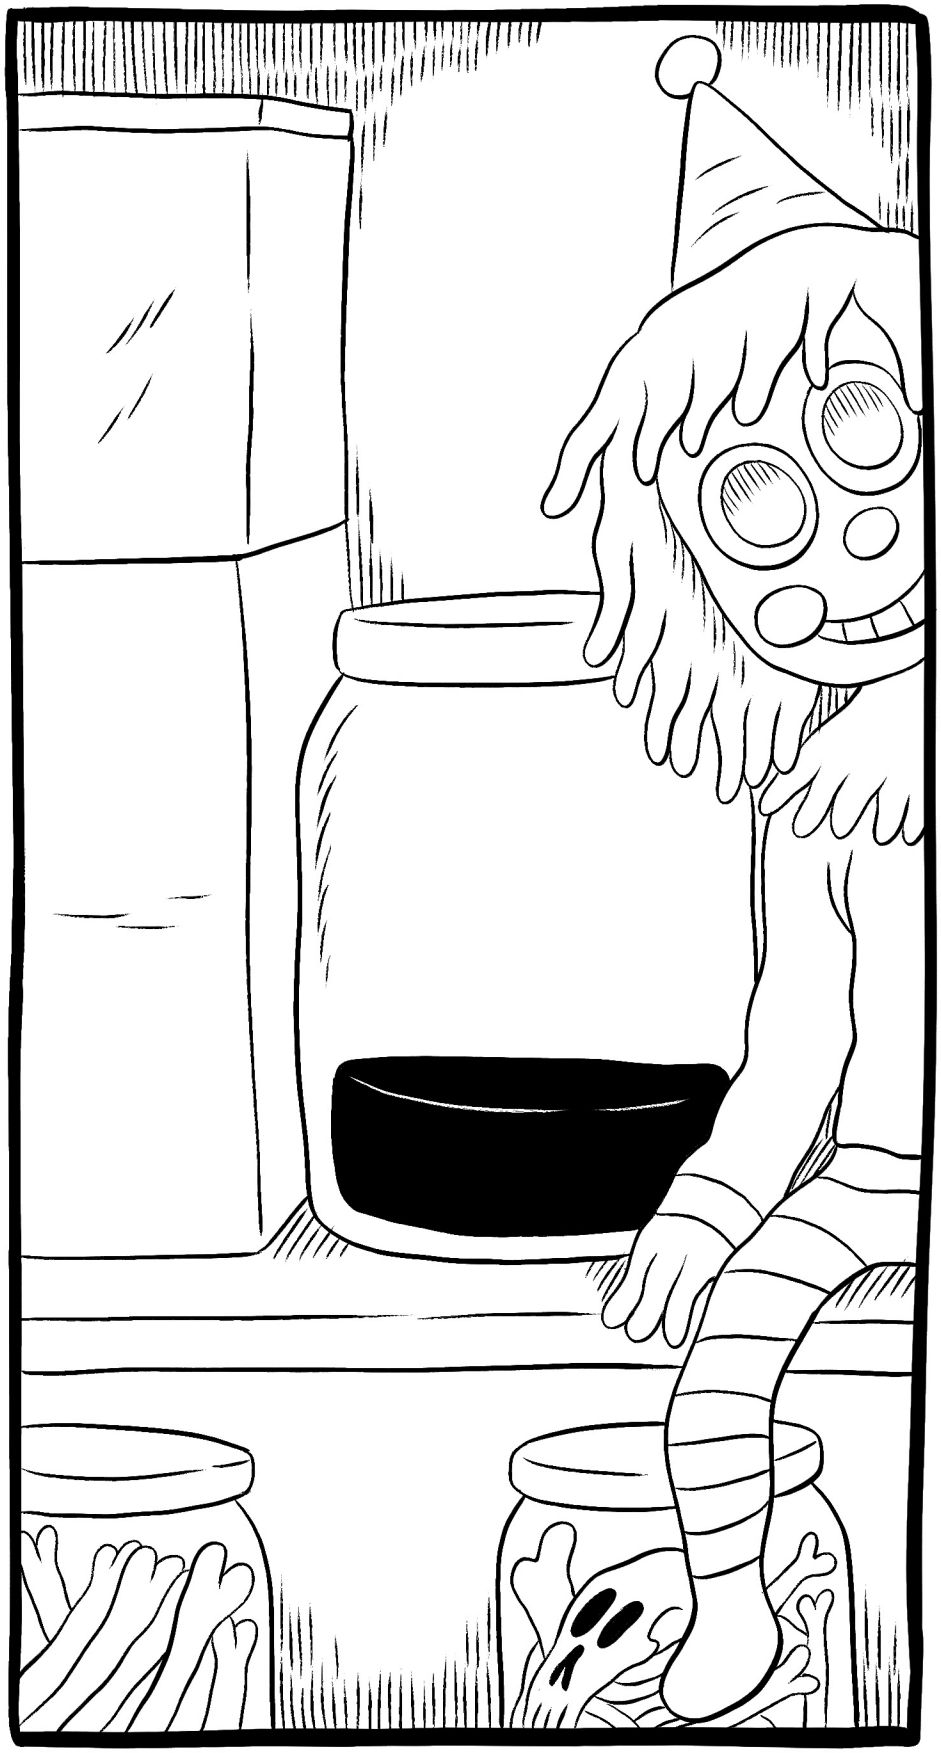
I don't care.

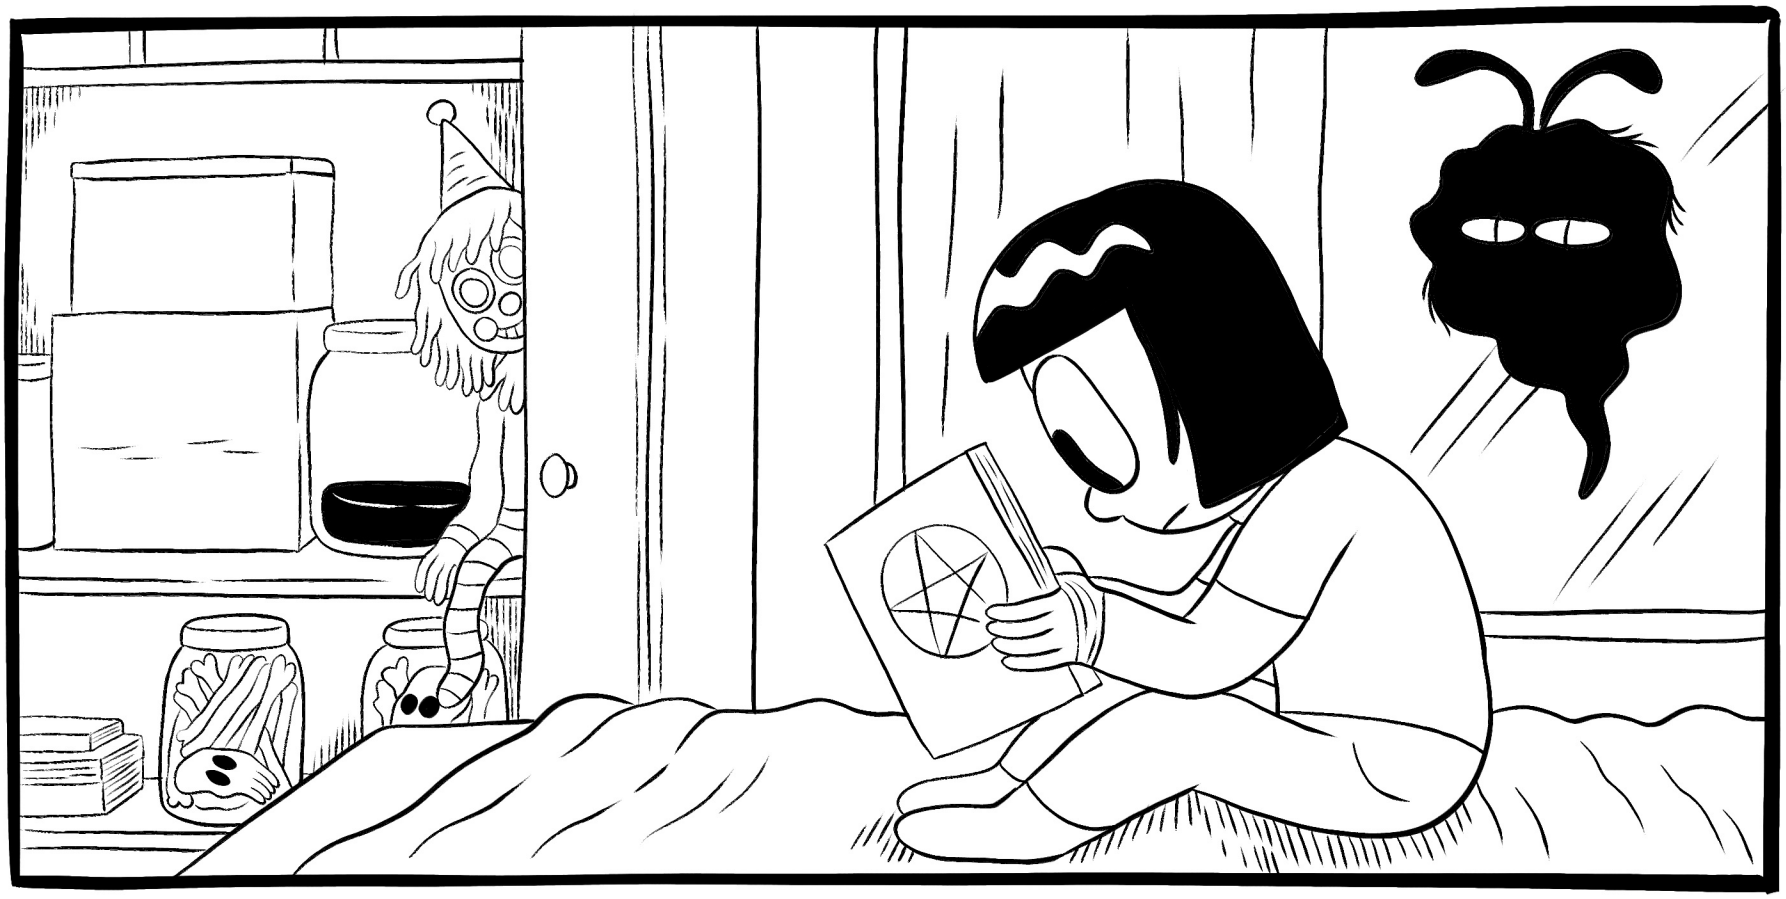


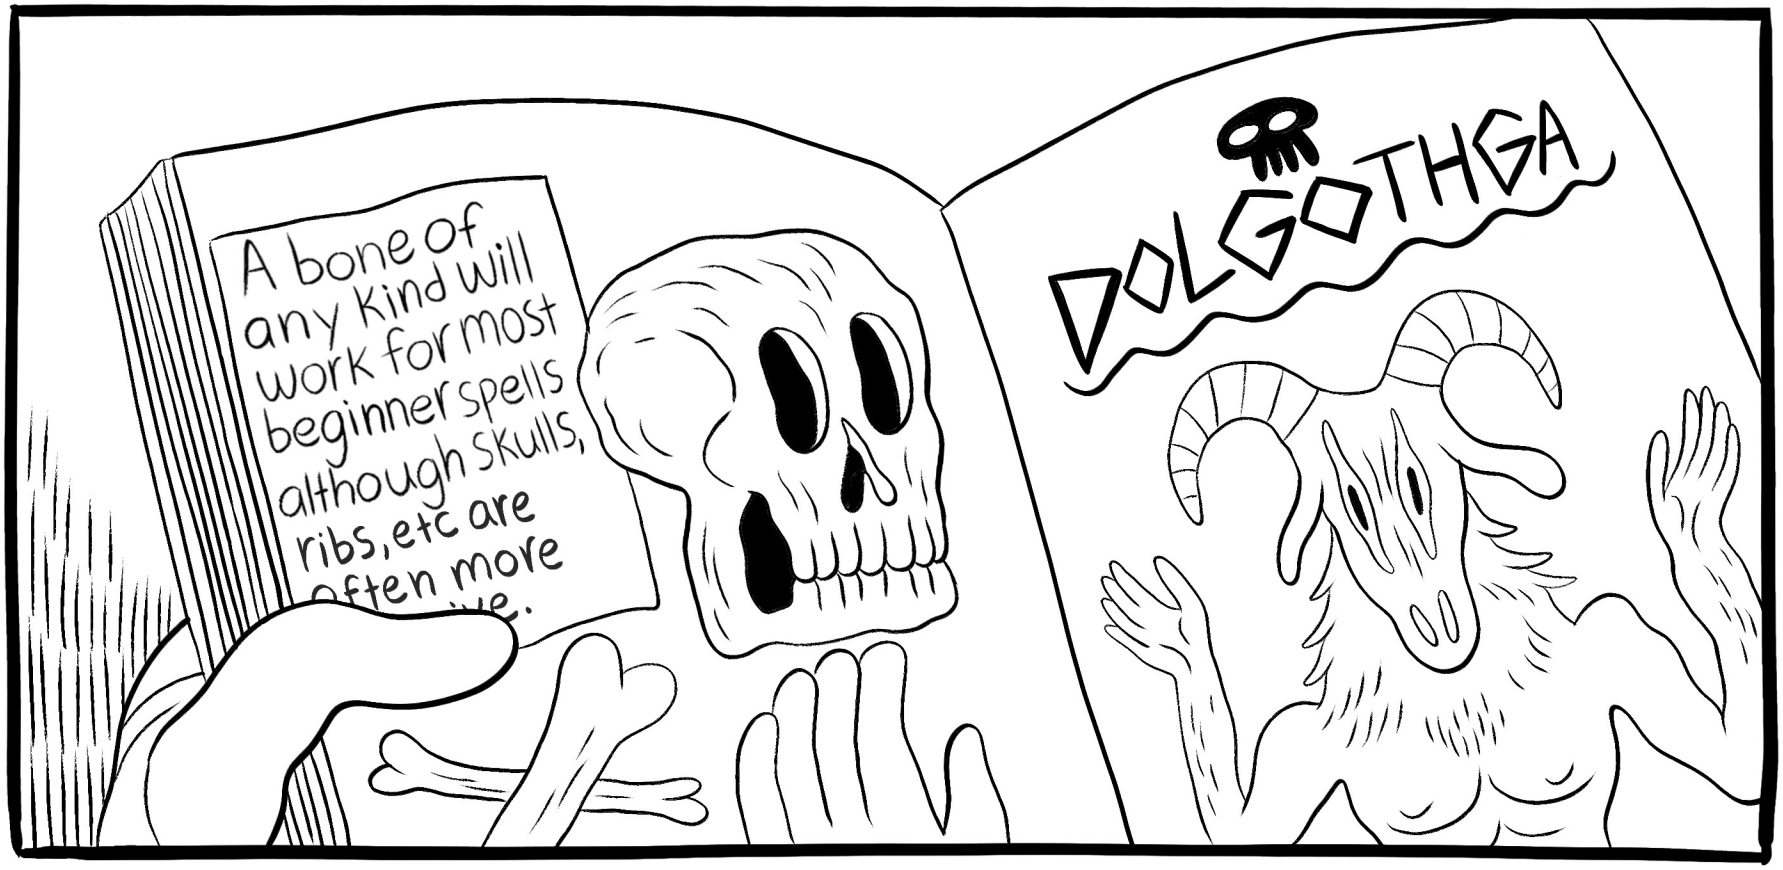
OK, let's do this.
Yeah sure.
It uh... isn't going to hurt that much, right?

It'll be quick.

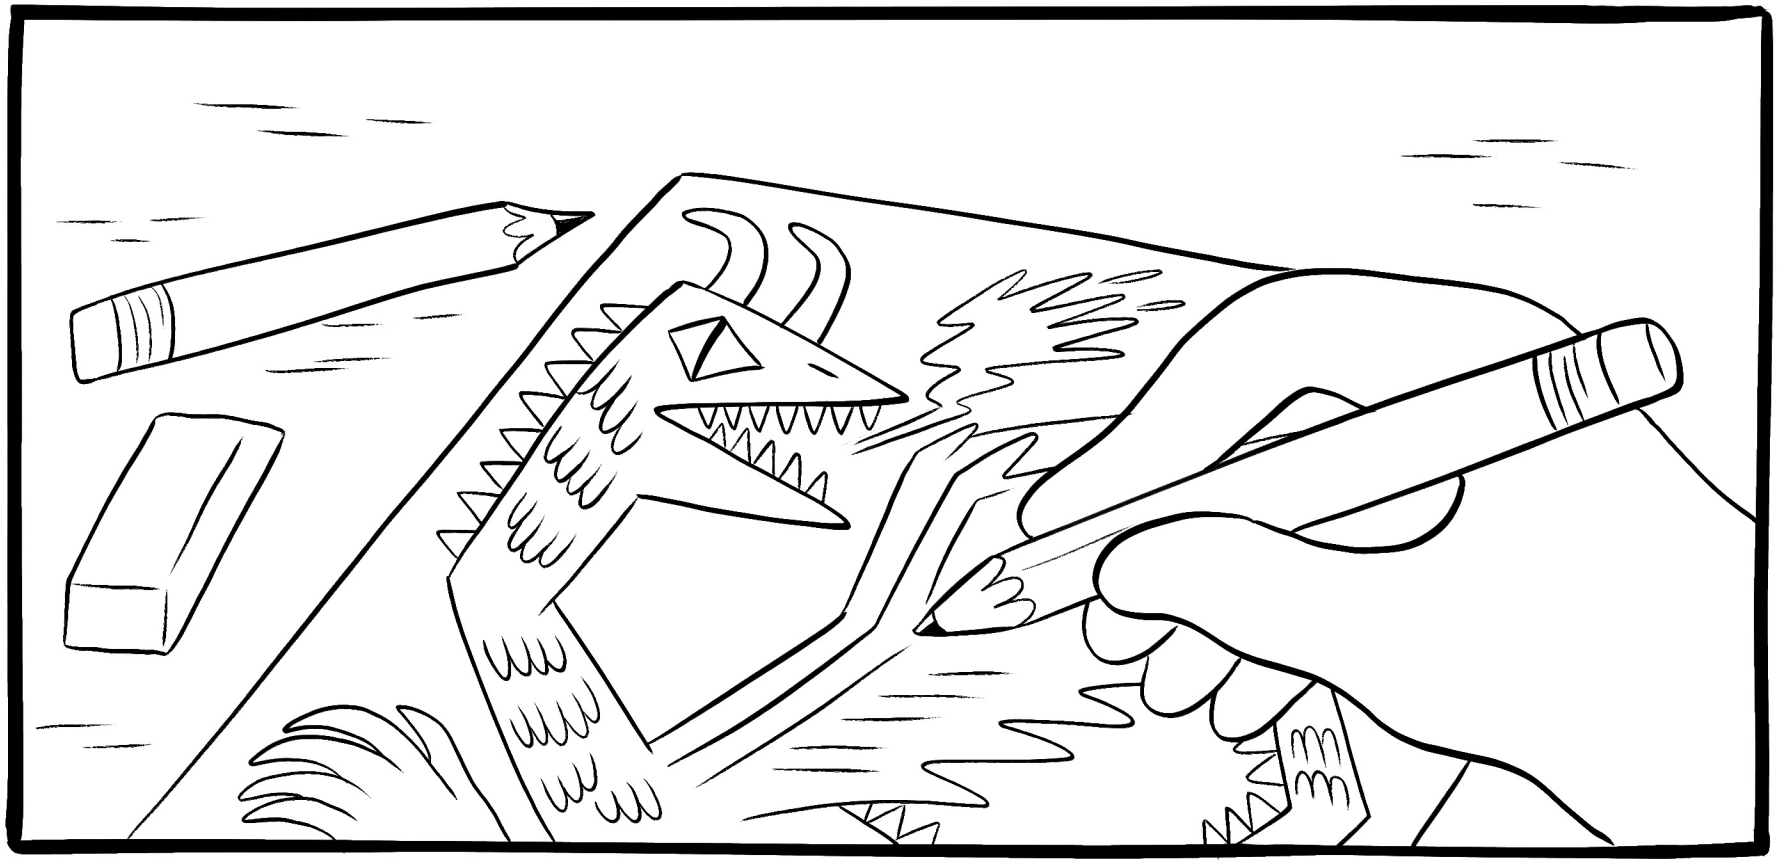
....Okay...







A bone of any kind will work for most beginner spells although skulls, ribs, etc are often more
DOLGOTHGA



You said you wanted to help make things easier! This isn't helping!!

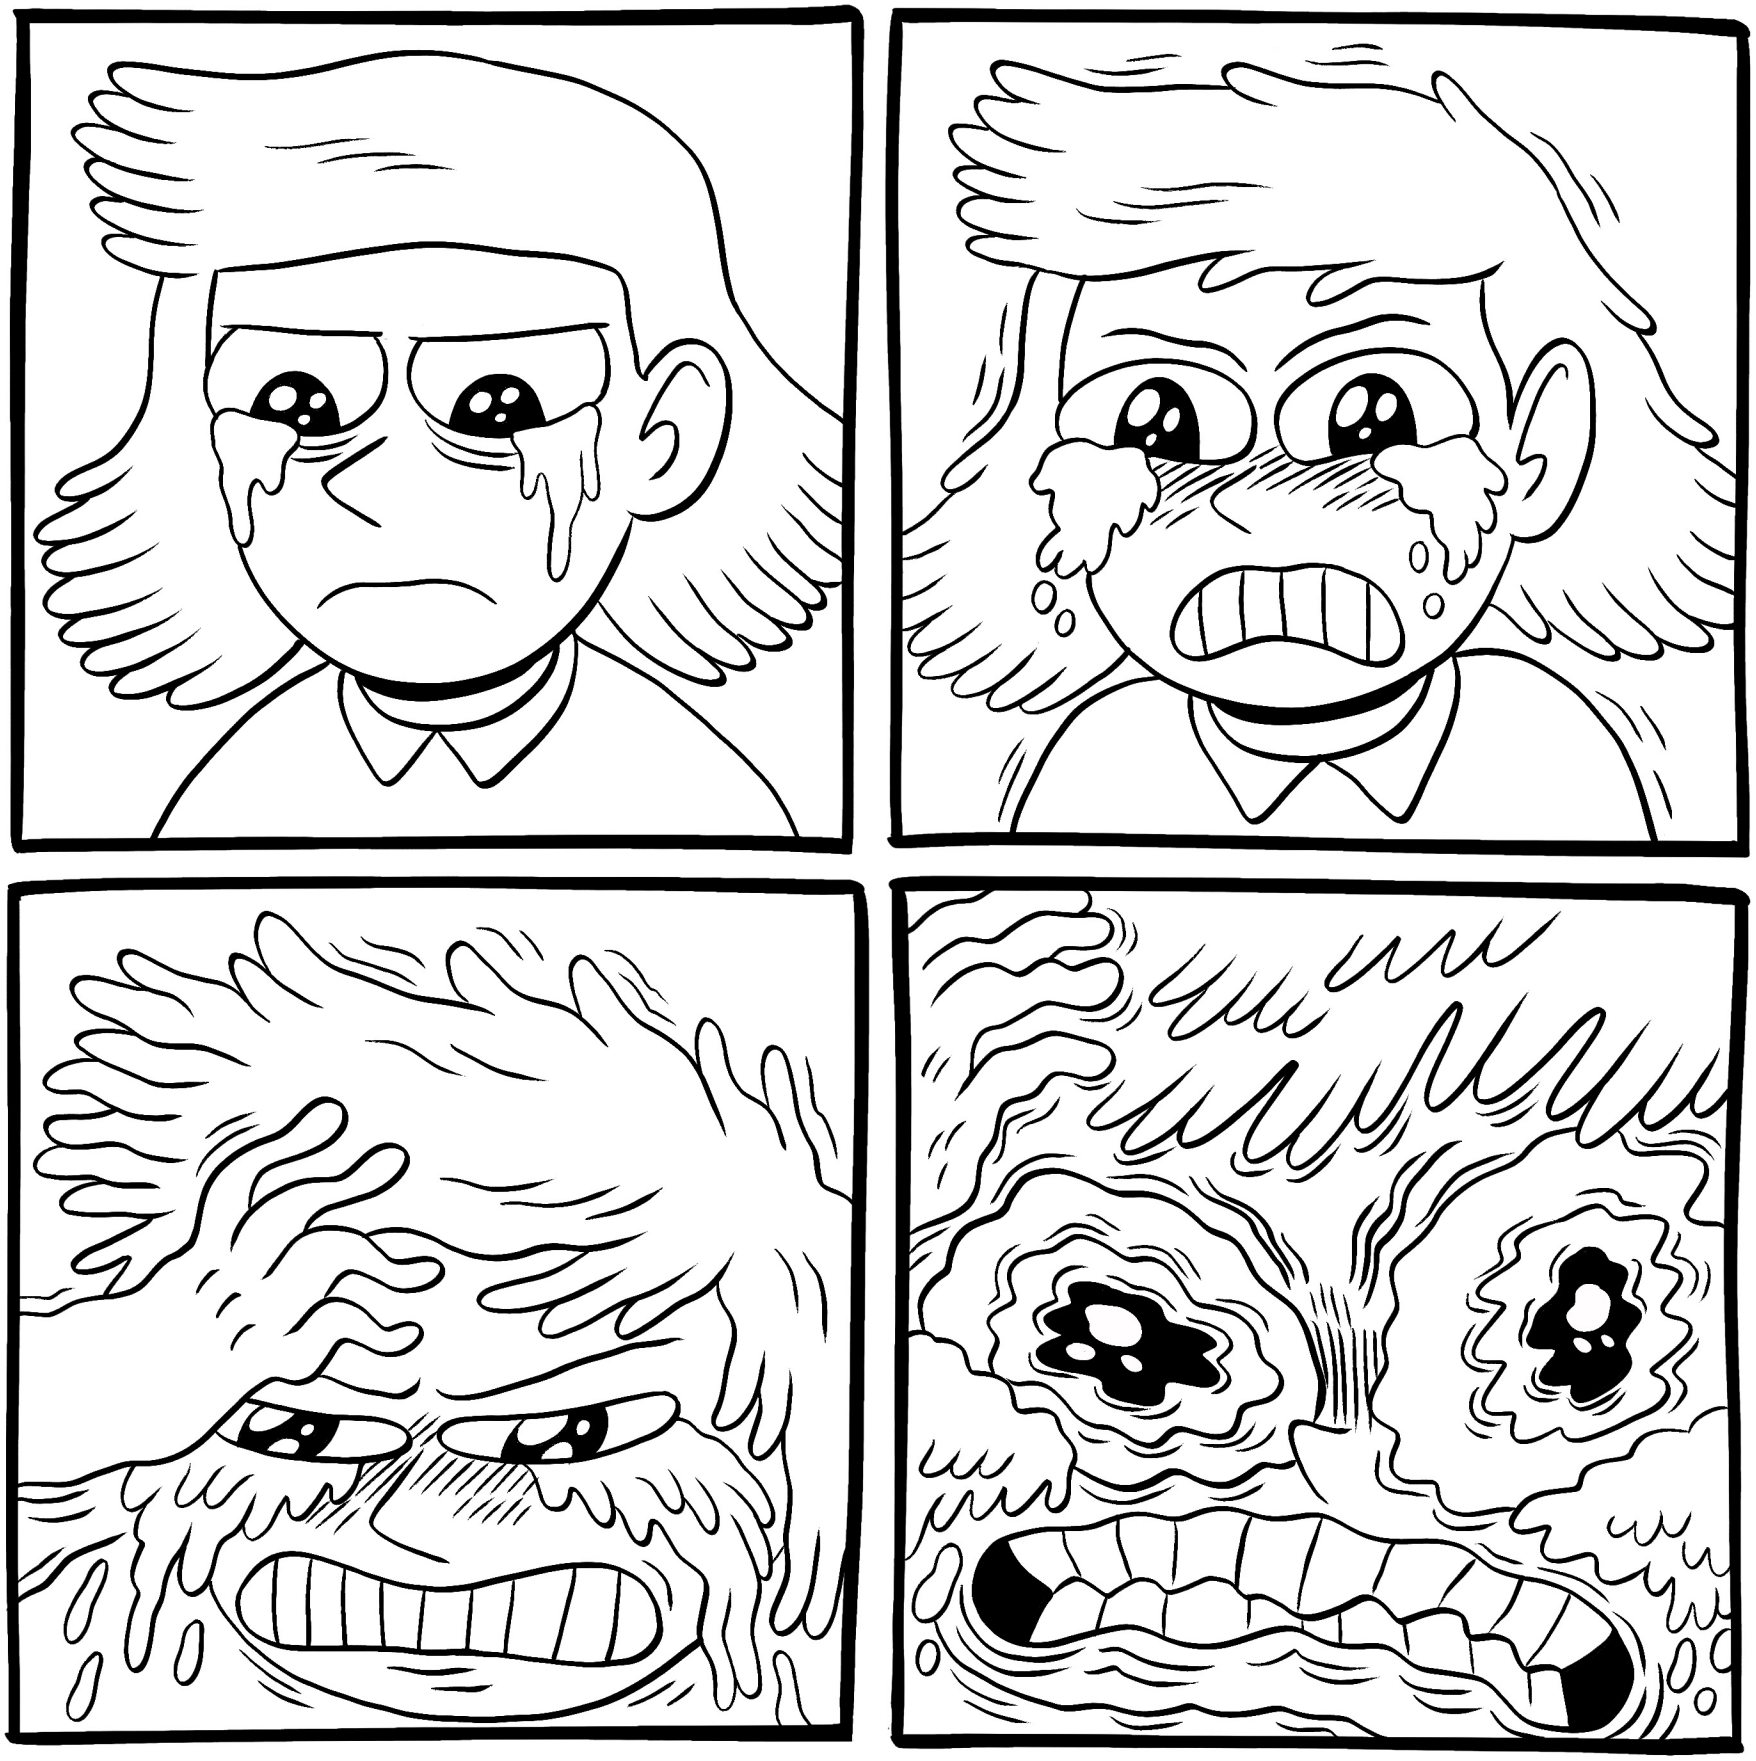
It's immoral! I can't just stand by and let you poison your children.
It was just a flu shot! Everyone gets their kids flu shots!!
You're better than this! It's not like I don't respect you! You're a strong beautiful woman!

You don't actually respect ANYONE!!! All you do is idolize the version of them you create in your head!!!
YOU'RE A FUCKING CRAZY PERSON!!!
That's hurtful. You aren't acting like yourself right now. Let me help you.

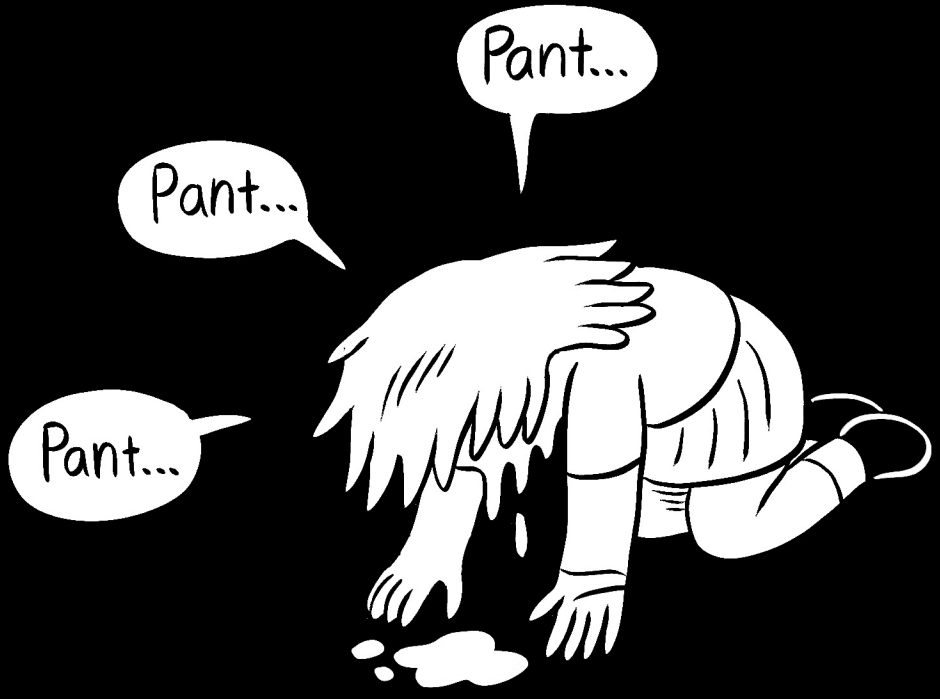
Apologize to your mother right now.
I didn't do anything wrong...
Yes you did. You were acting like a brat.
she doesn't respect me at all.

I just said my cookies are better than her's! As a joke!
WELL, I GUESS IT WASN'T A VERY FUNNY JOKE THEN!!
Apologize.
FINE, I'M SORRY!!
You don't care at all!! You think I'm a monster!!!

Just go to your room.
sob... sob...
GO. NOW.



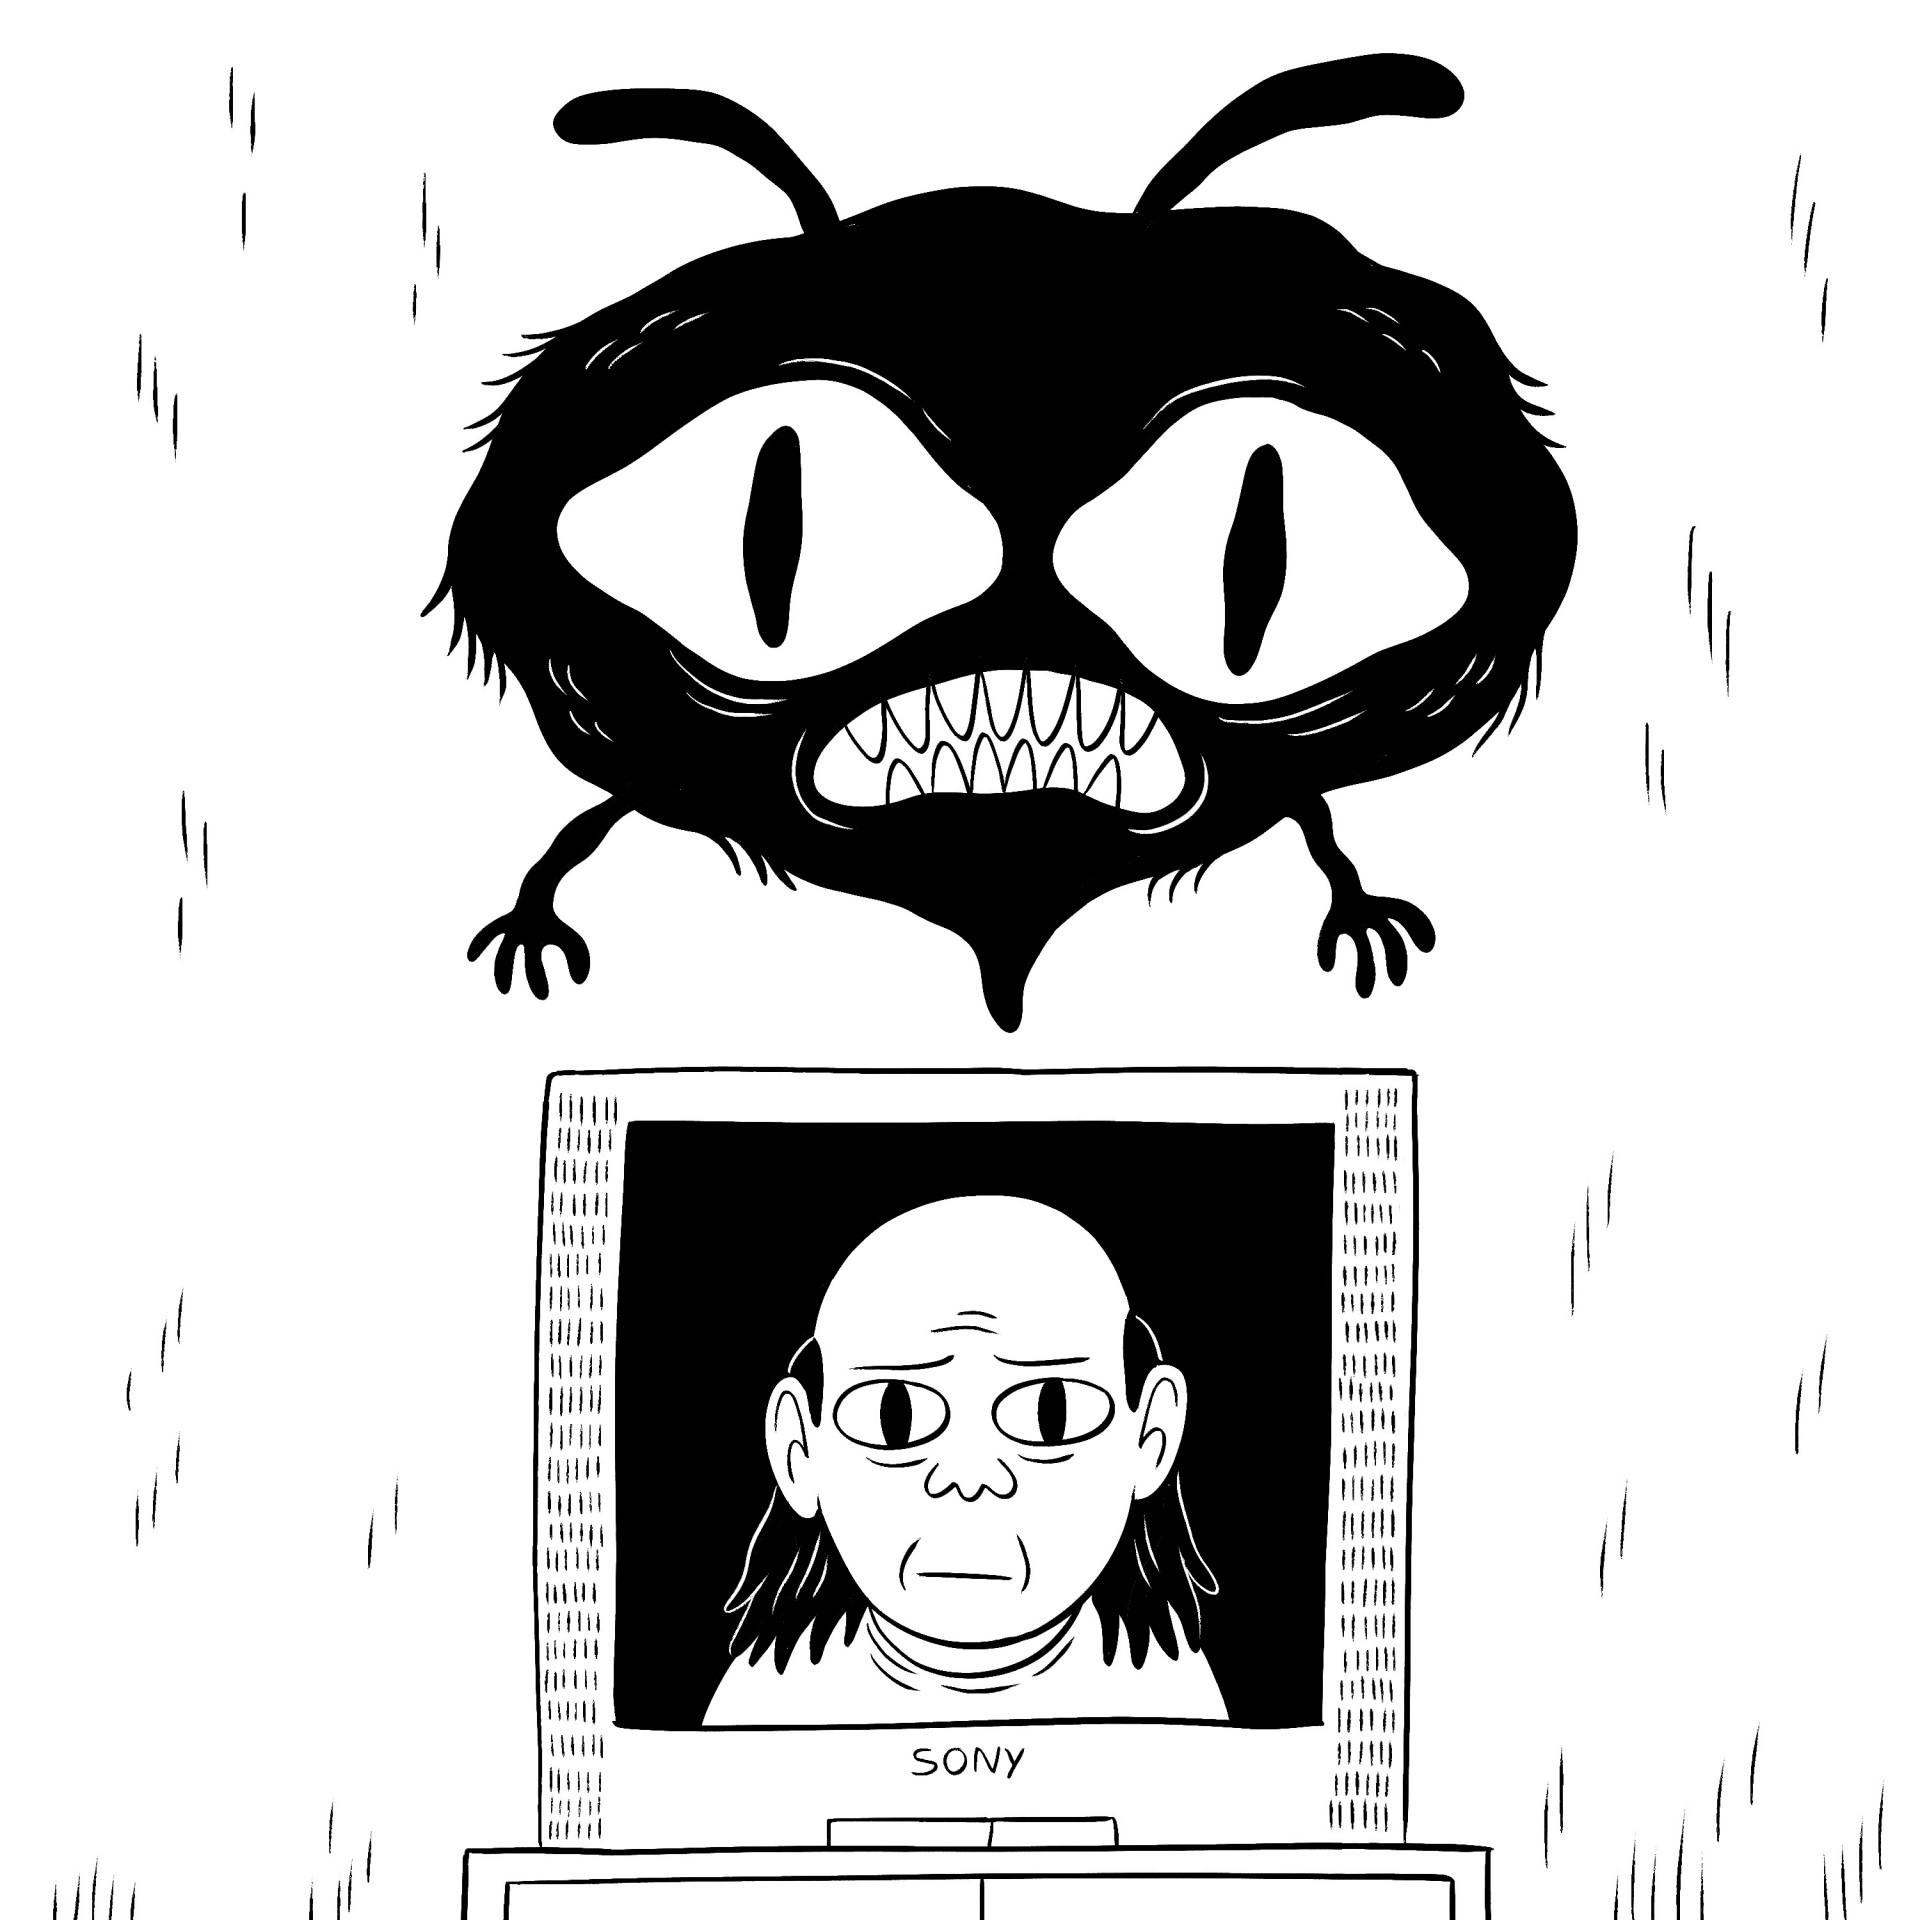
Pant...
Pant...



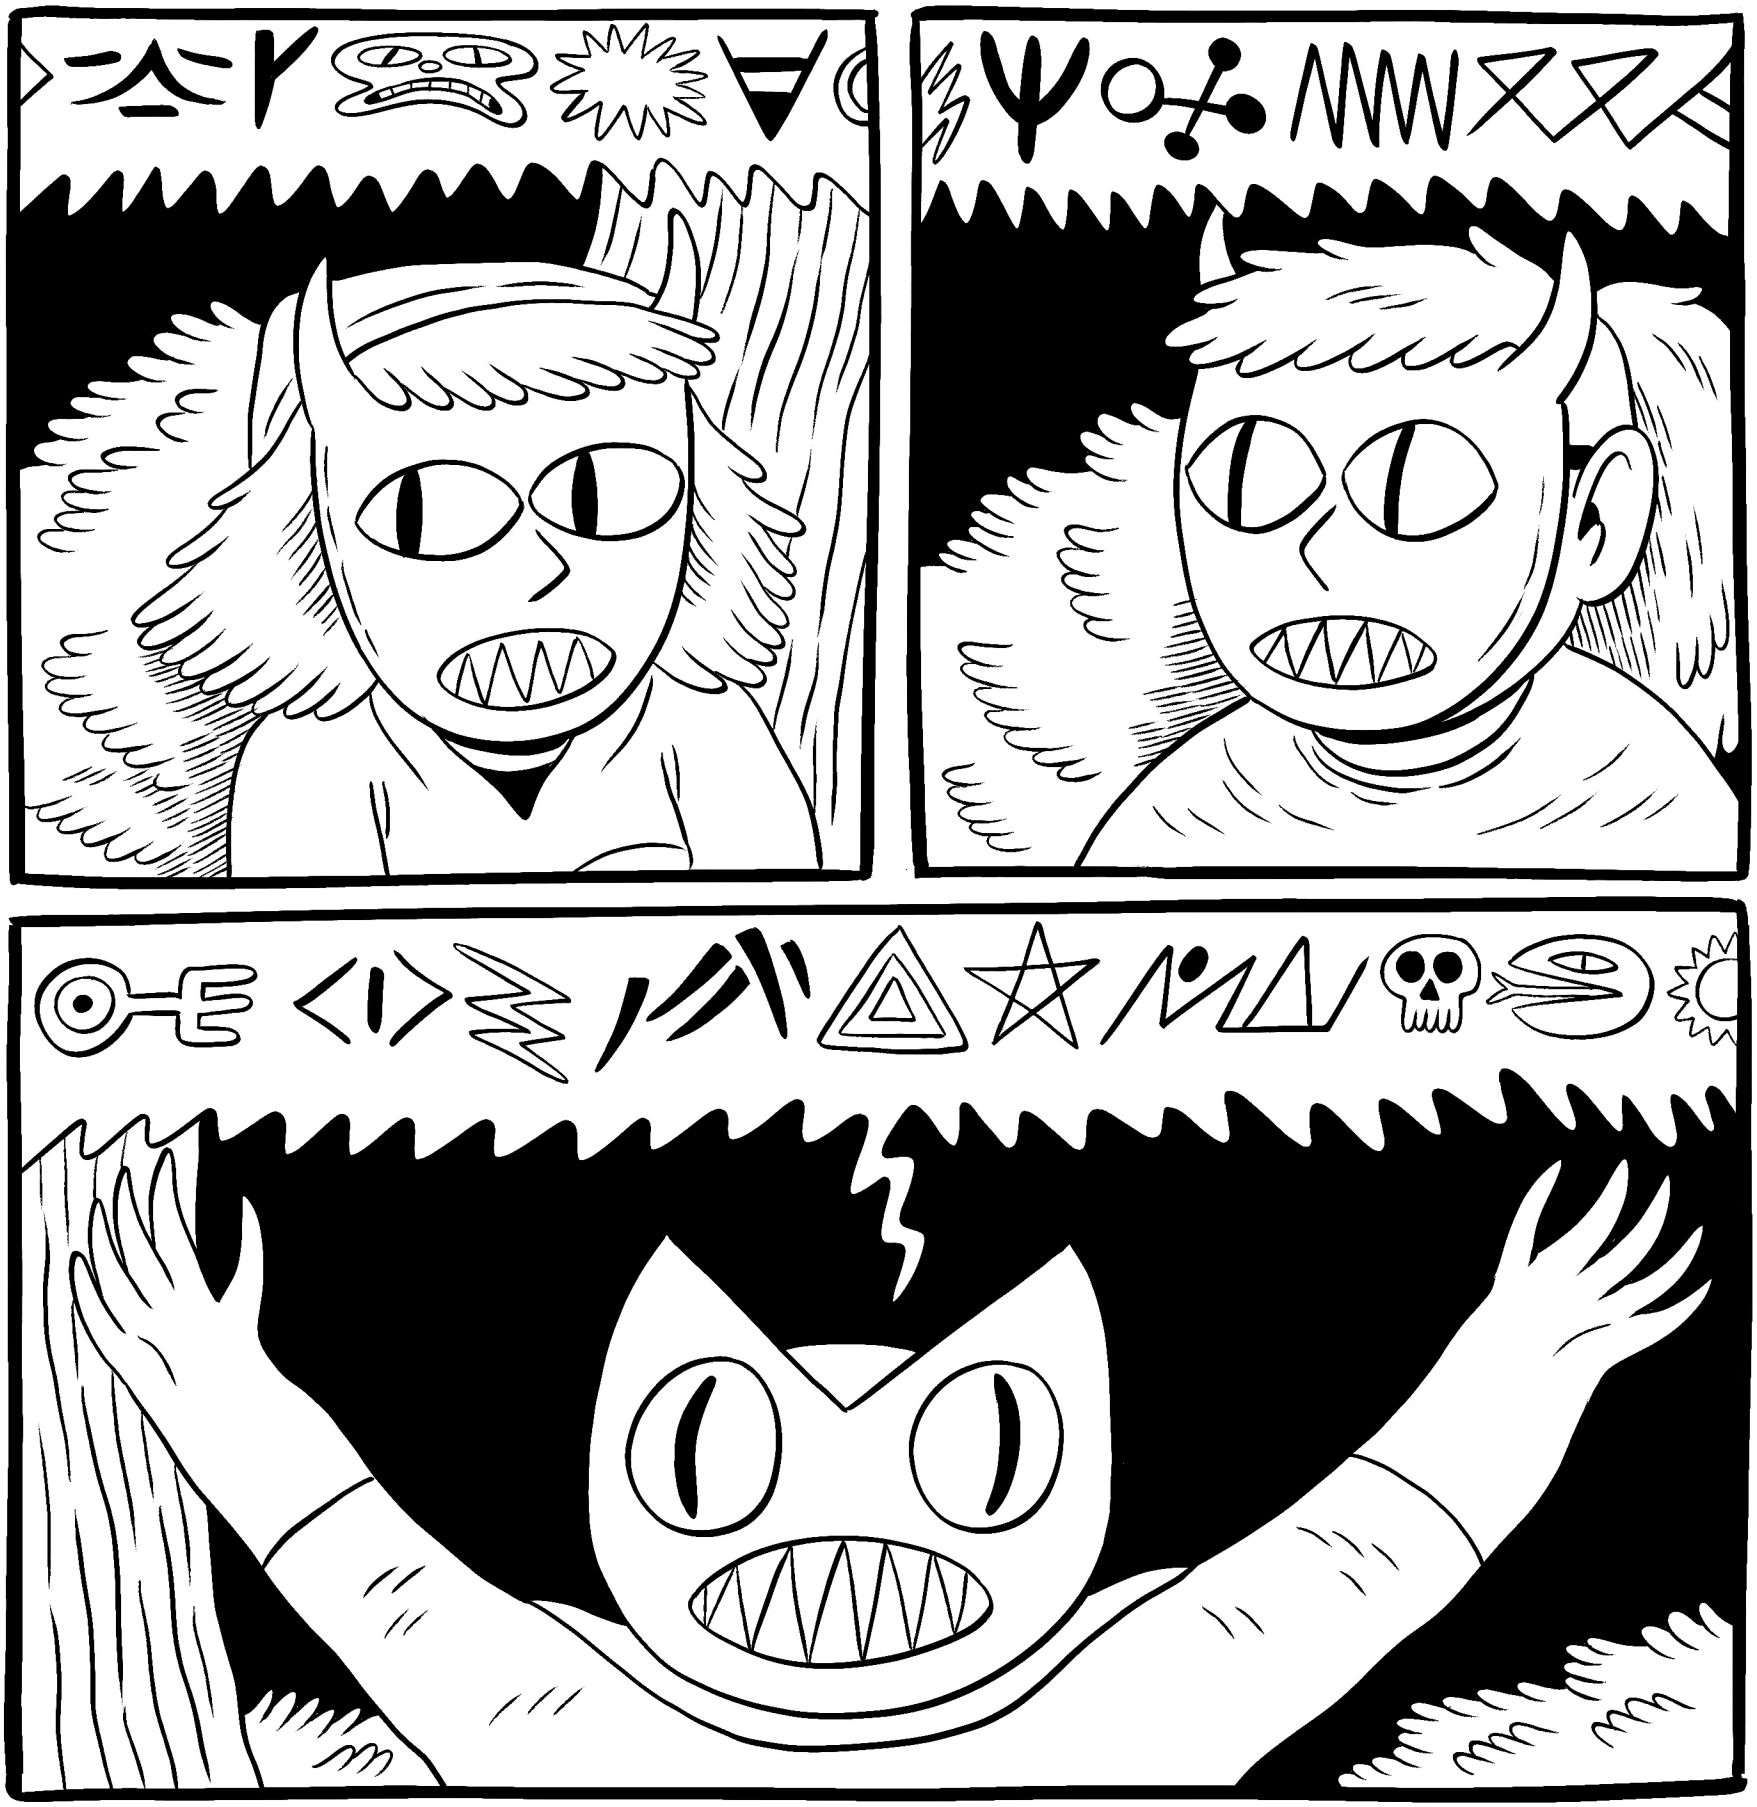
Pant...
Pant...
Pant...

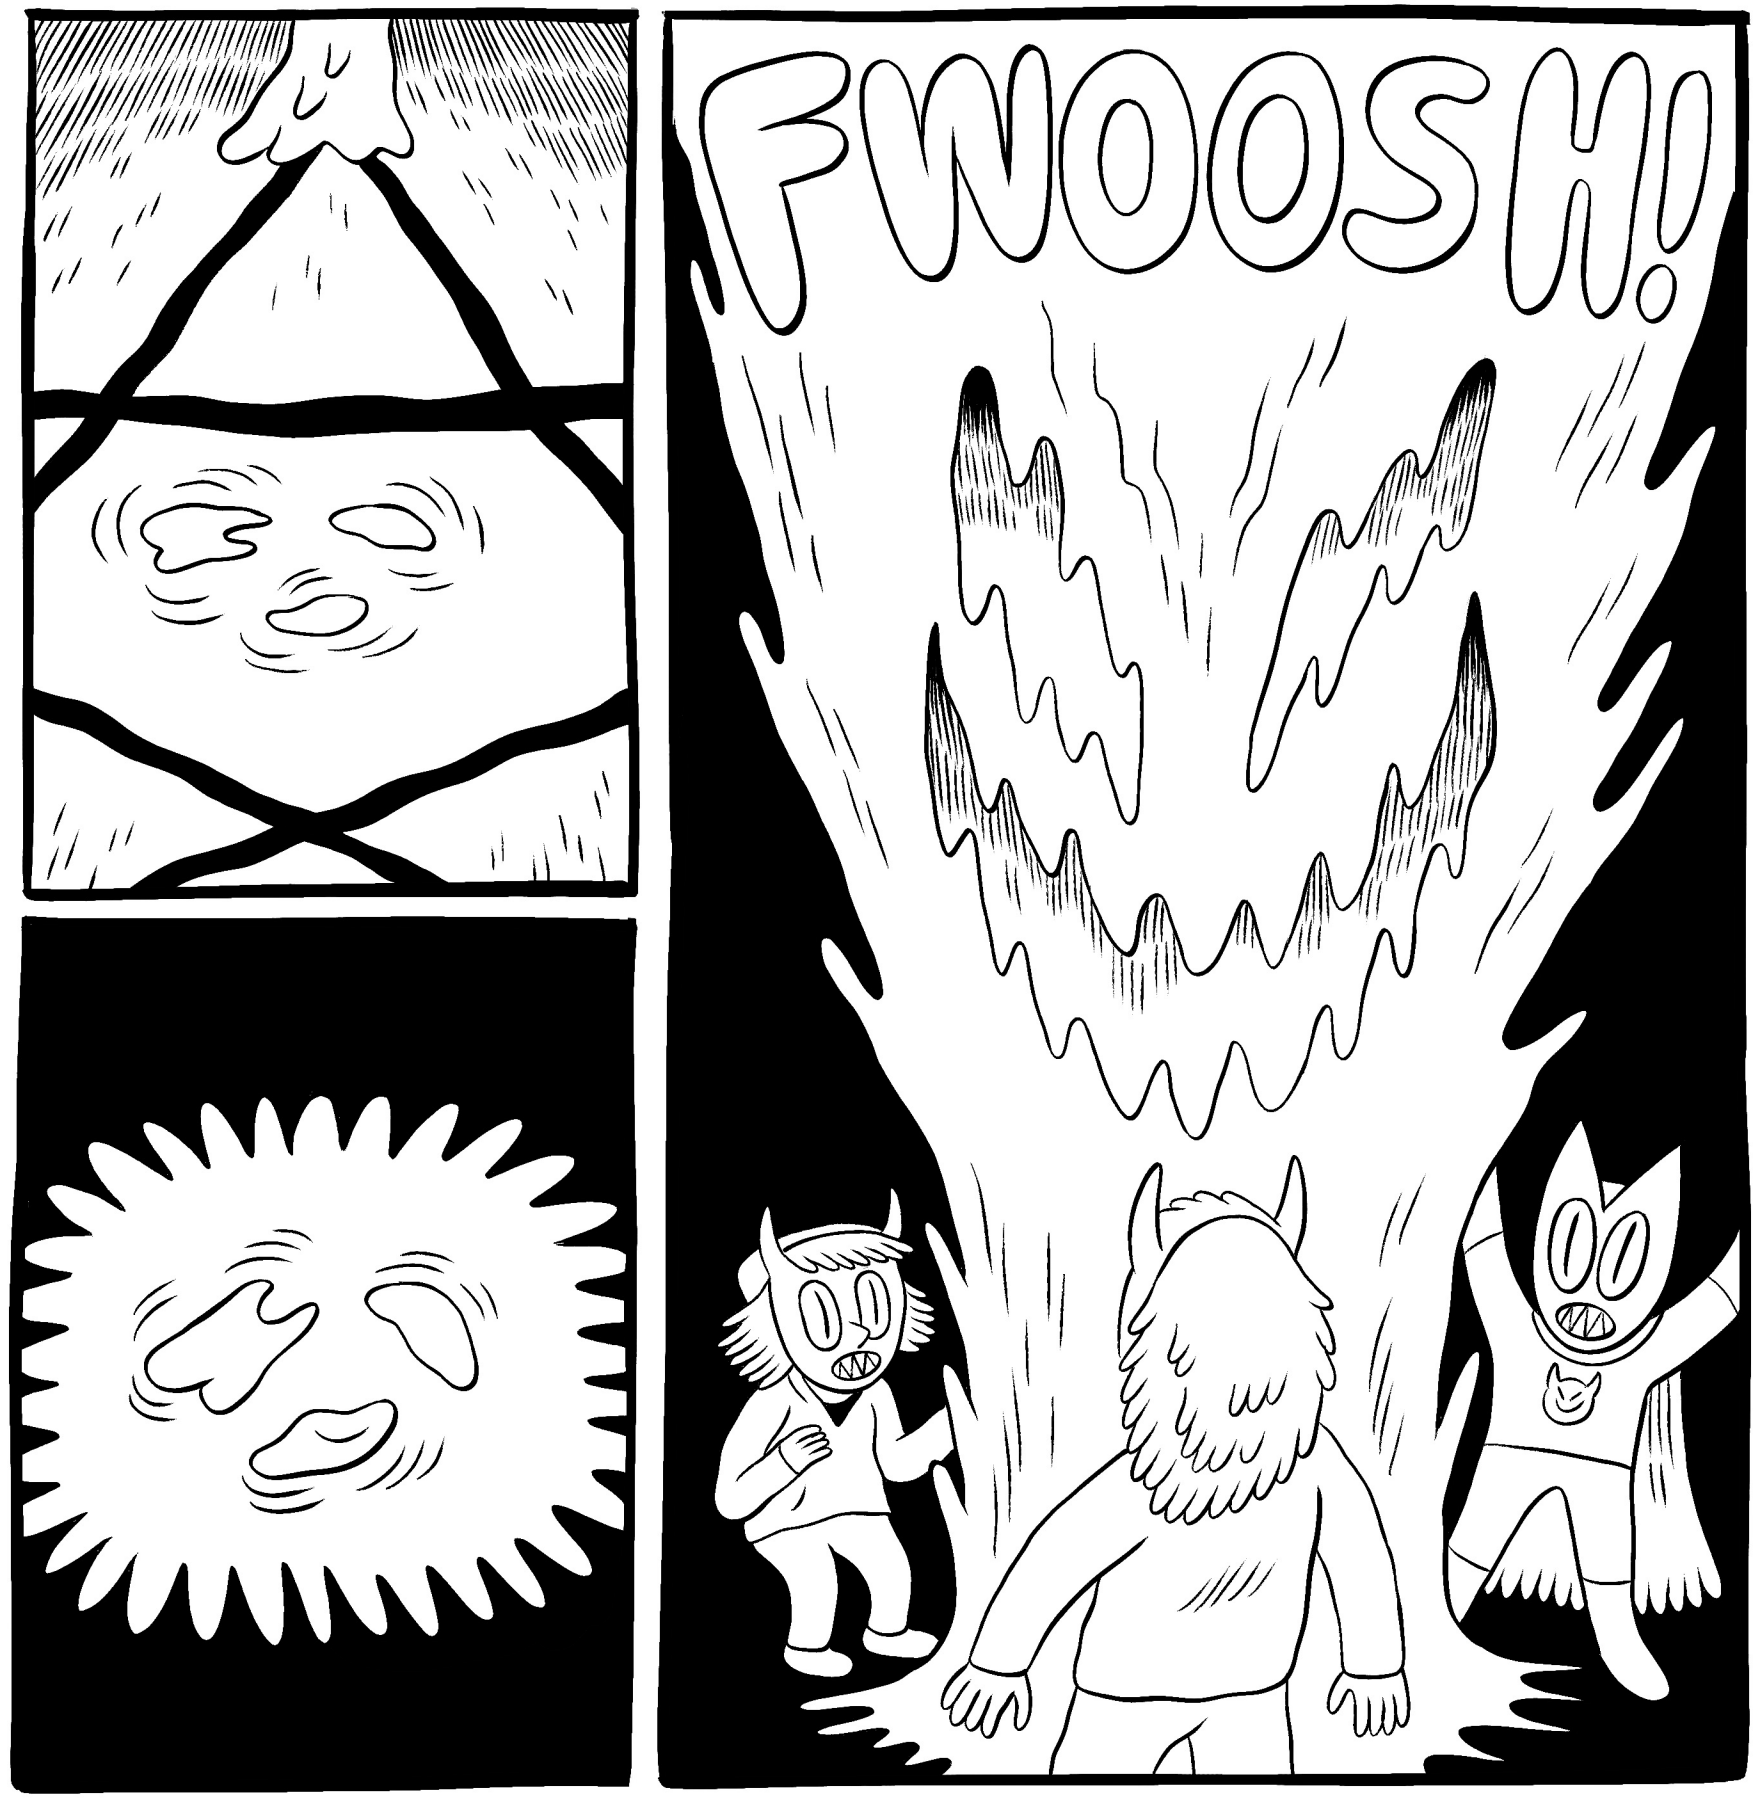
You should go out and make some friends.

You have a lot to offer.
Okay.



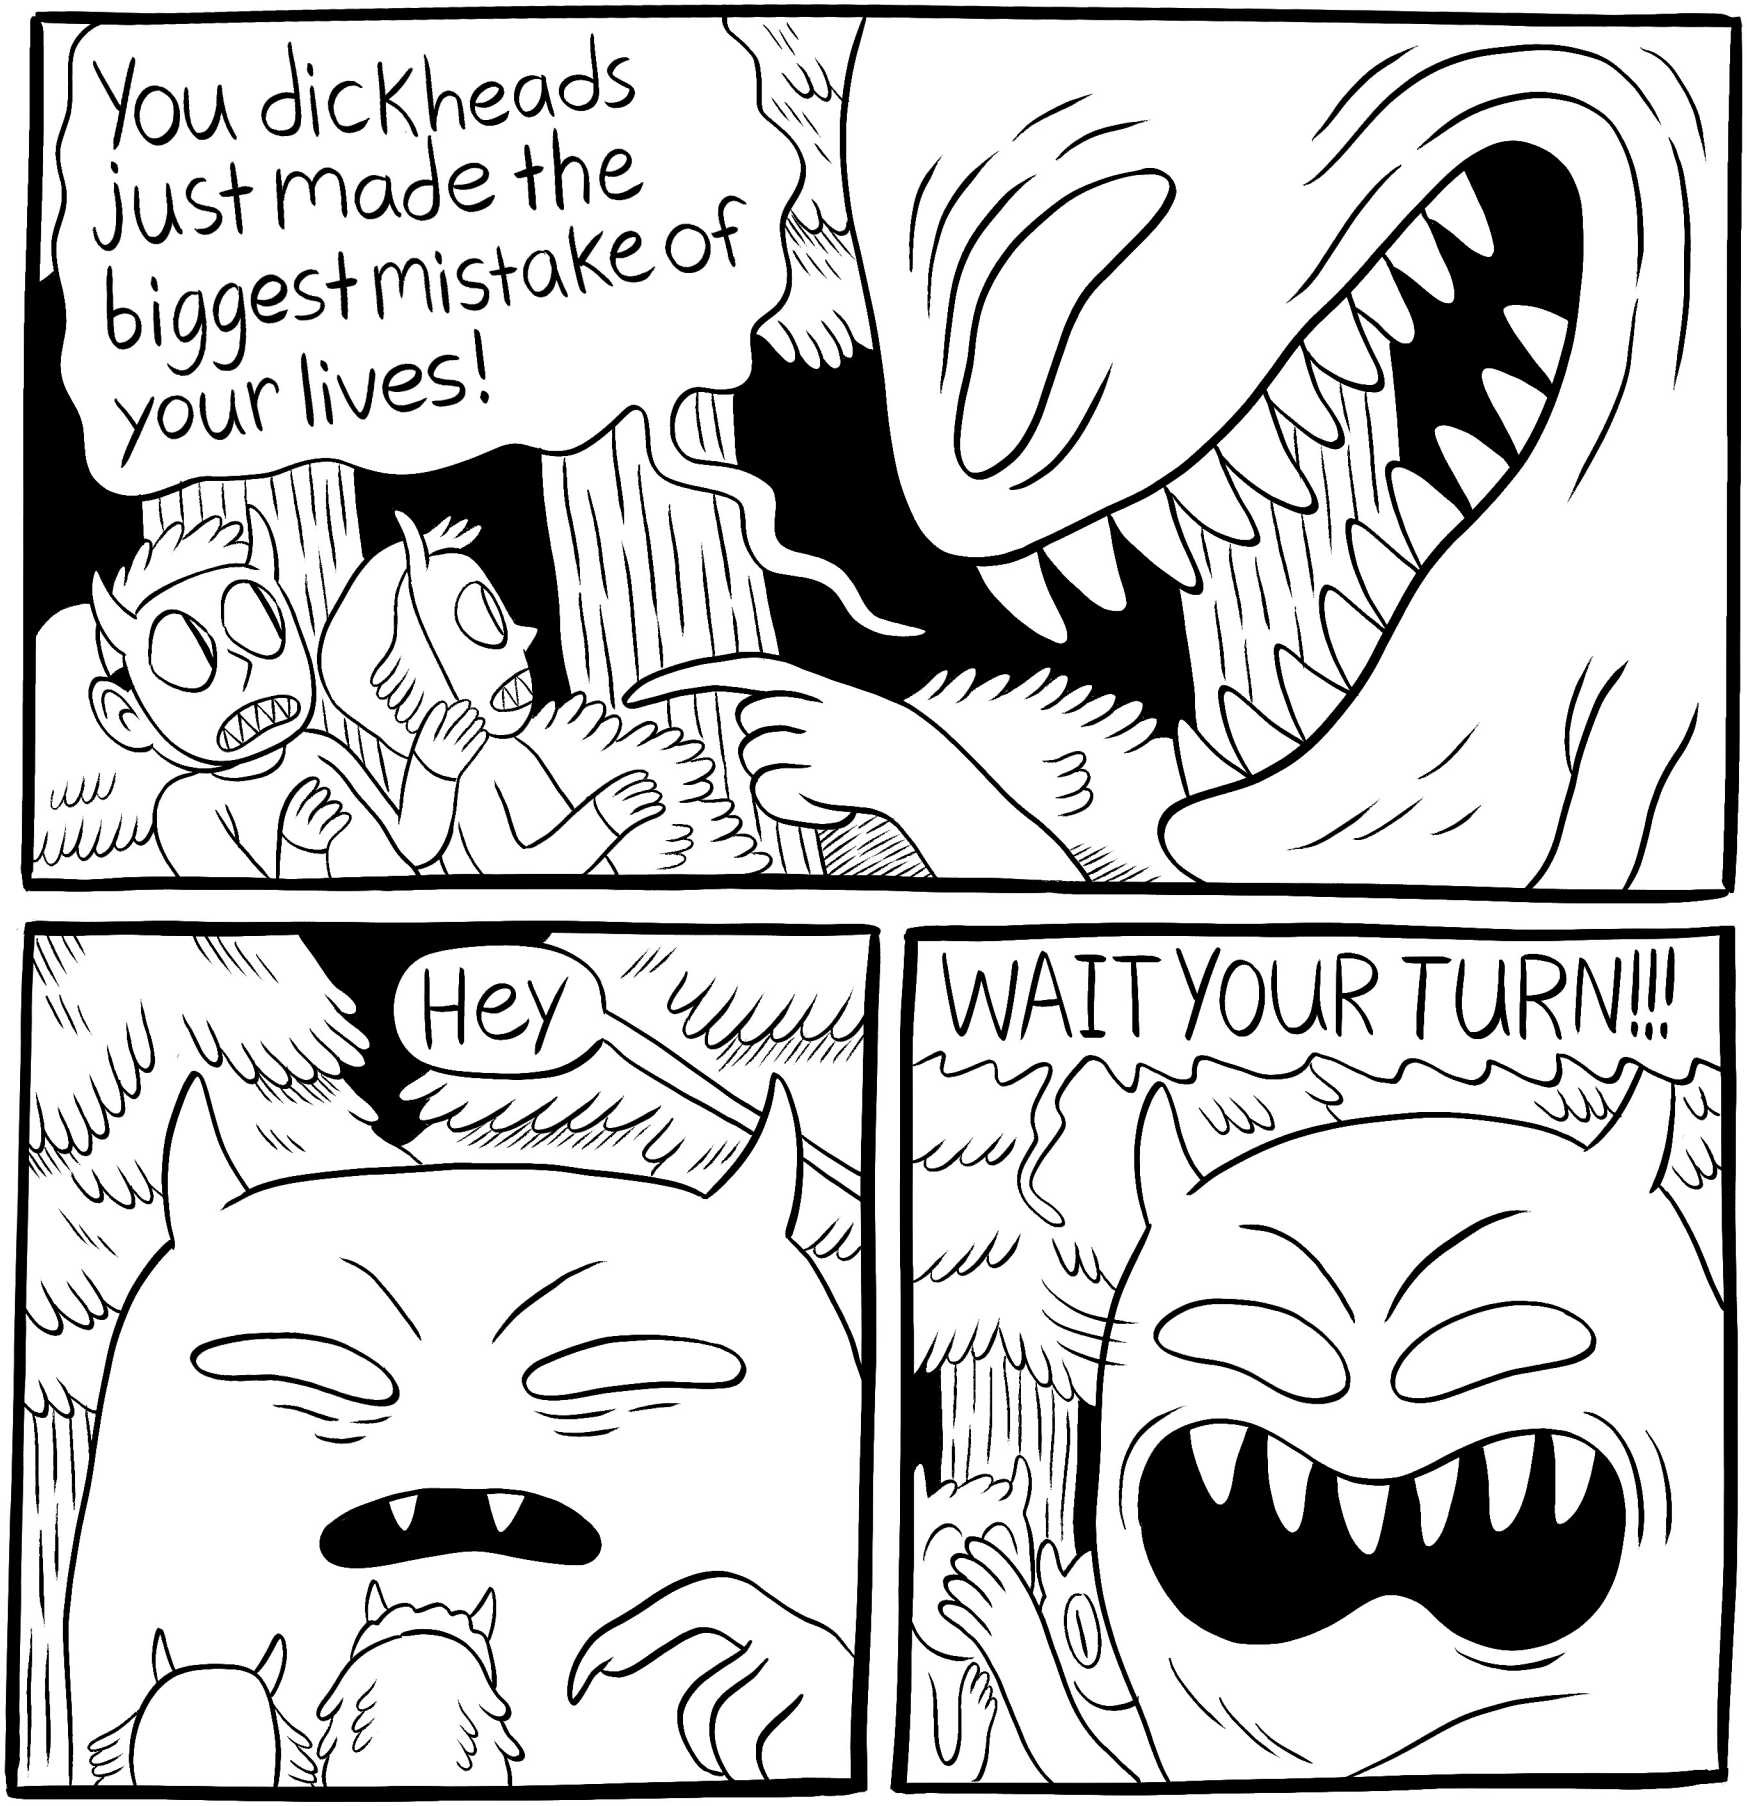
SONY



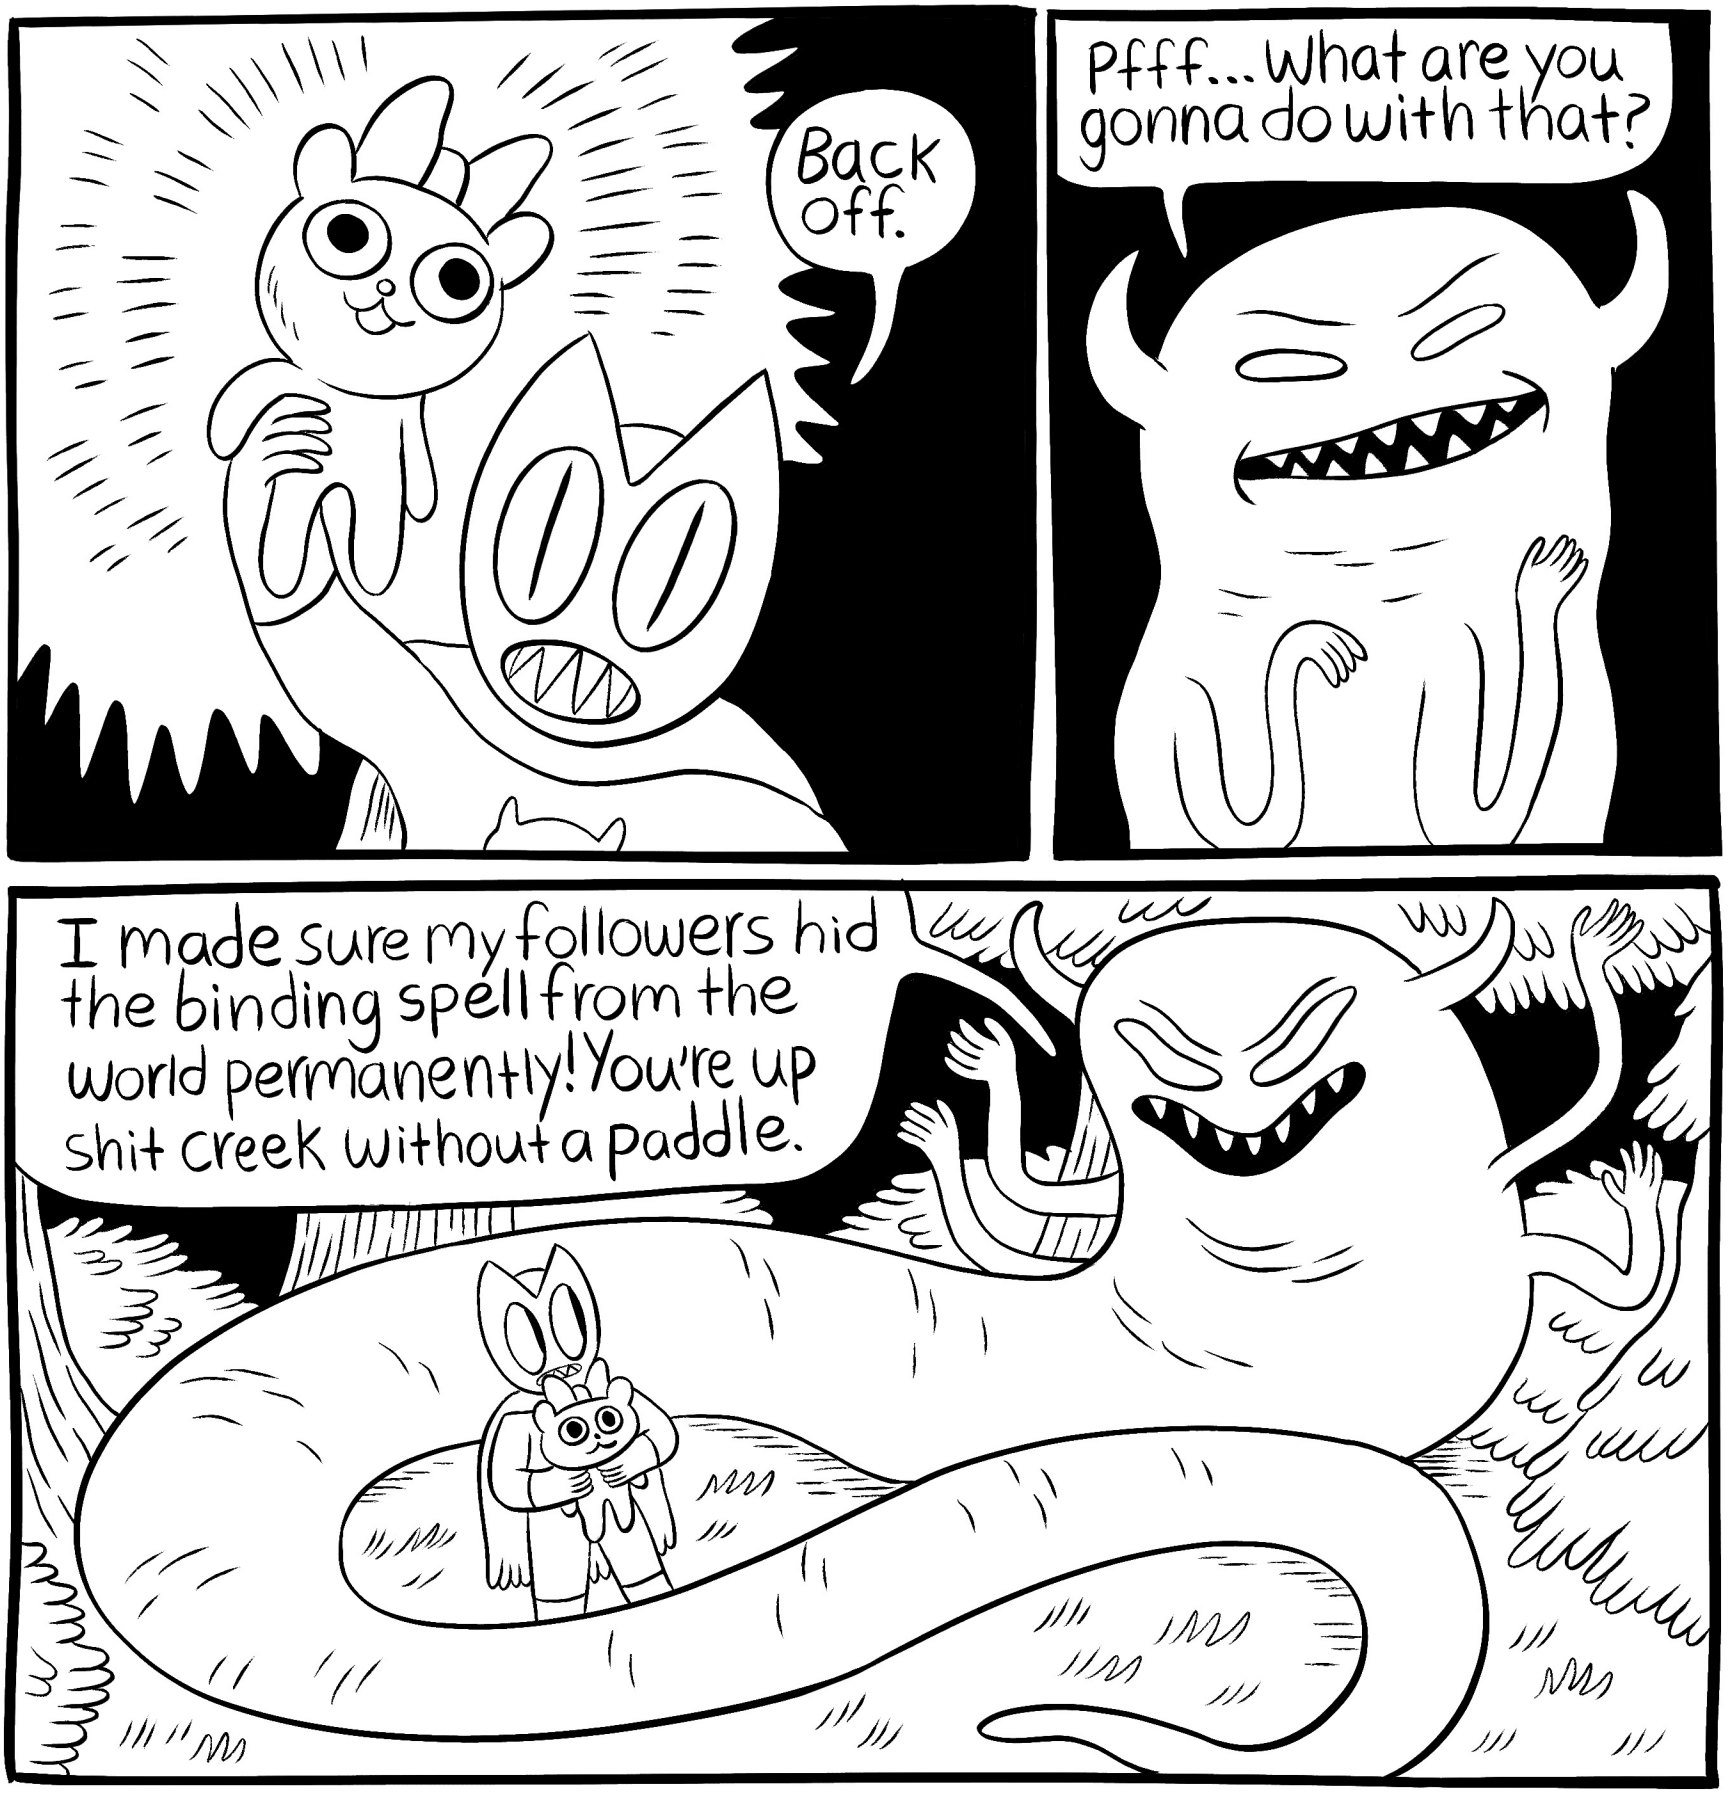


FWOOSH!

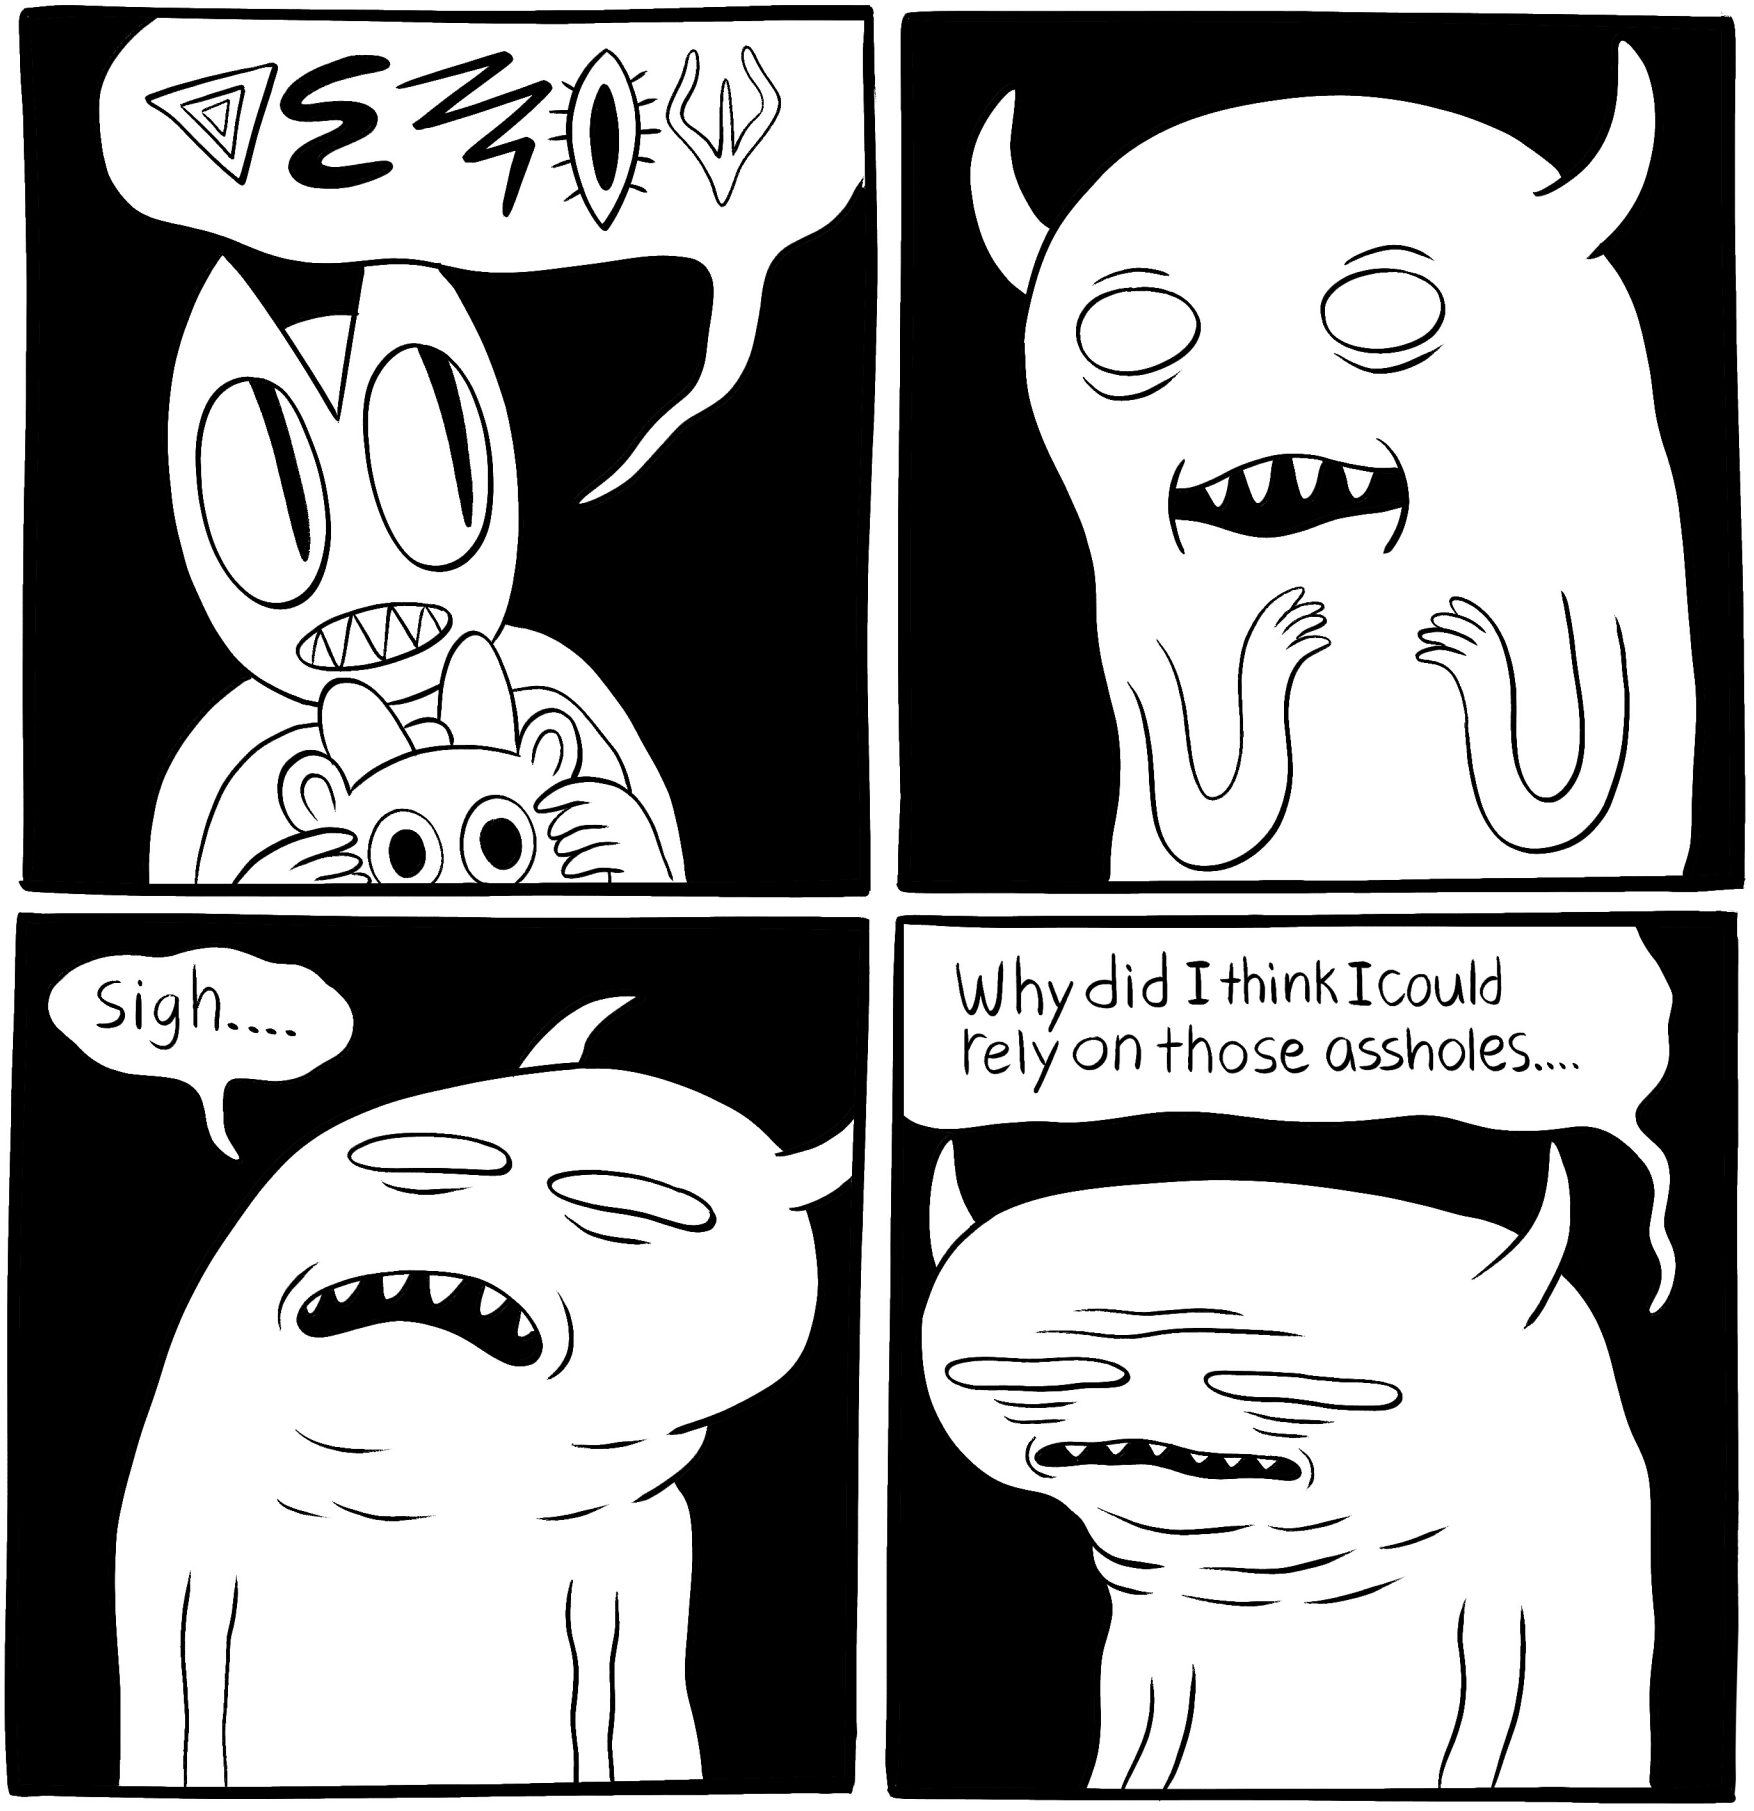
HA HA!!!
Holy shit, I'm back!!!
Whoa.
Oh fuck!



You dickheads just made the biggest mistake of your lives!
Hey
WAIT YOUR TURN!!!



Back off.
Pfff... What are you gonna do with that?
I made sure my followers hid the binding spell from the world permanently! You're up shit creek without a paddle.



Sigh....
Why did I think I could rely on those assholes....

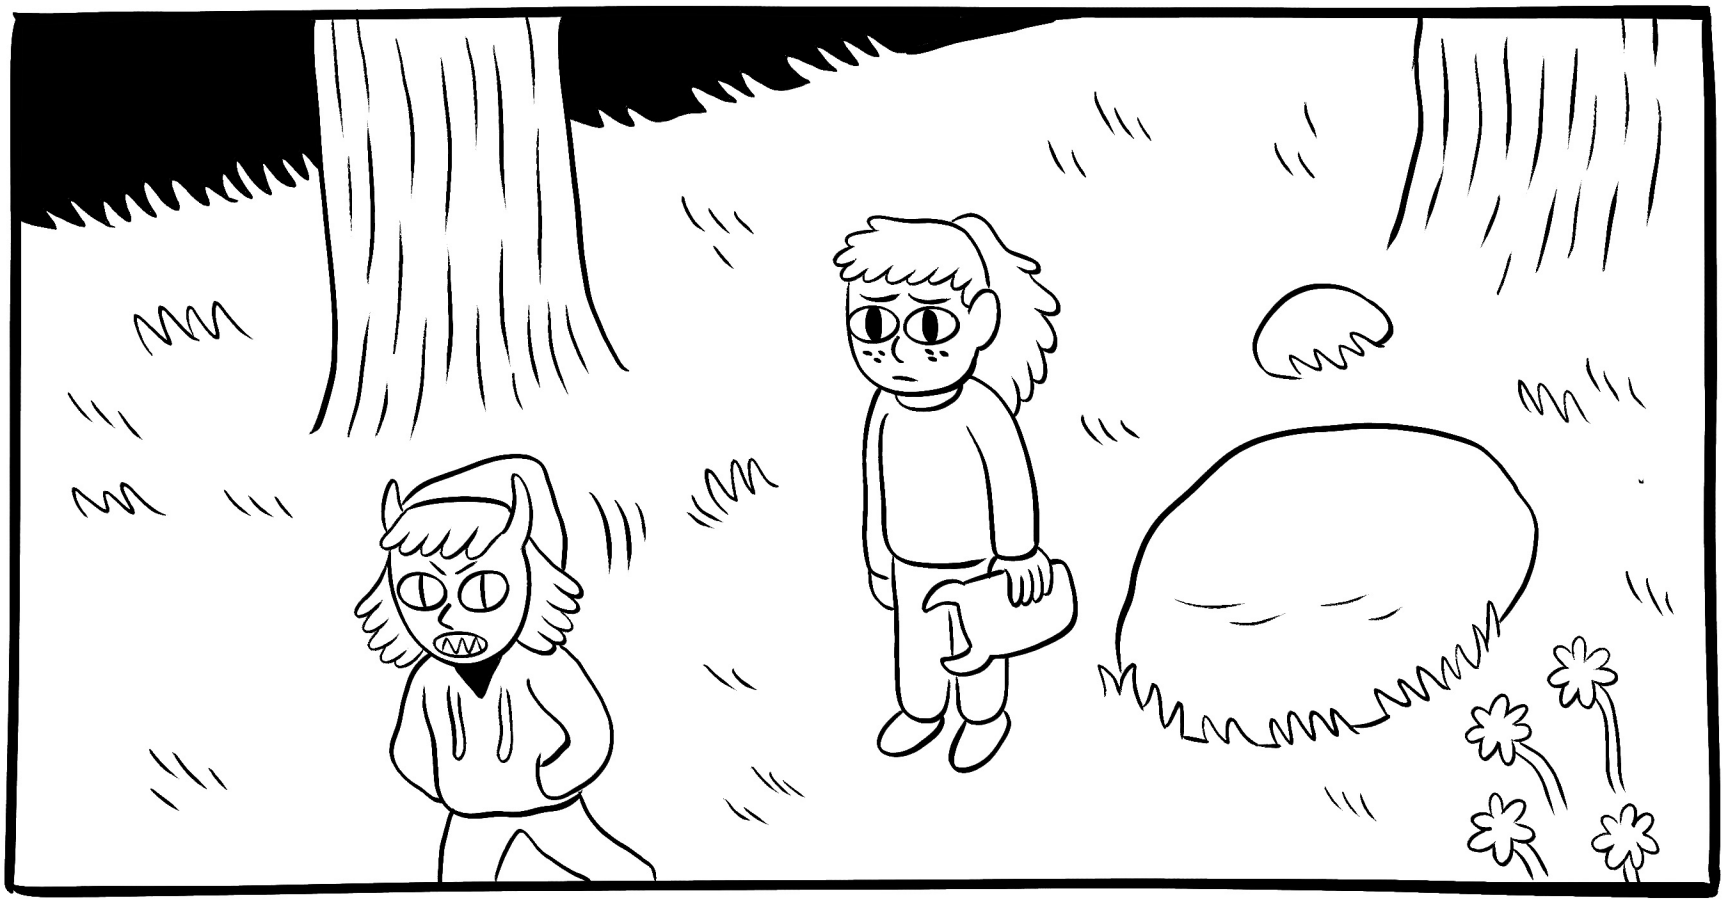
NNNOOO!!!

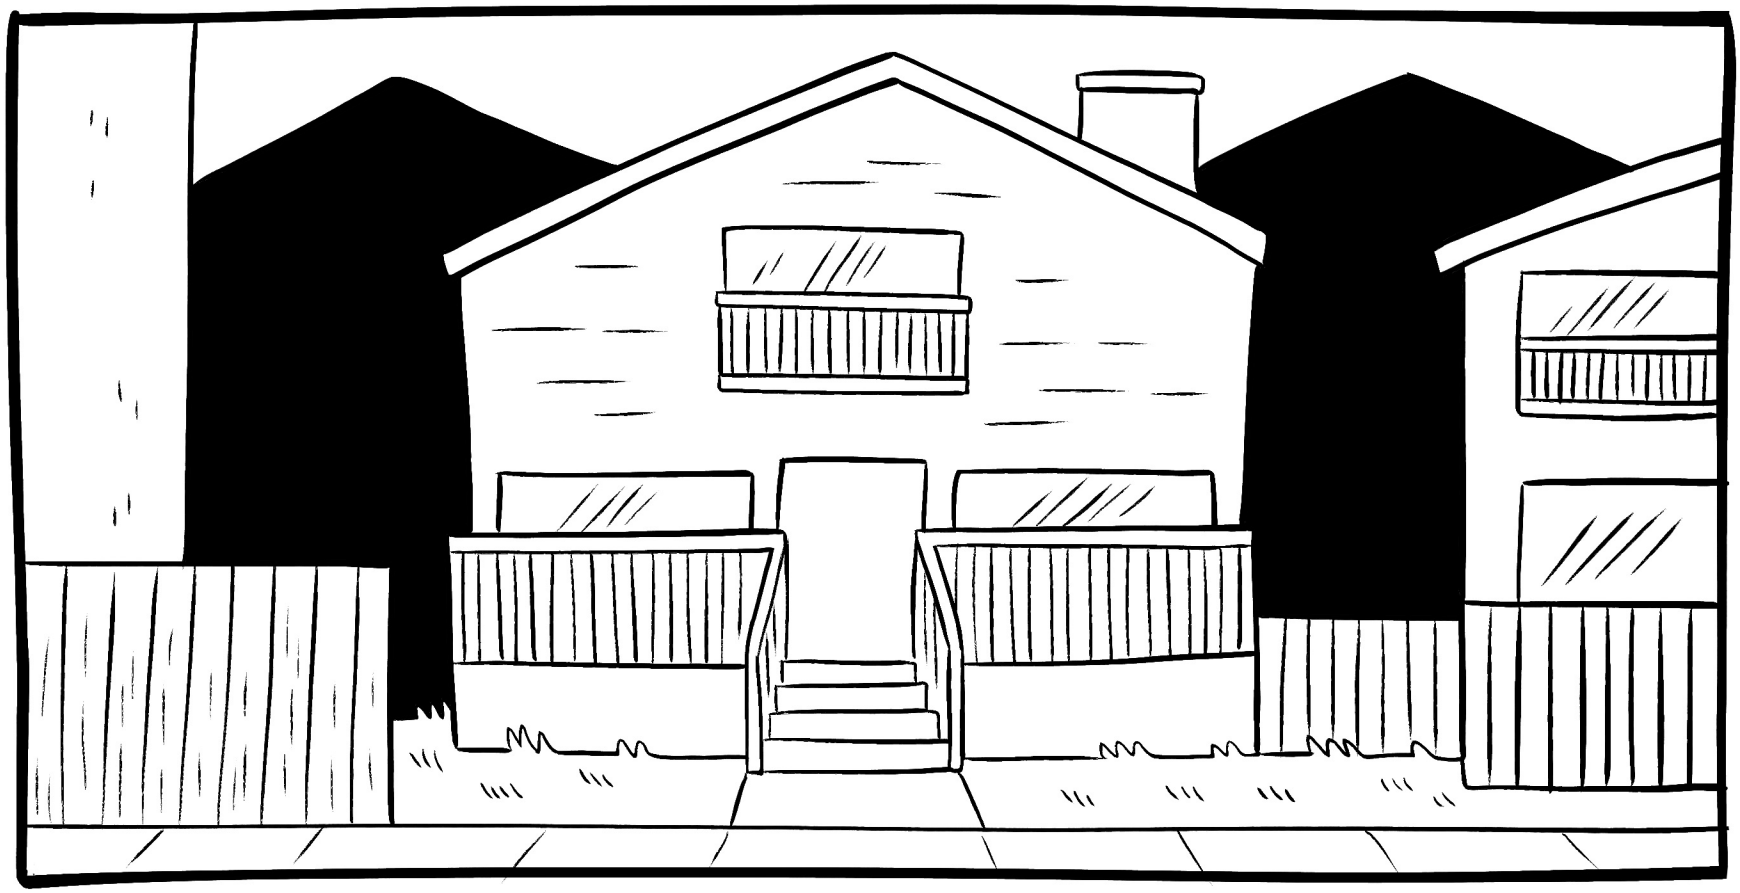
Euugghhh...
Ehh?

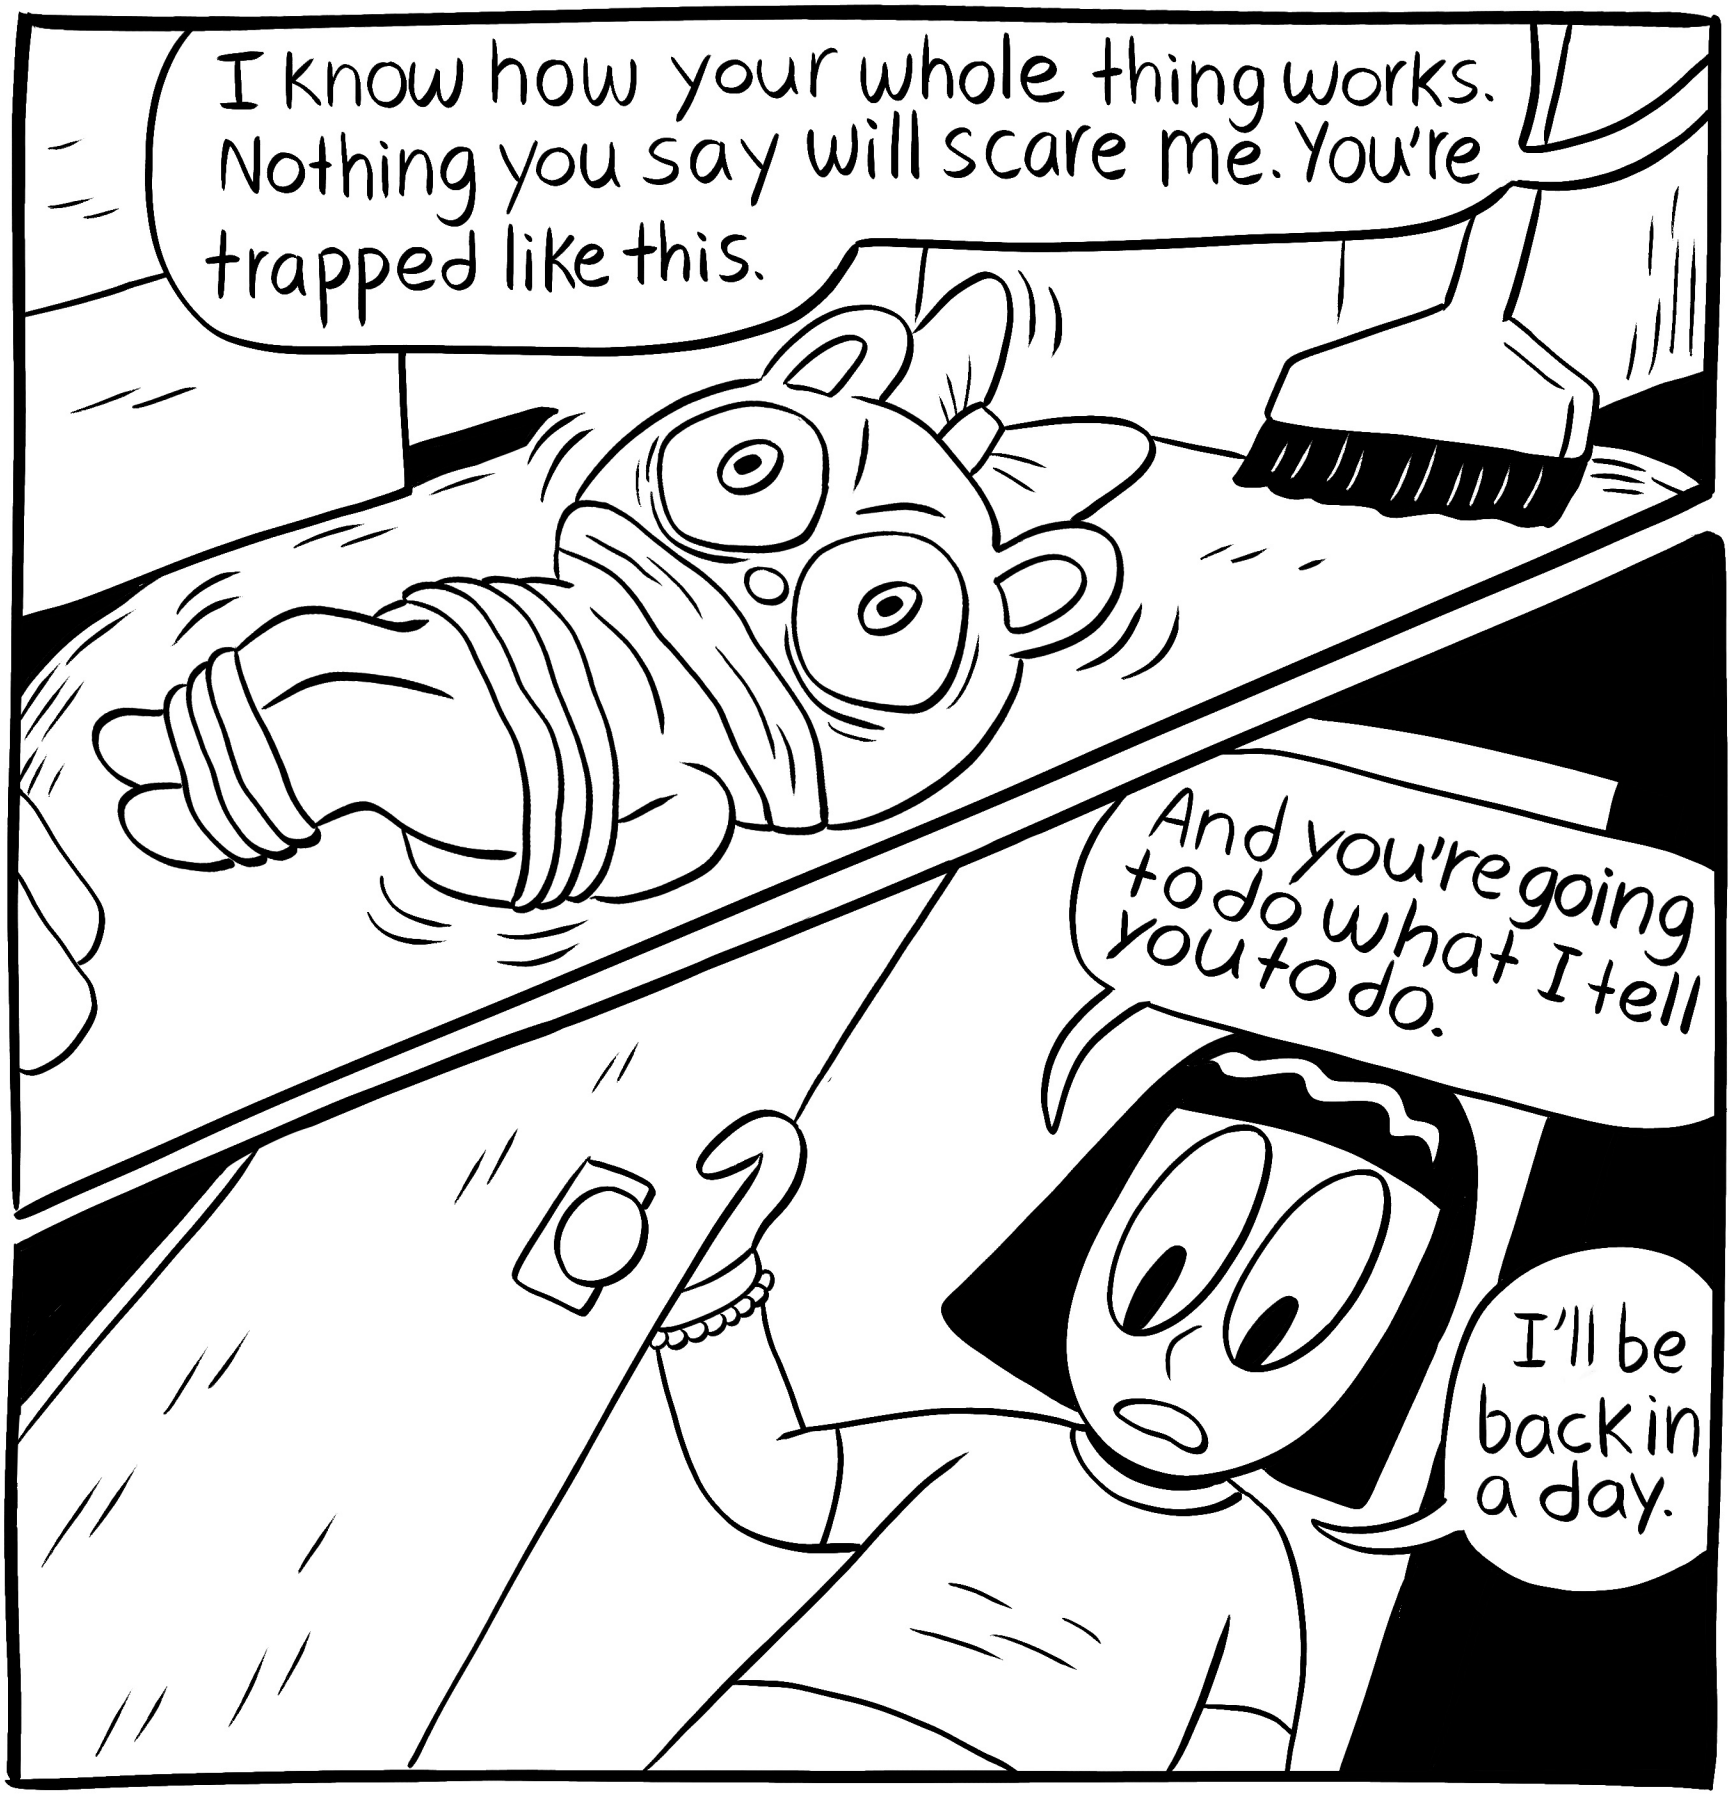
Oh, you are all going to ROT for this.
RELEASE ME IMMEDIATELY YOU LITTLE SHITS!!!
So is it going to do whatever we say now?
GO FUCK YOUR SELF

Ha ha ha. HAHA HA!!!
No.
It won't at first, but it will eventually.
You're going to hell. All of you are straight up fucked!
"Don't listen to it. Just let me do my thing."

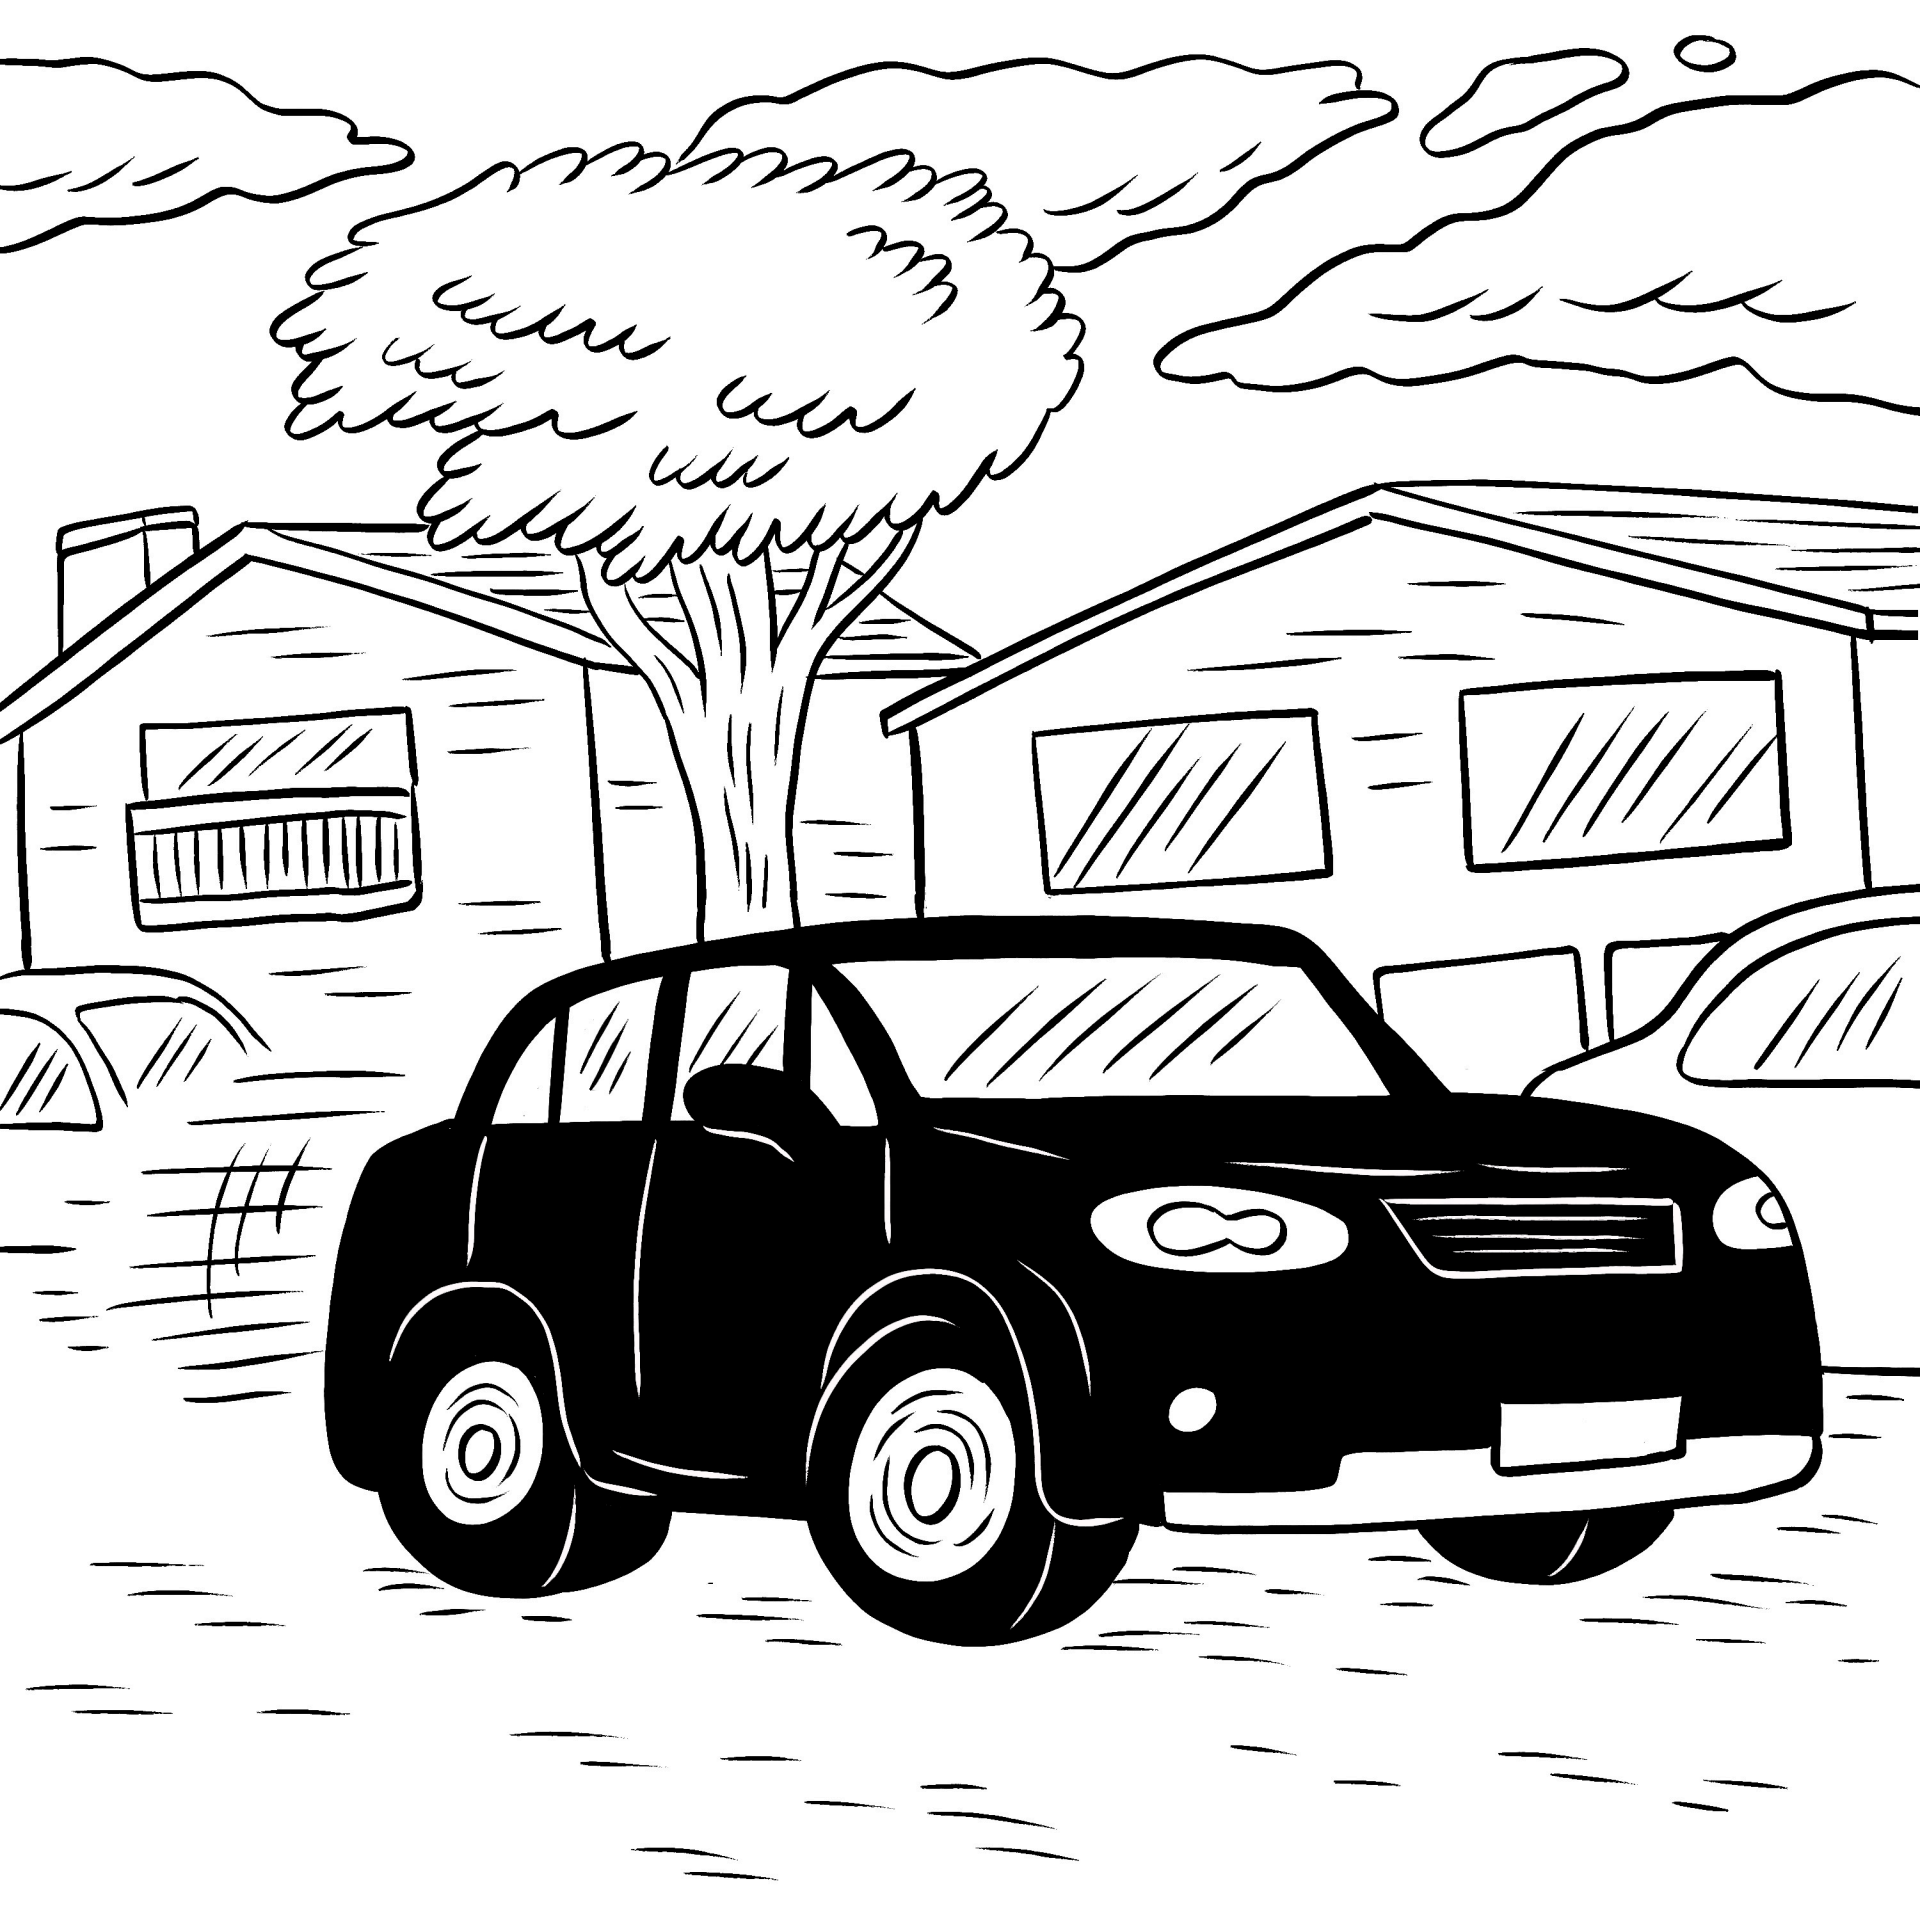
That was kind of intense, huh?
Give it a rest dude!

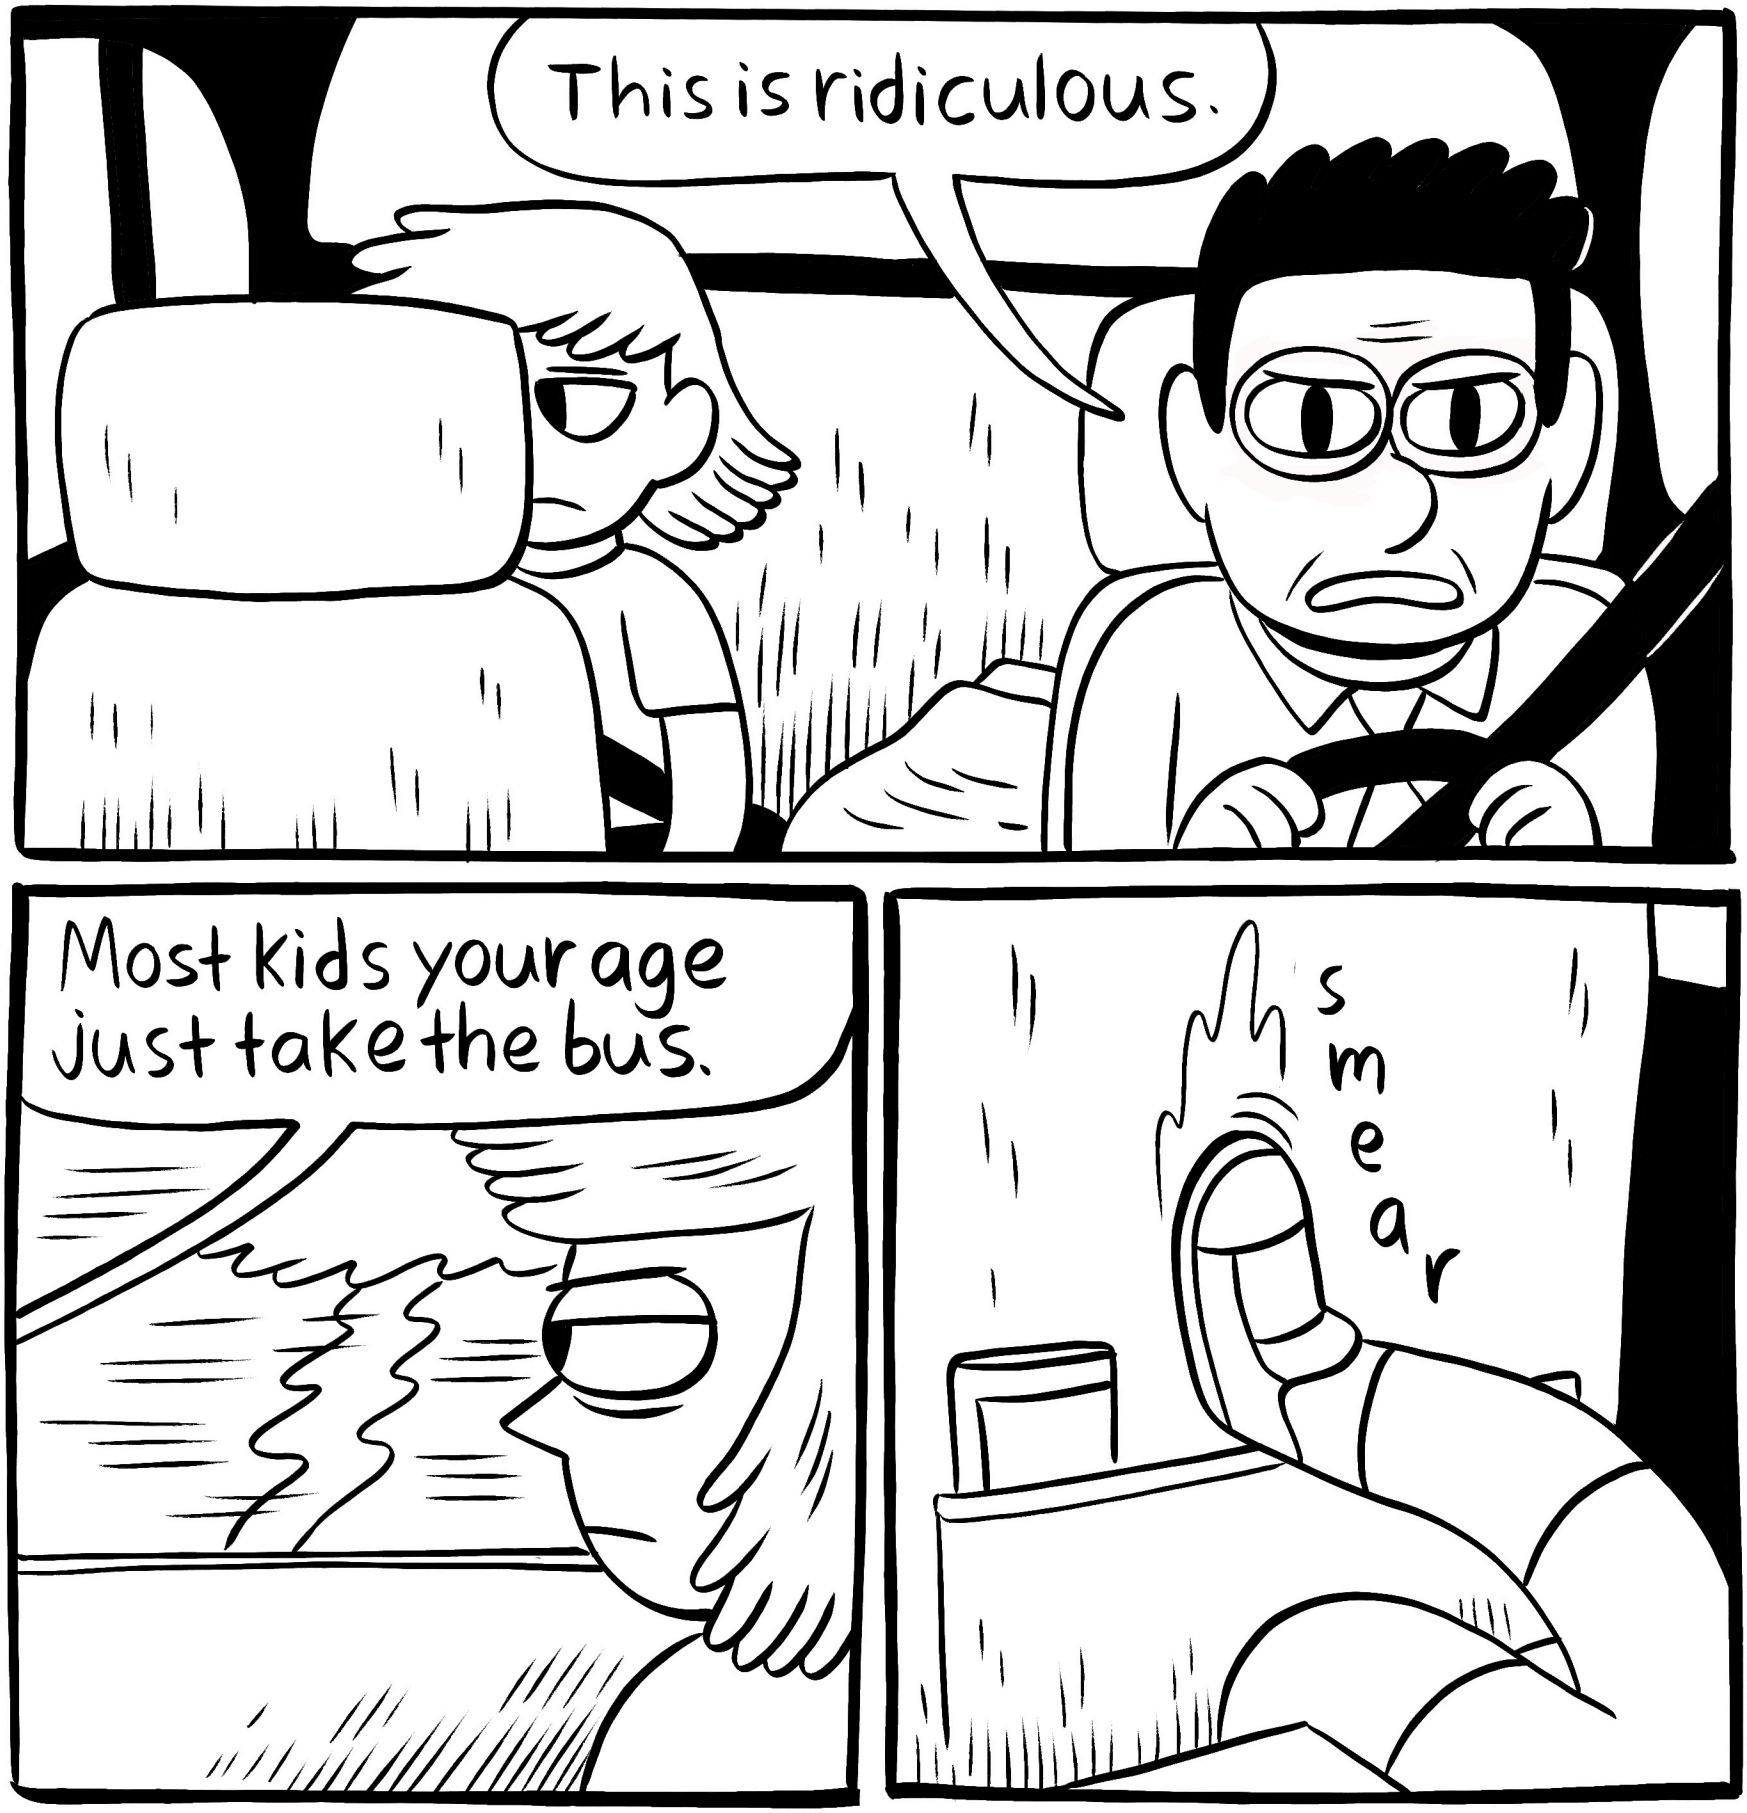






I know how your whole thing works. Nothing you say will scare me. You're trapped like this.
And you're going to do what I tell you to do.
I'll be back in a day.





This is ridiculous.
Most kids your age just take the bus.
smear

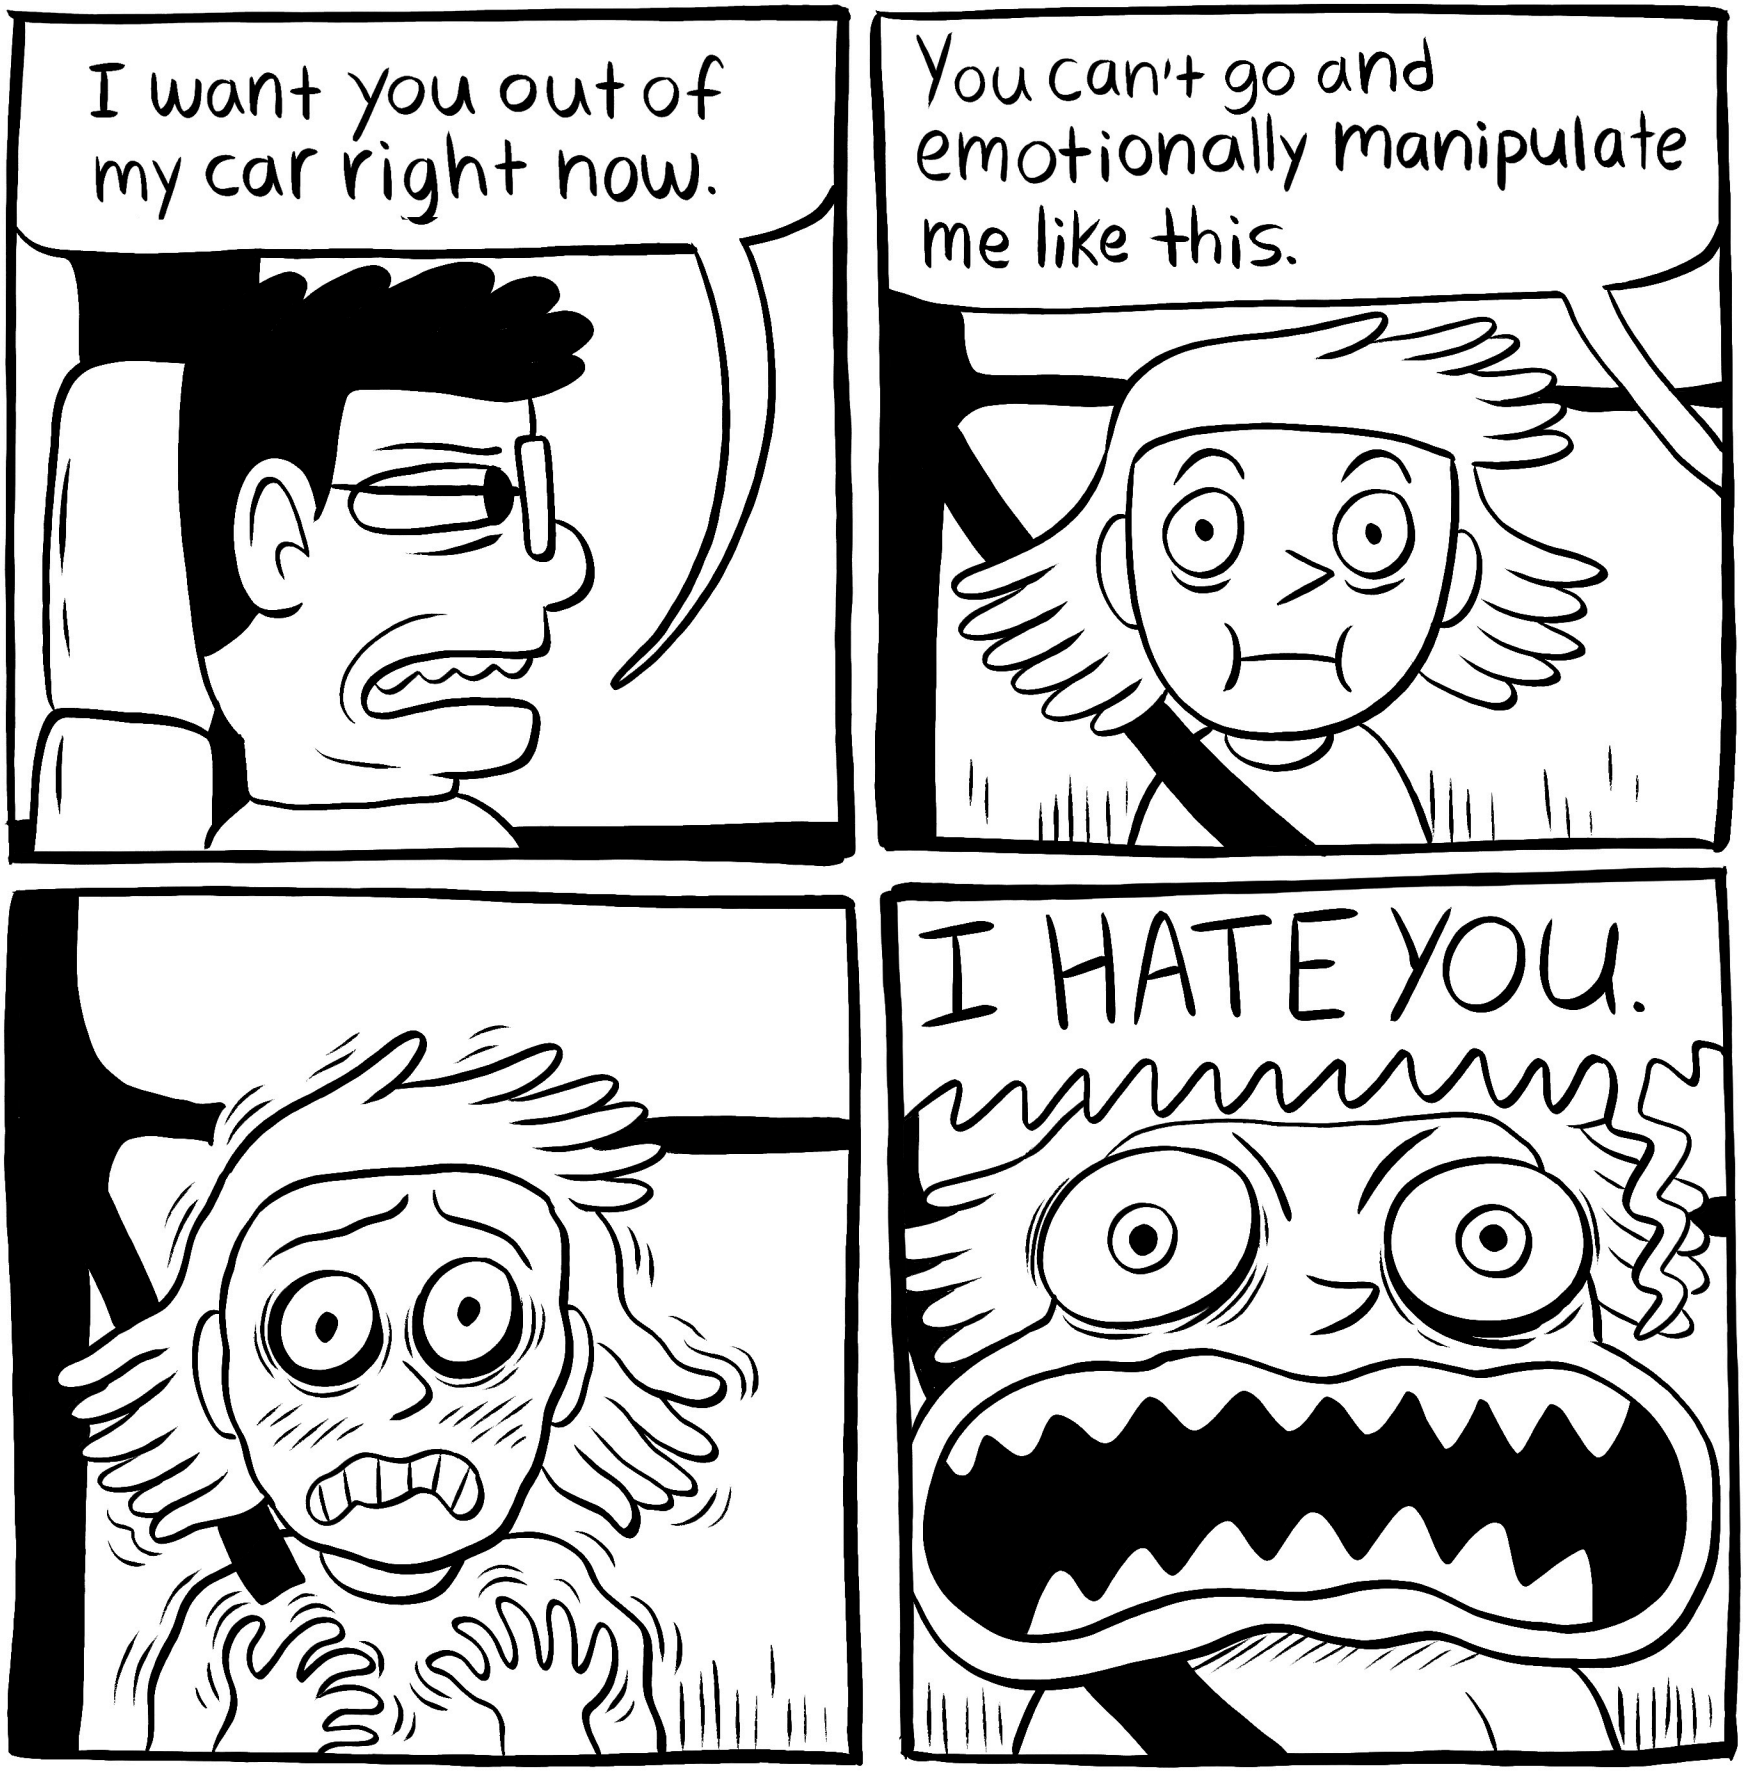
Hey! Feet down.
WOMP!!!
KNOCK IT OFF!!

You are absolutely unbelievable!! Do you want to walk home!? Because that can be arranged very quickly!!!
Everything I do for you, and this is how you act...
When I was your age, my father beat me for even daring to talk back. Can you imagine what that was like?!

You're spoiled.
We spoiled you.
I'M NOT SPOILED!!! You yell at me and make me feel bad about myself all the time!!!

You only care about...
...about stupid SHIT that doesn't MATTER!!!
Get out.

...what?!
SCREEEECH!!!



I want you out of my car right now.
You can't go and emotionally manipulate me like this.
I HATE YOU.

OUT.NOW.

GO FUCK YOURSELF!!

I WISH YOU'D JUST DIE!!!

Grandma is throwing out all of the food.

It isn't important.

Sure, keep telling yourself that.
How did you even find the summoning ritual?
The internet. It was kind of difficult, but I managed to find one of your scholars online. He was pretty lonely and desperate, so catfishing him was the easiest part.
That mother... I need to check in on those shitheads more often.

You can buy books that'll get you halfway there, though. A lot of the information is public. You guys did a really bad job hiding it.
PAFF!
I also know all the stuff about people going to hell is bullshit.
You just made those parts up. The guy I got the summoning ritual from told me everything.
Nyehh

Well, I guess you have this all figured out hmm?
Yep.
Okay then.

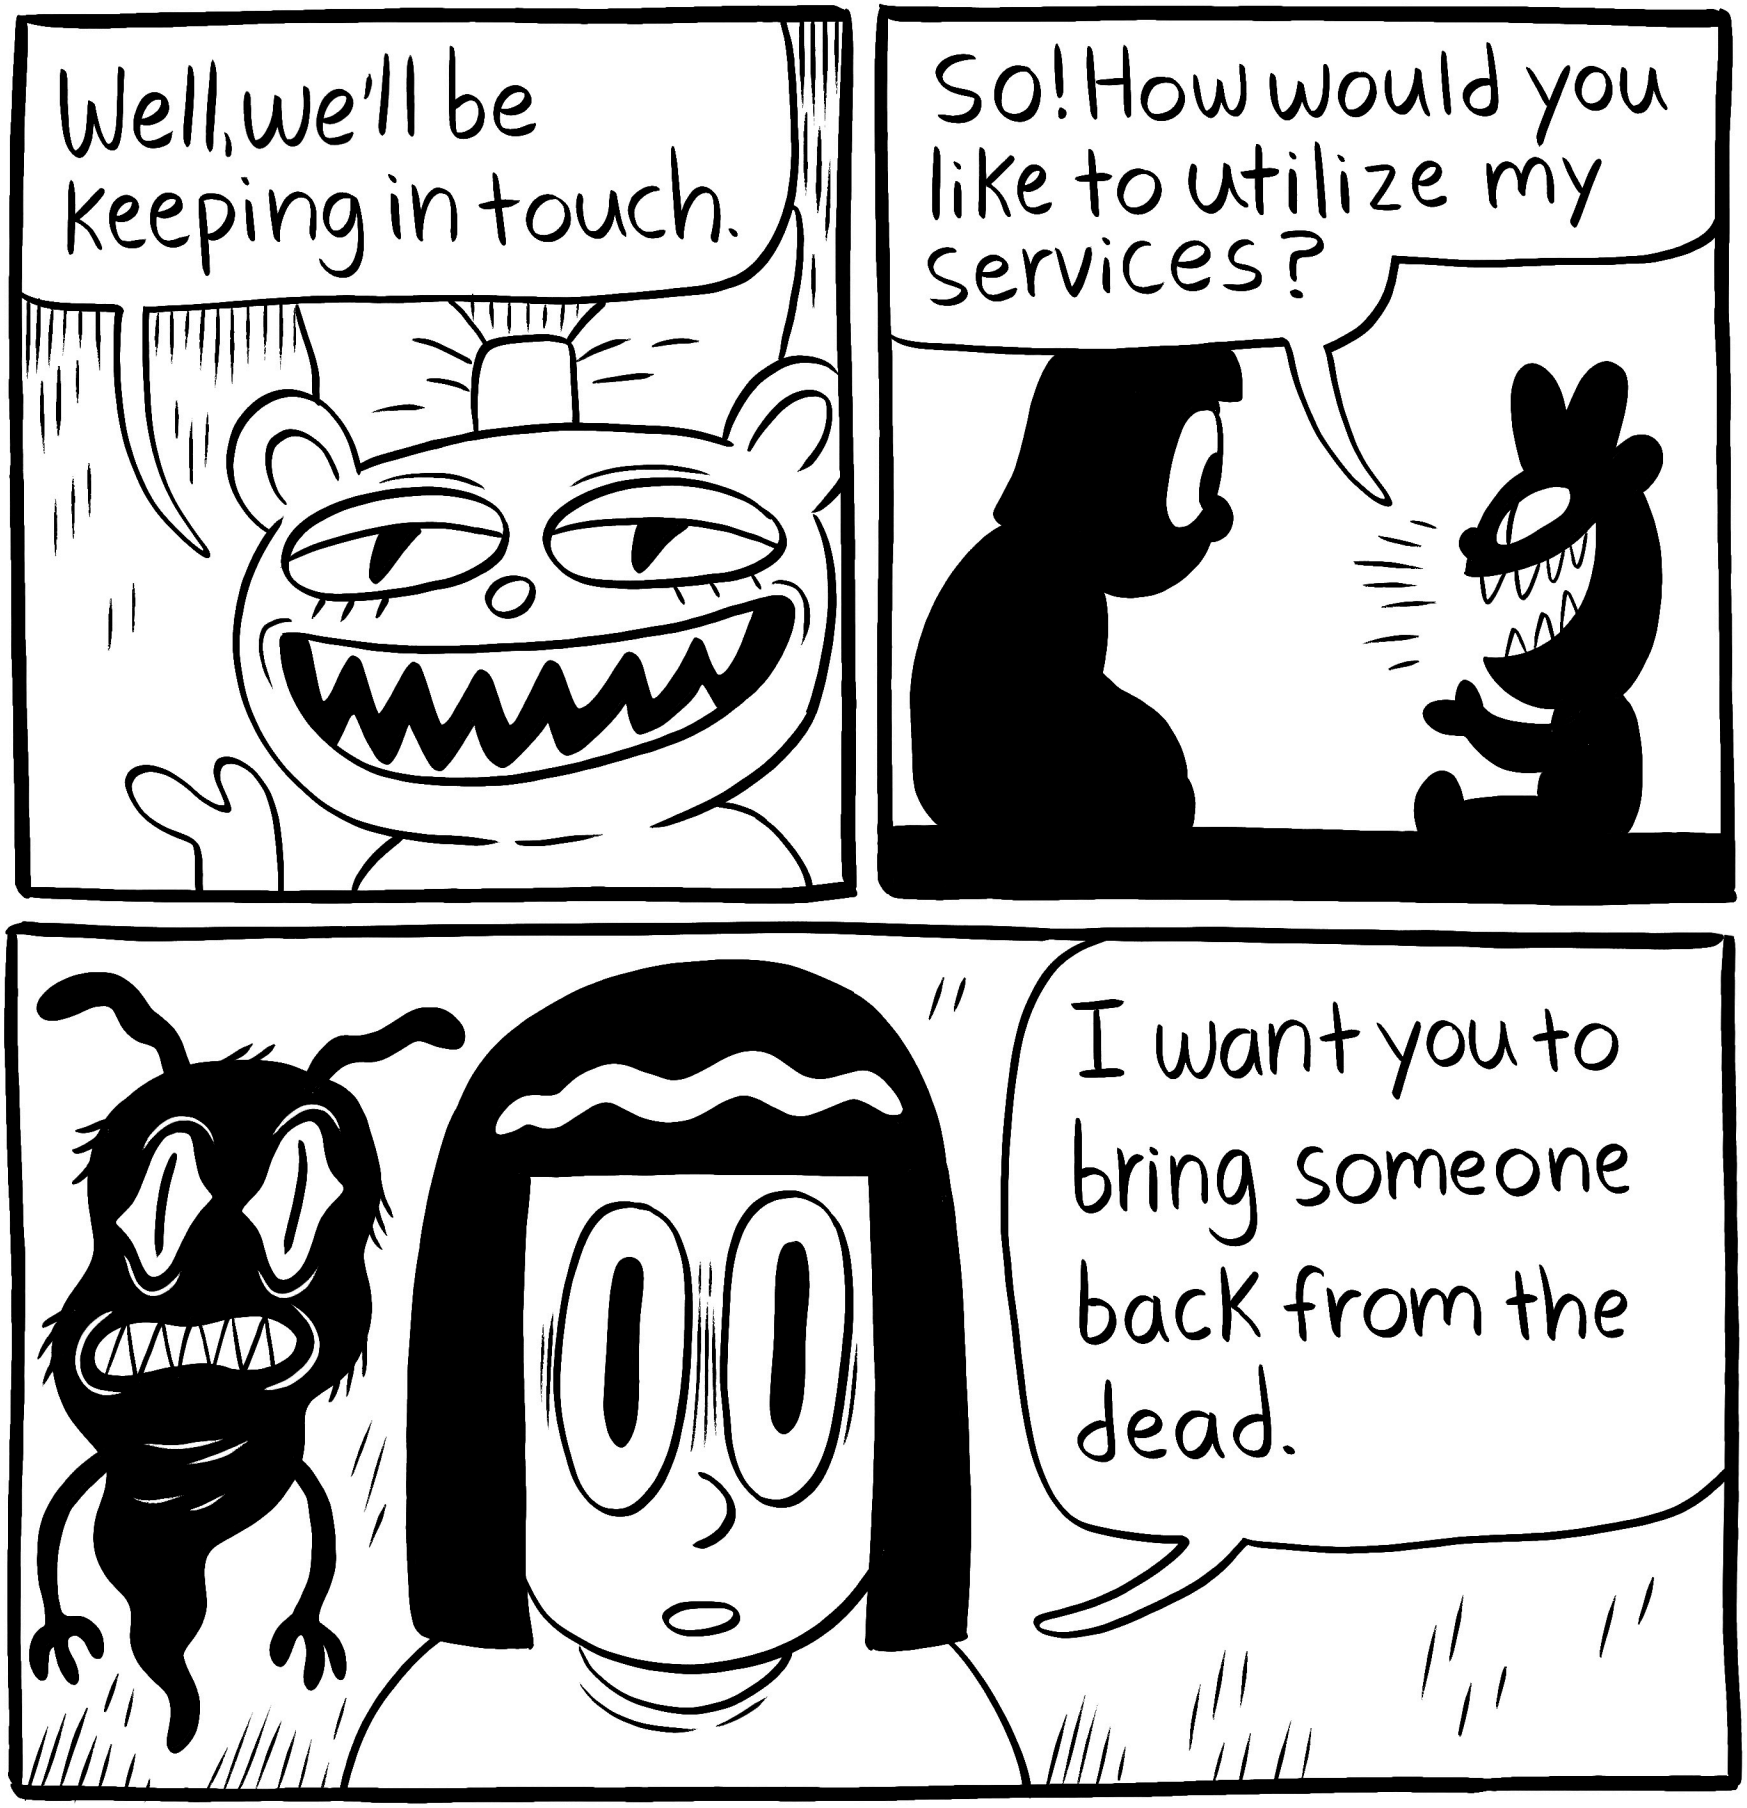
I like you, Kid, so I'll play ball. But I'm setting some ground rules.
You've gotta give up the name of the mother fucker who betrayed me.
And I'm only going to help you out. Your two friends get nothing.
00

Deal. His name is Dennis Hobbes.
I FUCKING KNEW IT!!! That horny piece of shit is SO fired.
And yourffrrriendsss?
I don't care. They're not my friends.

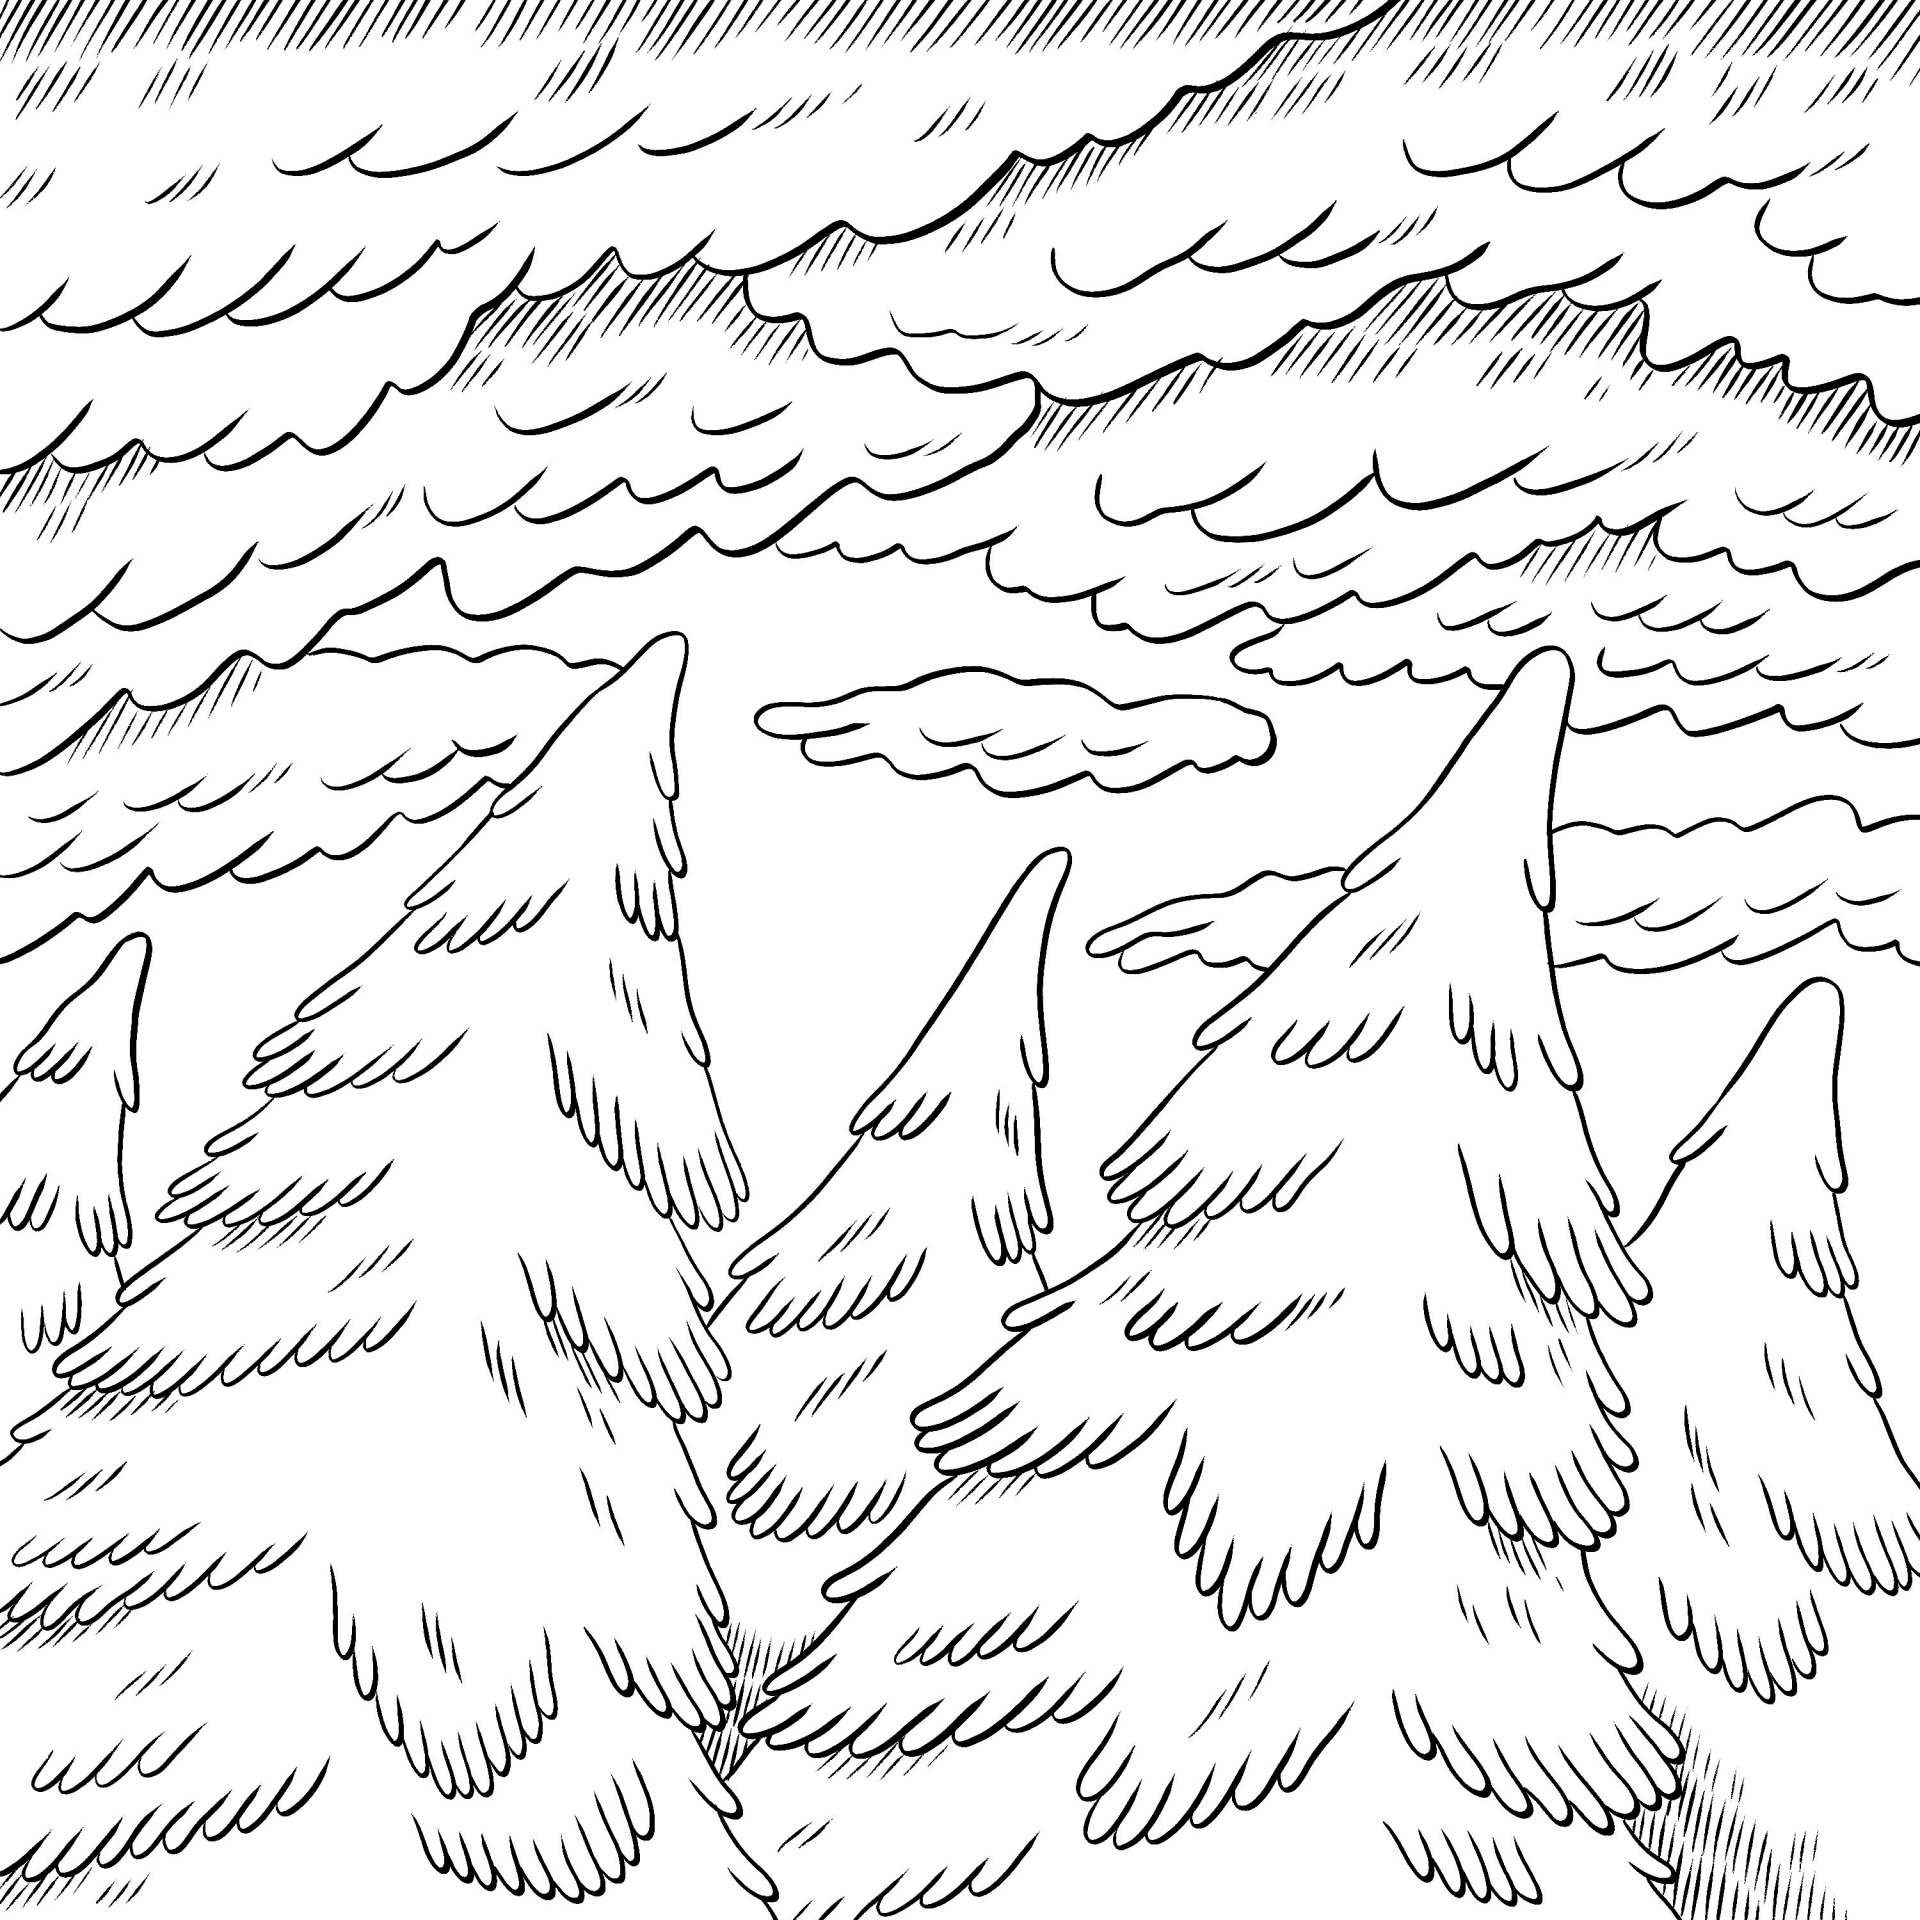
But you'd still throw them under the bus to get what you want?
You'd be that callous? Those girls will hate you for this.

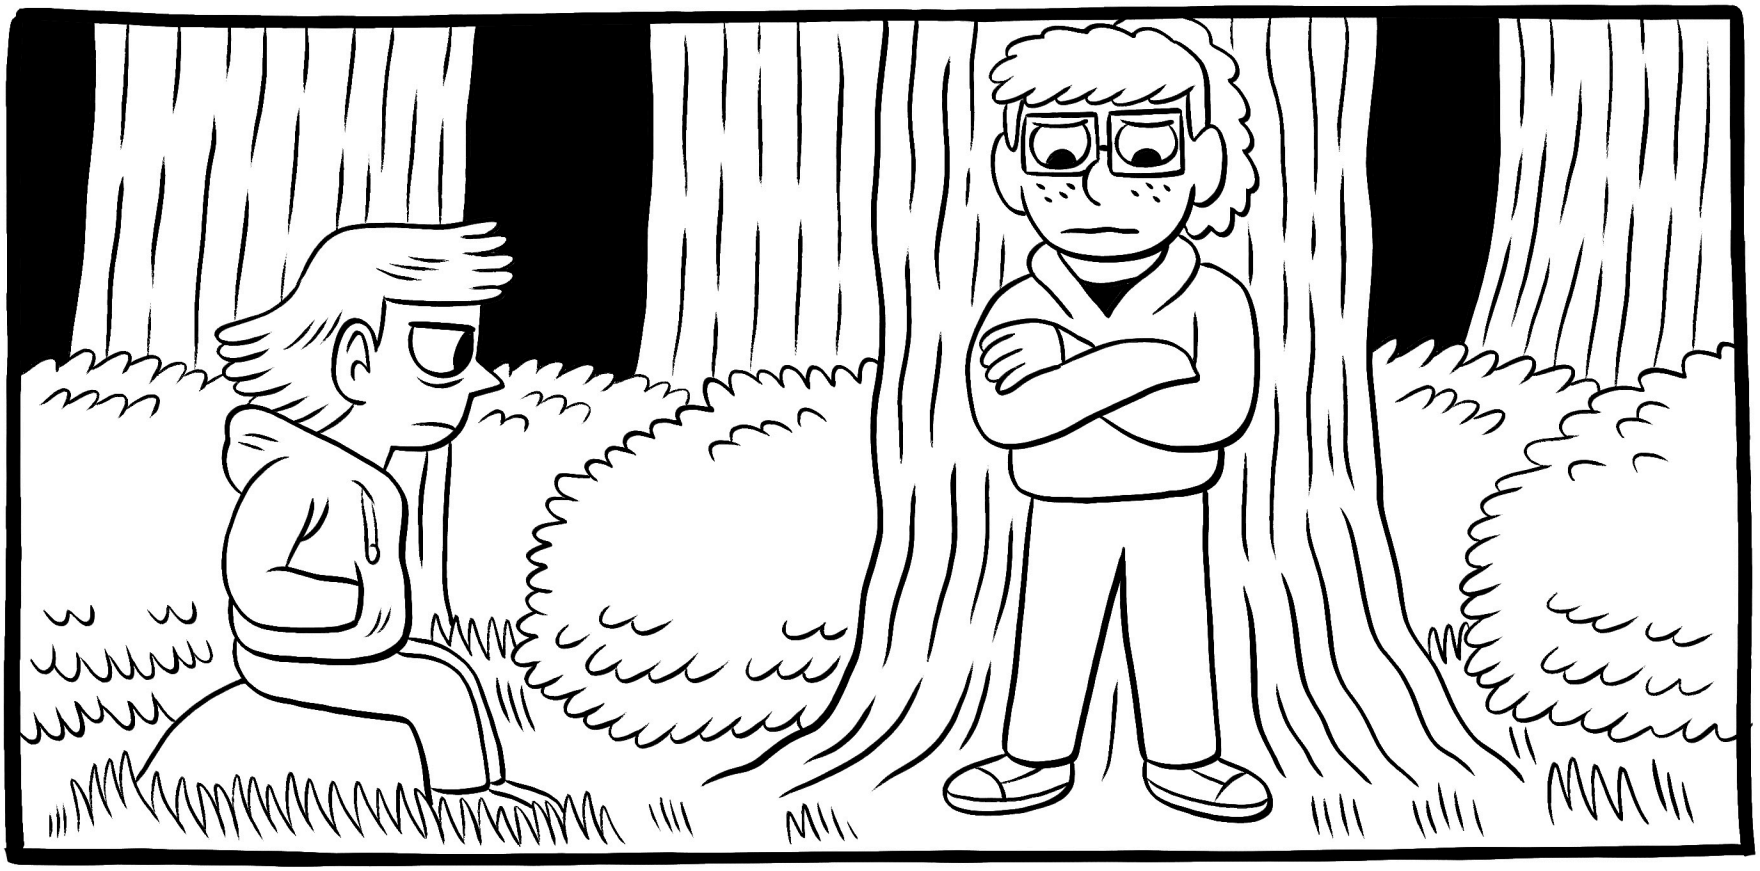
They would've messed it up anyways.
Both of them are still just kids.
HA HA HA HA!!!
That's pretty ruthless, friend! Maybe you can come work for me someday.

And not as some lowly scholar! I'm talking about a more substanial role, if you catch my drift...
Heartless people like us should stick together.
....Maybe.

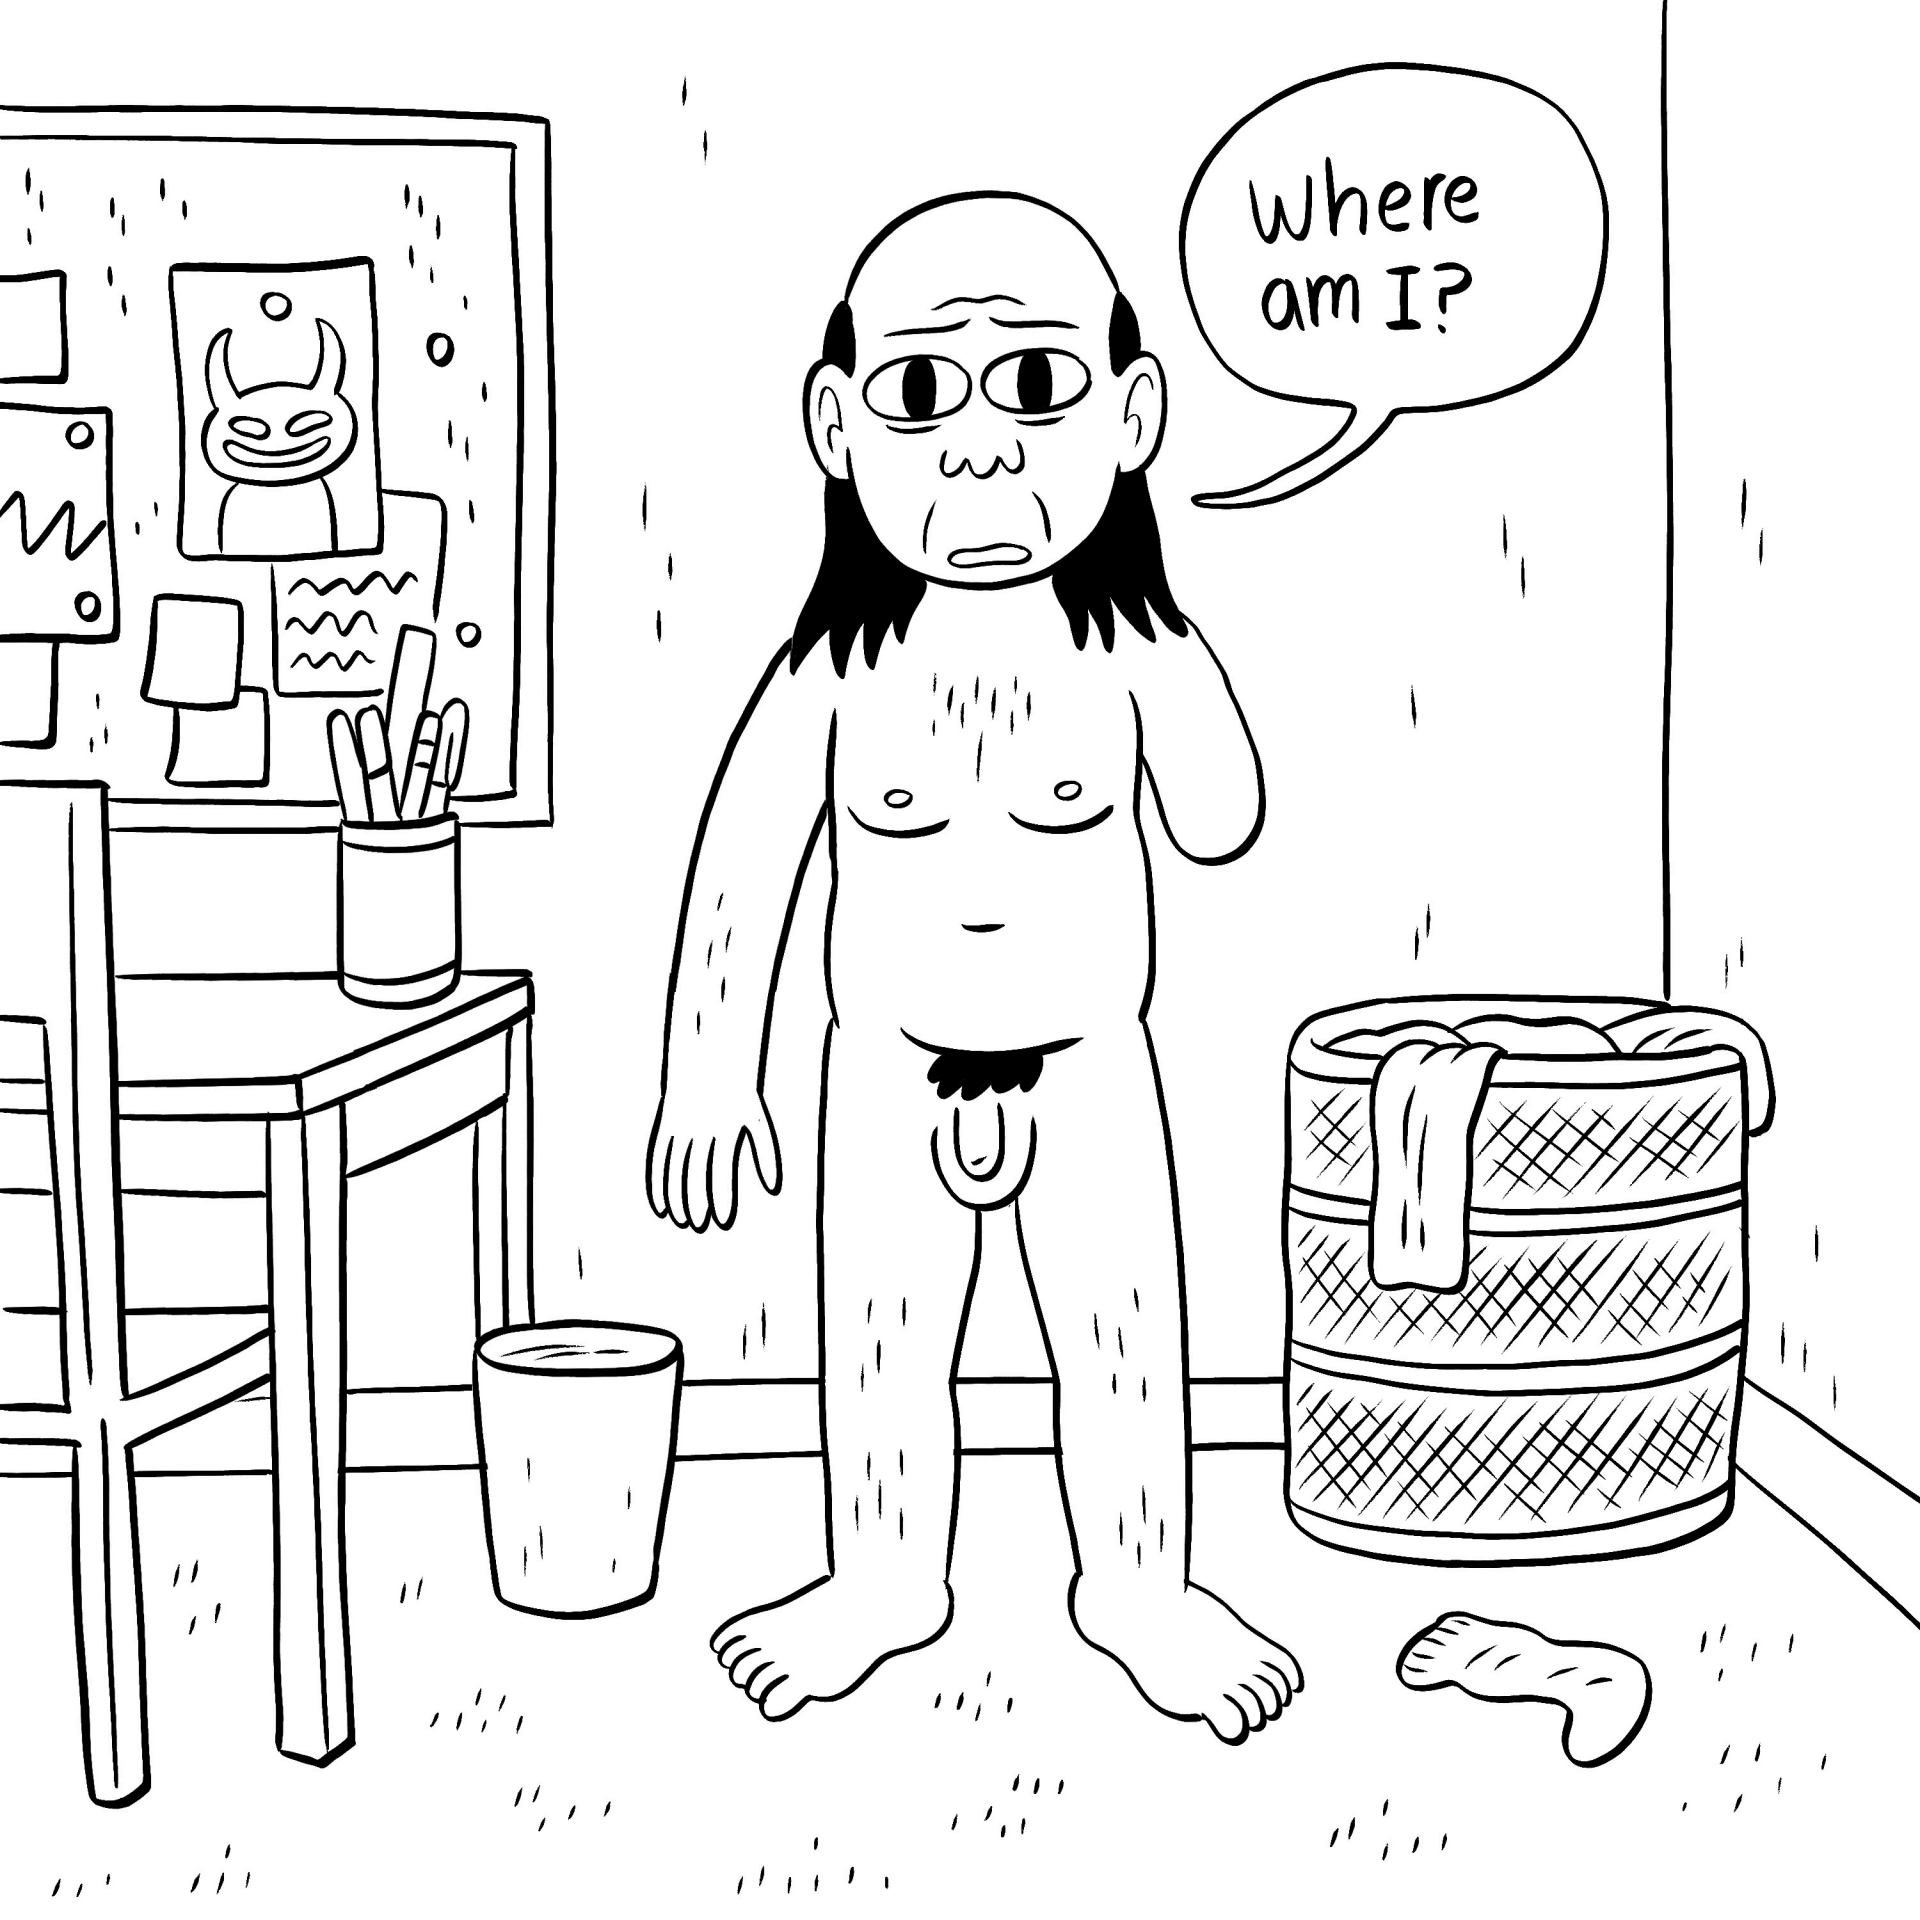


Well, we'll be keeping in touch.
SO! How would you like to utilize my services?
I want you to bring someone back from the dead.





I think m-
WHERE THE FUCK IS SHE.



Where am I?

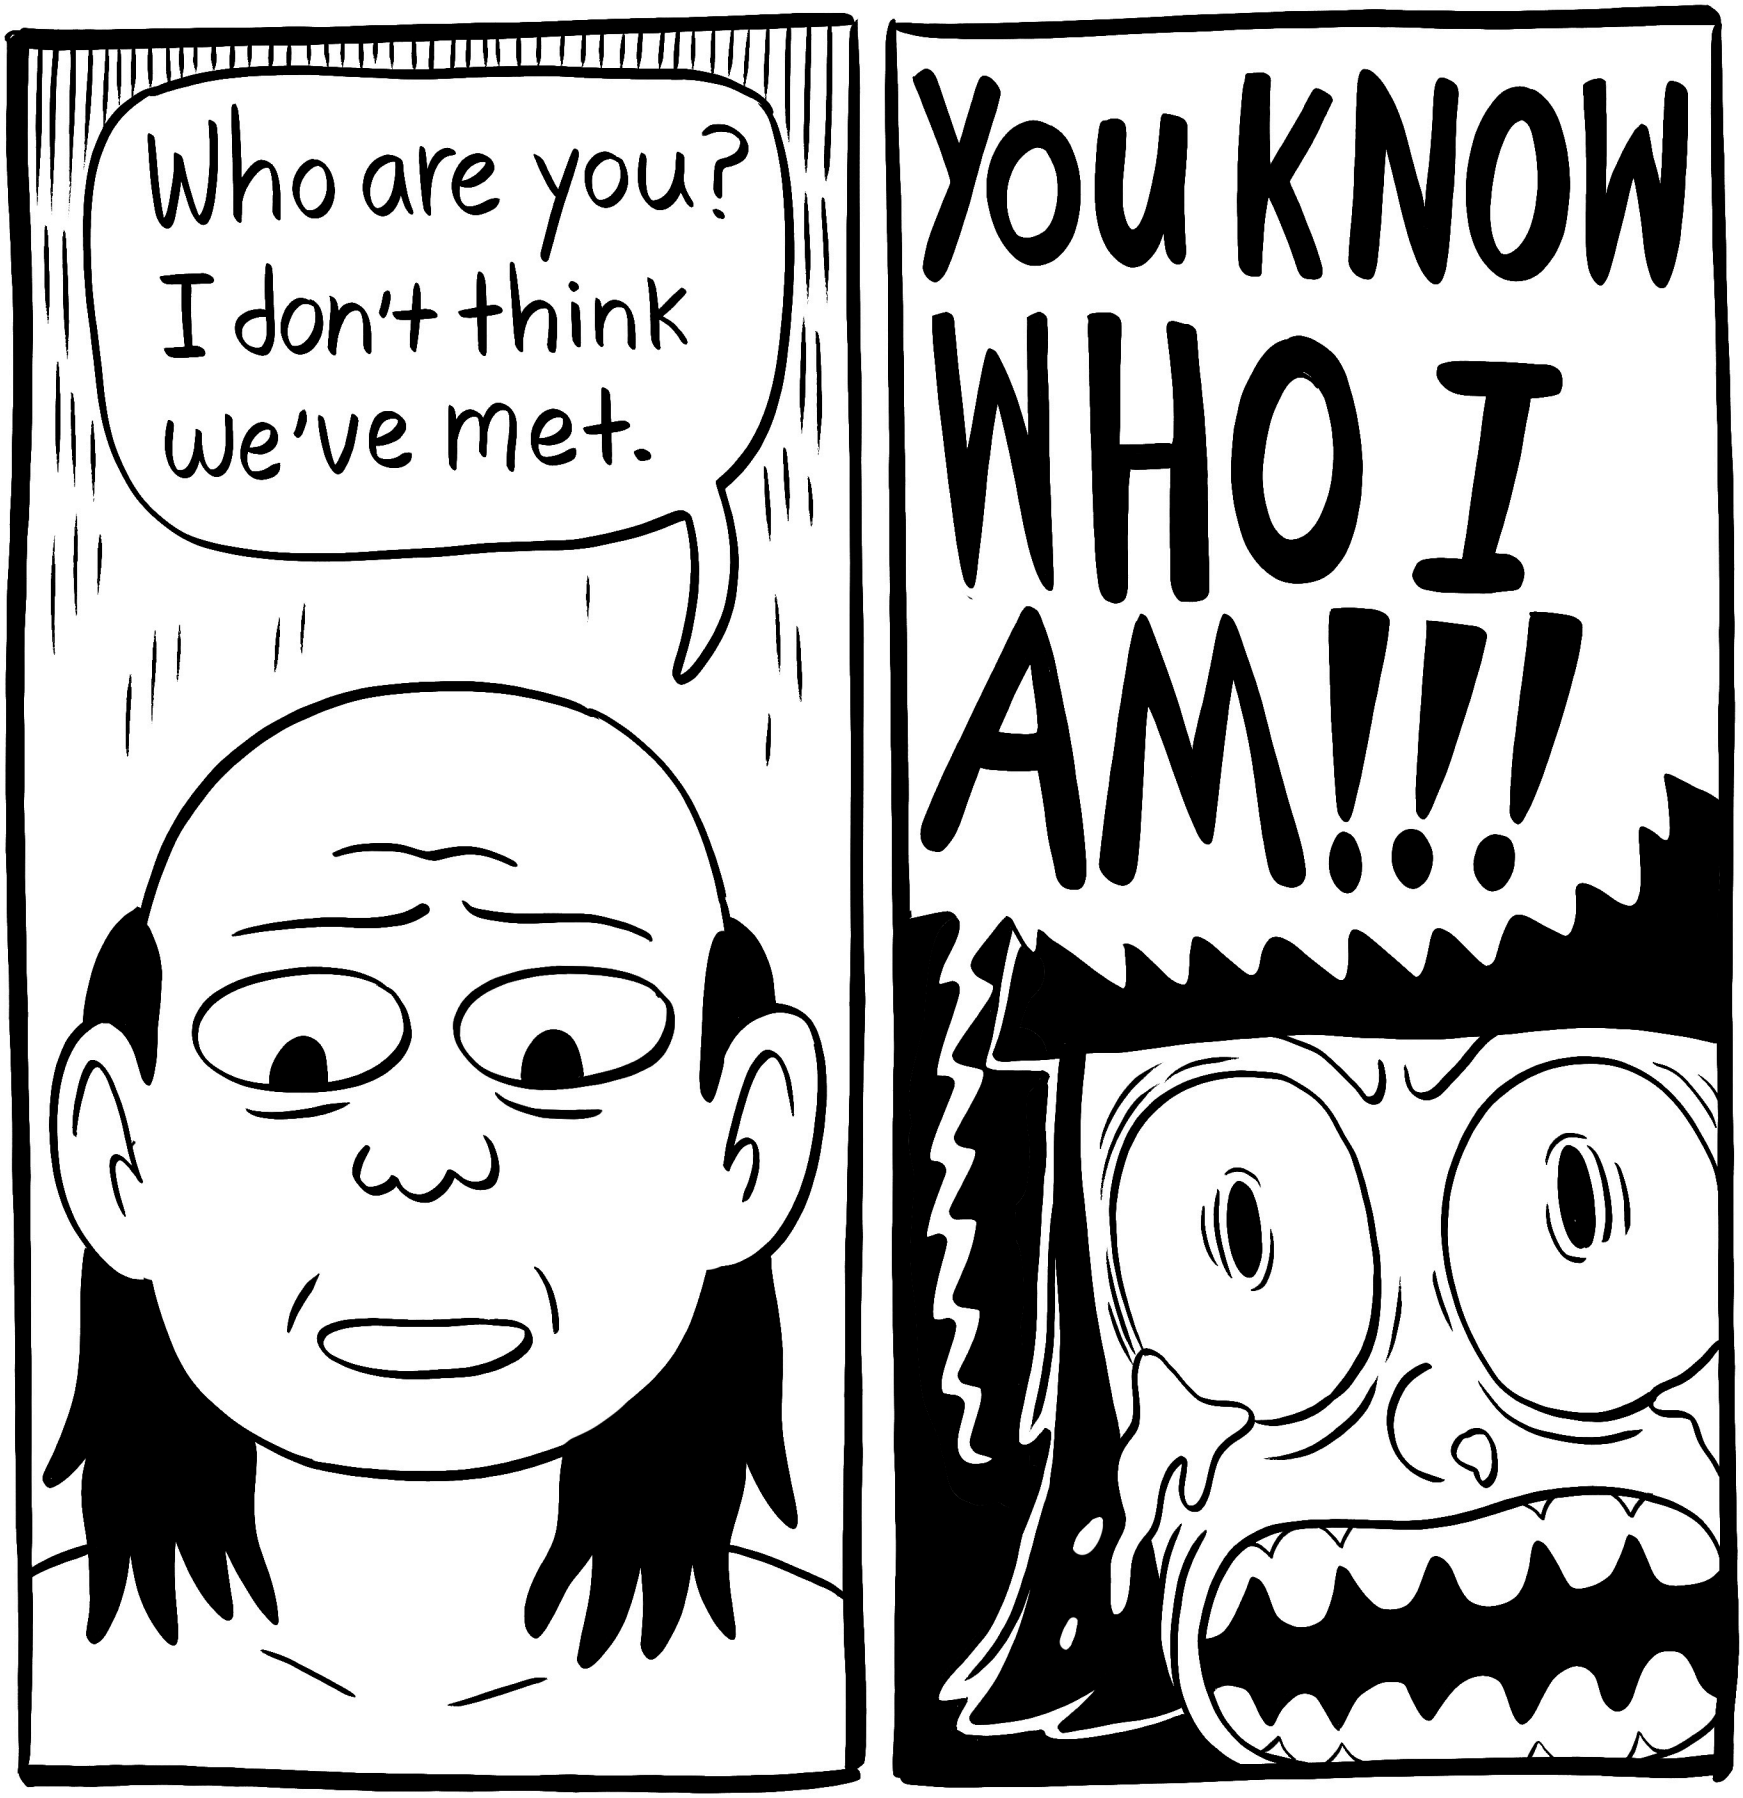
so... we're good now, right?

I'll take that as a yes.
See you around, Kid.

Who are you?
You know who I am.

THAT FUCKING BITCH!!
FUCK!!!
what do you think happened?
SHE FUCKED ME OVER!!!

Please, I don't know where I am. Can you help me?
Shut up.
You do remember.
You fucking remember.

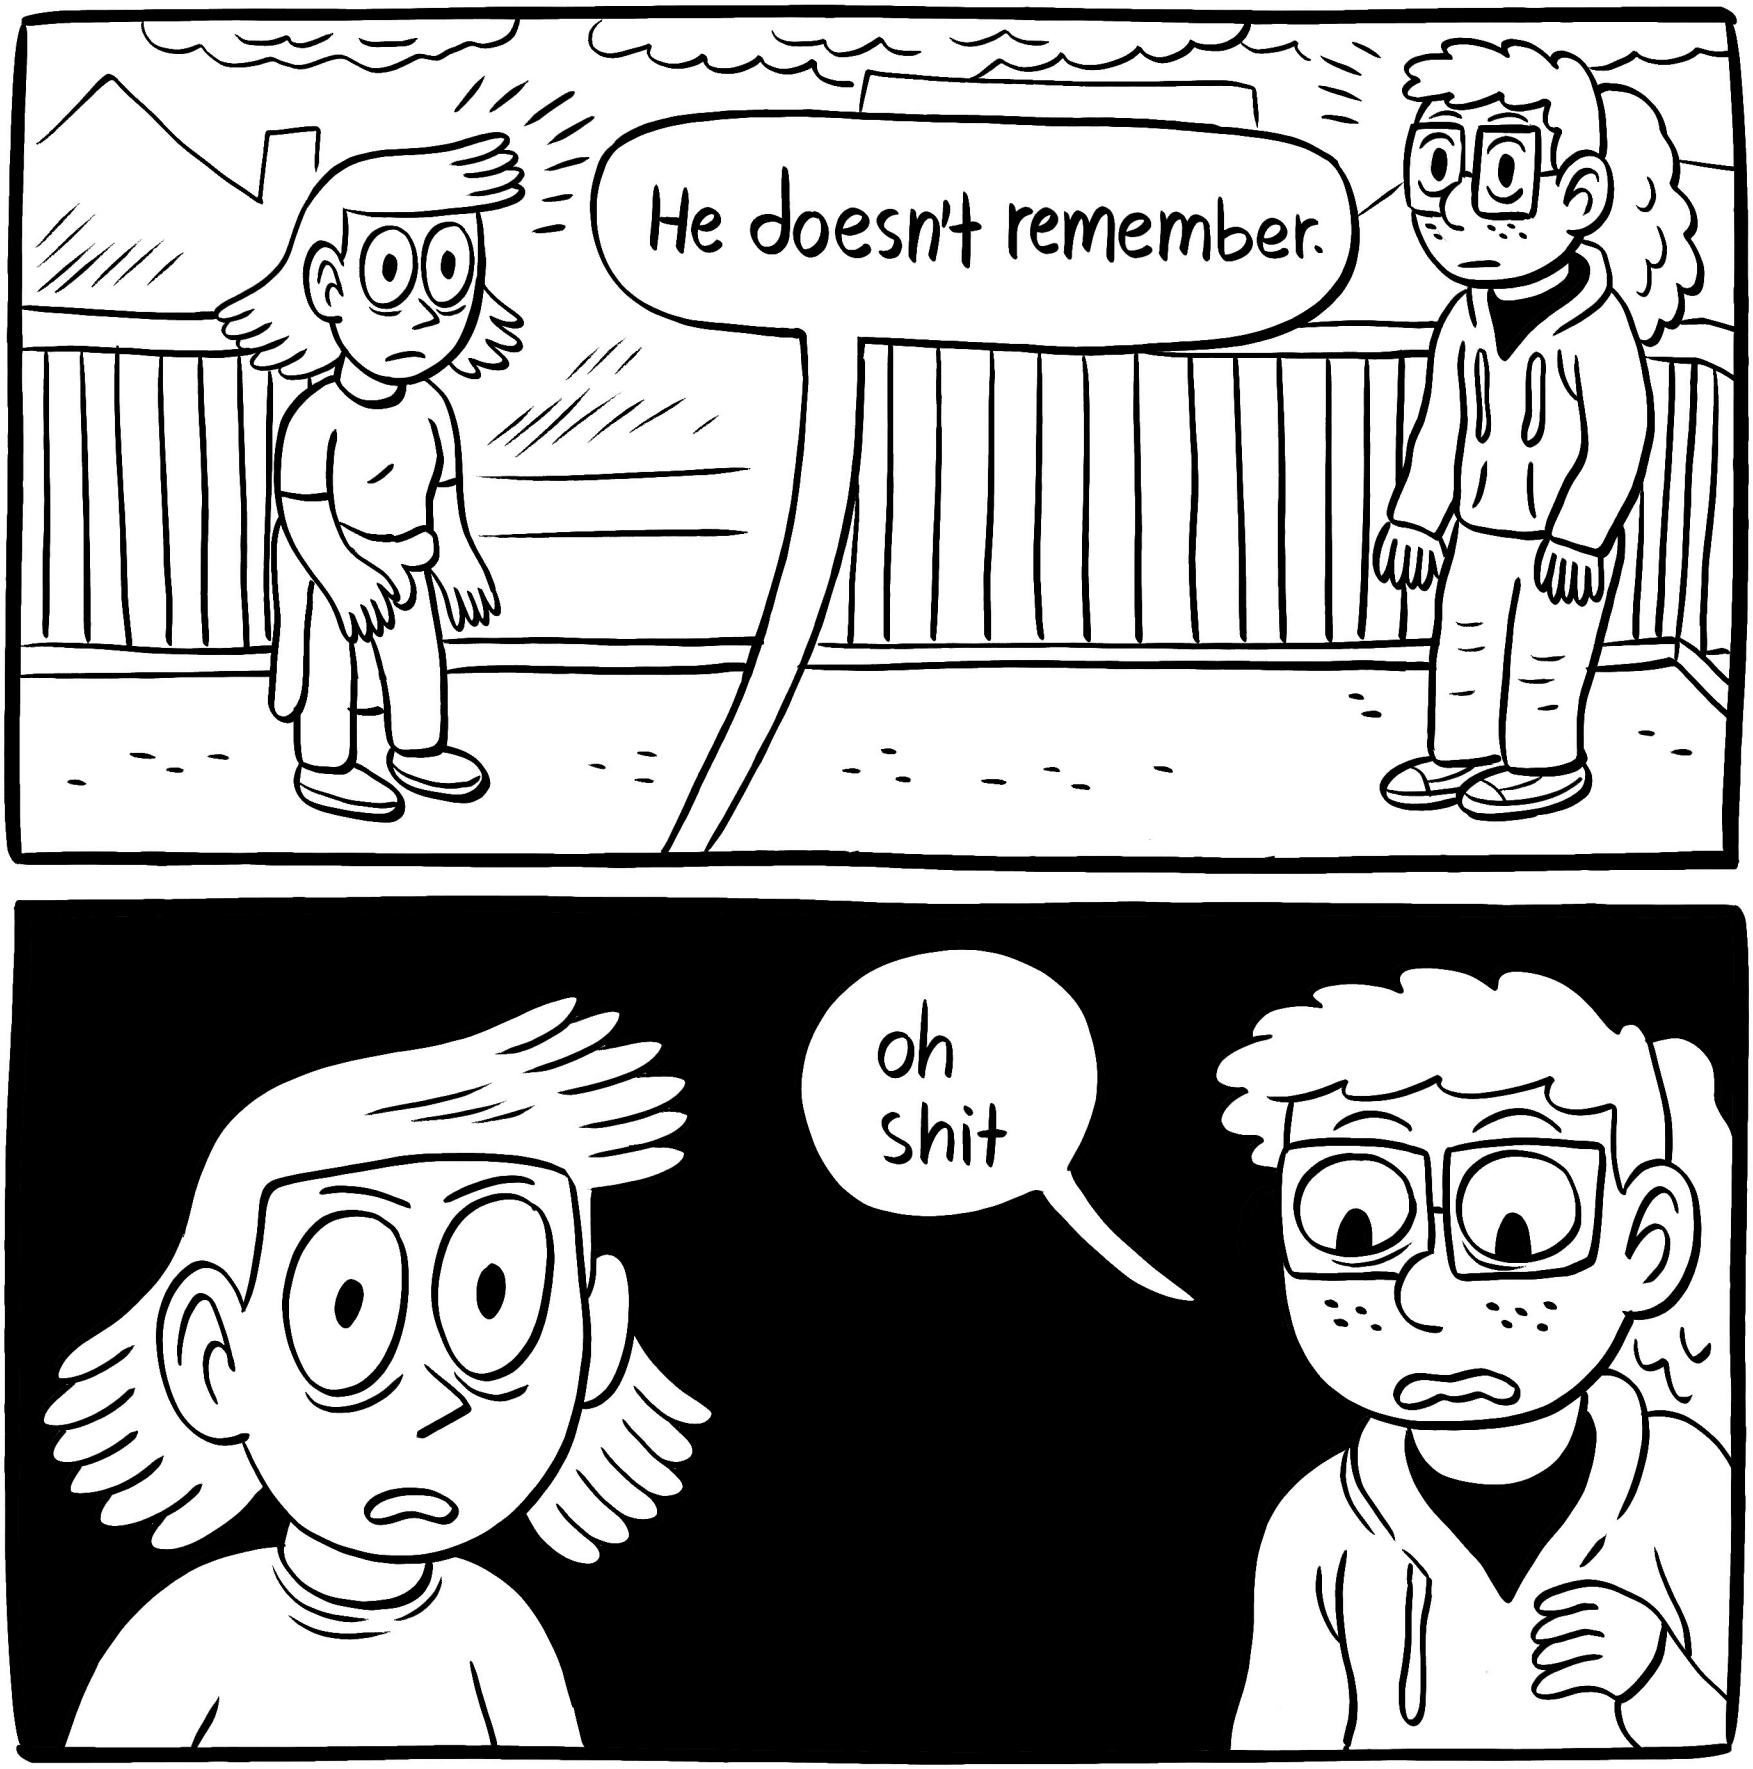


Who are you? I don't think we've met.
YOU KNOW WHO I AM!!!

OPEN THE FUCKING DOOR!!!
BAM BAM BAM BAM
WE KNOW YOU'RE IN THERE, BITCH!!!

M-maybe you shouldn't yell...
FUCK YOU. SHUT THE FUCK UP.
You're such a FUCKING IDIOT. Why are you even here?! You KNOW I hate your guts, you stupid DYKE!!!

Look who's talking! At least my dad isn't a FAGGOT!!!
OOP!



He doesn't remember.
oh

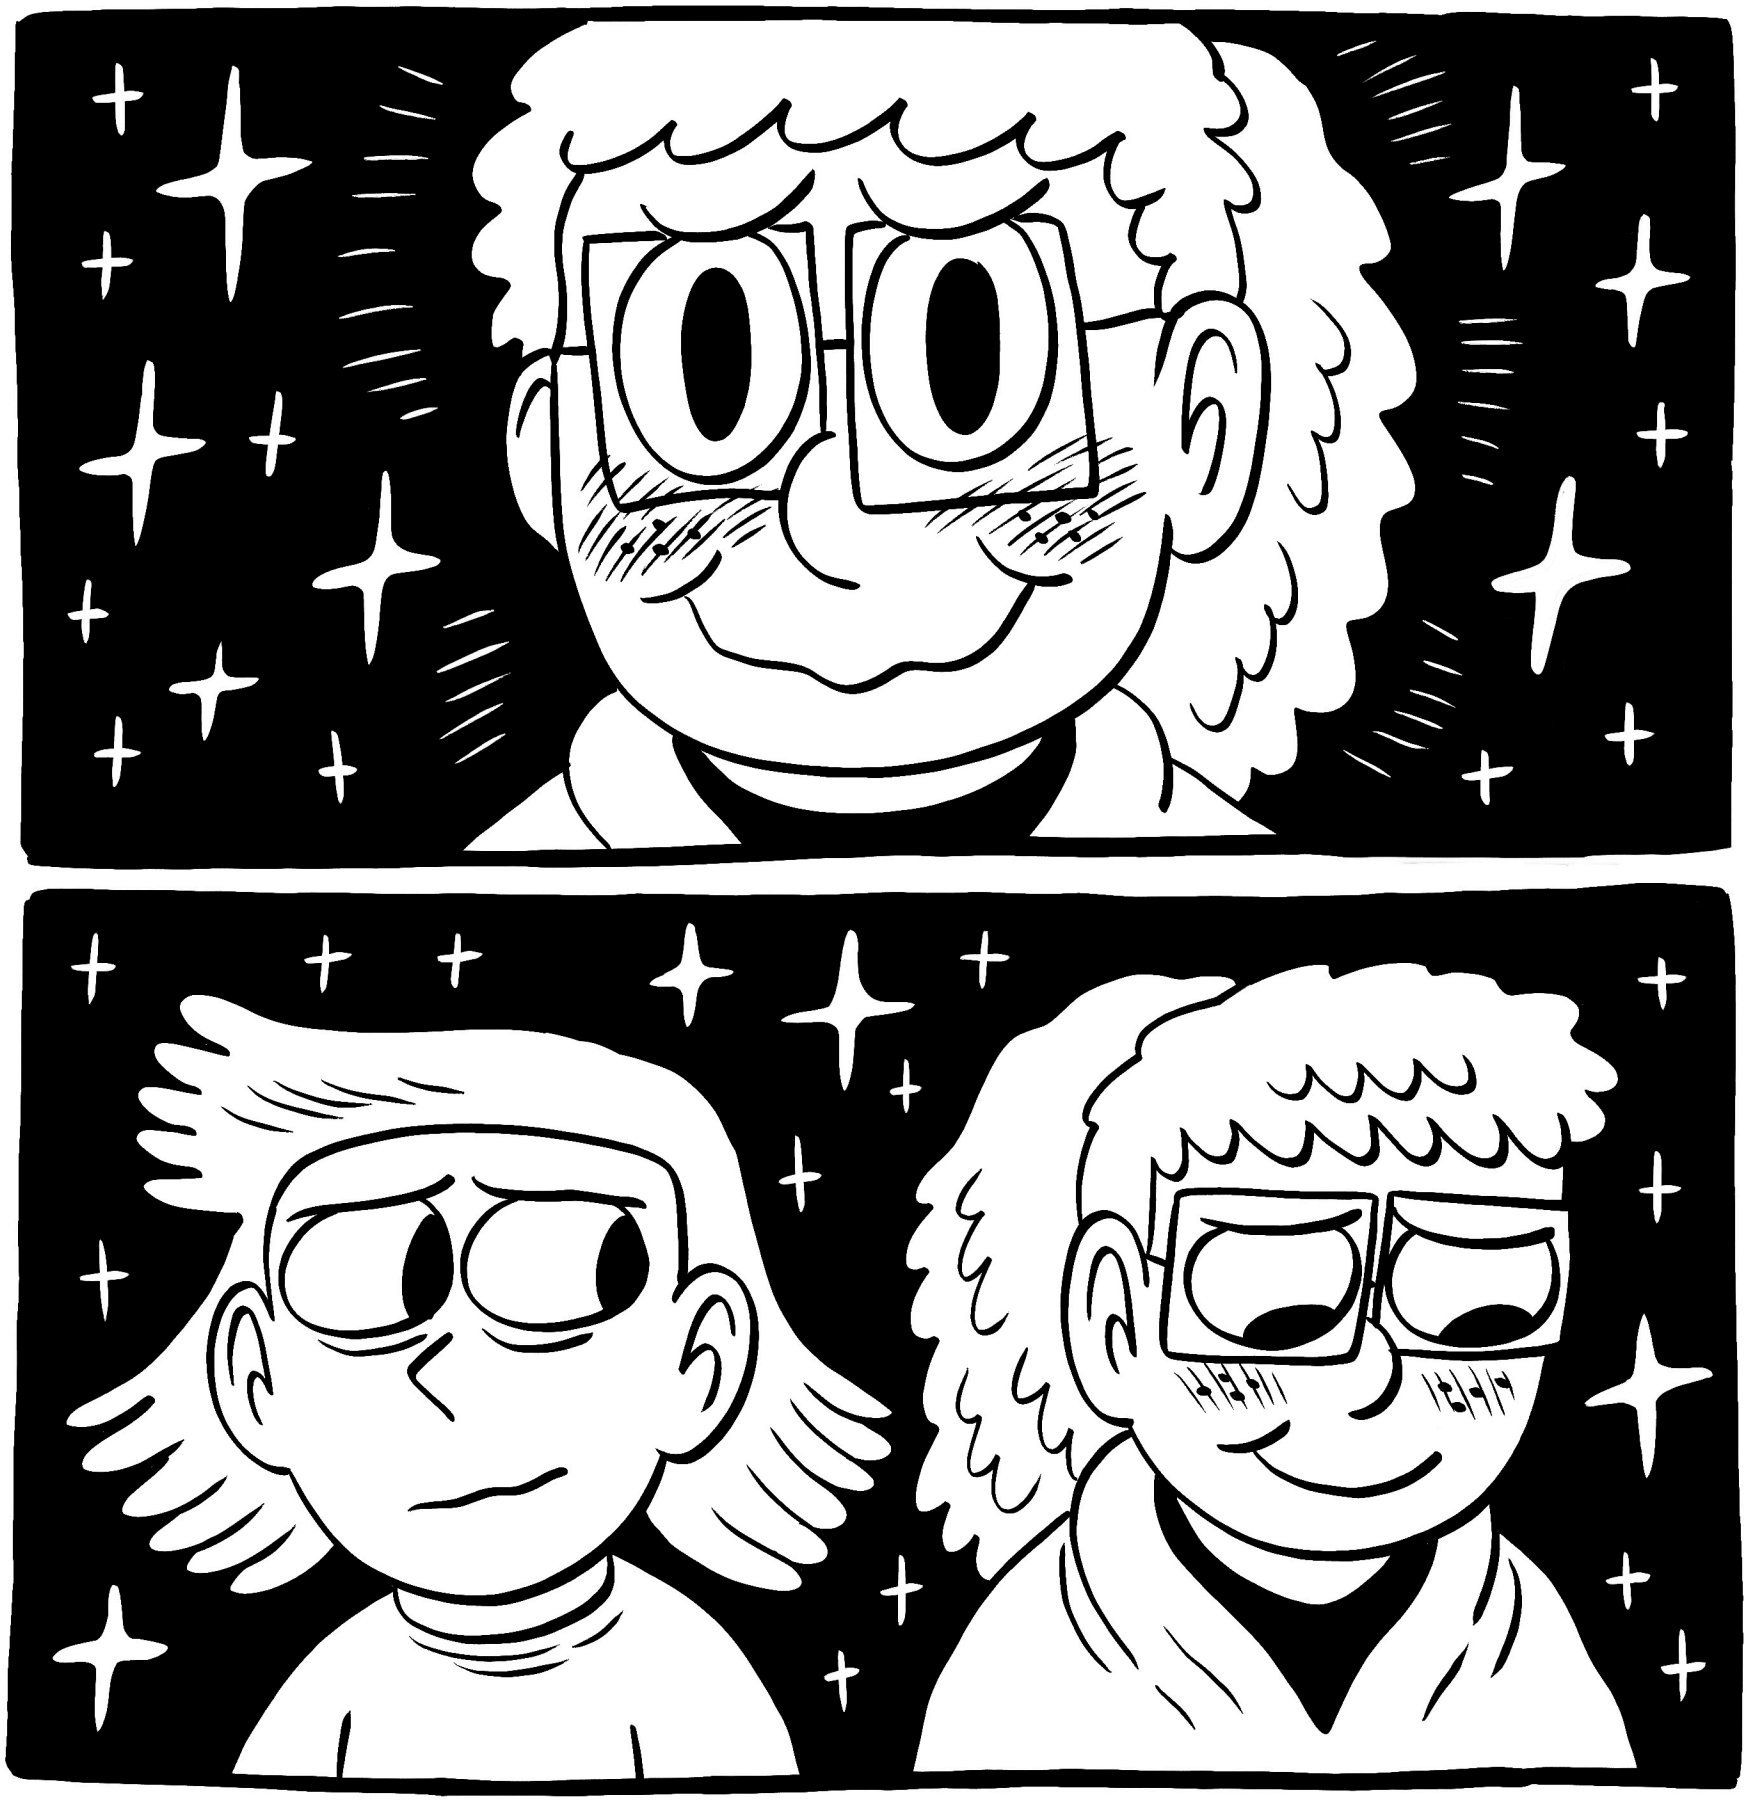
I'm... sorry I said that stuff about your dad.

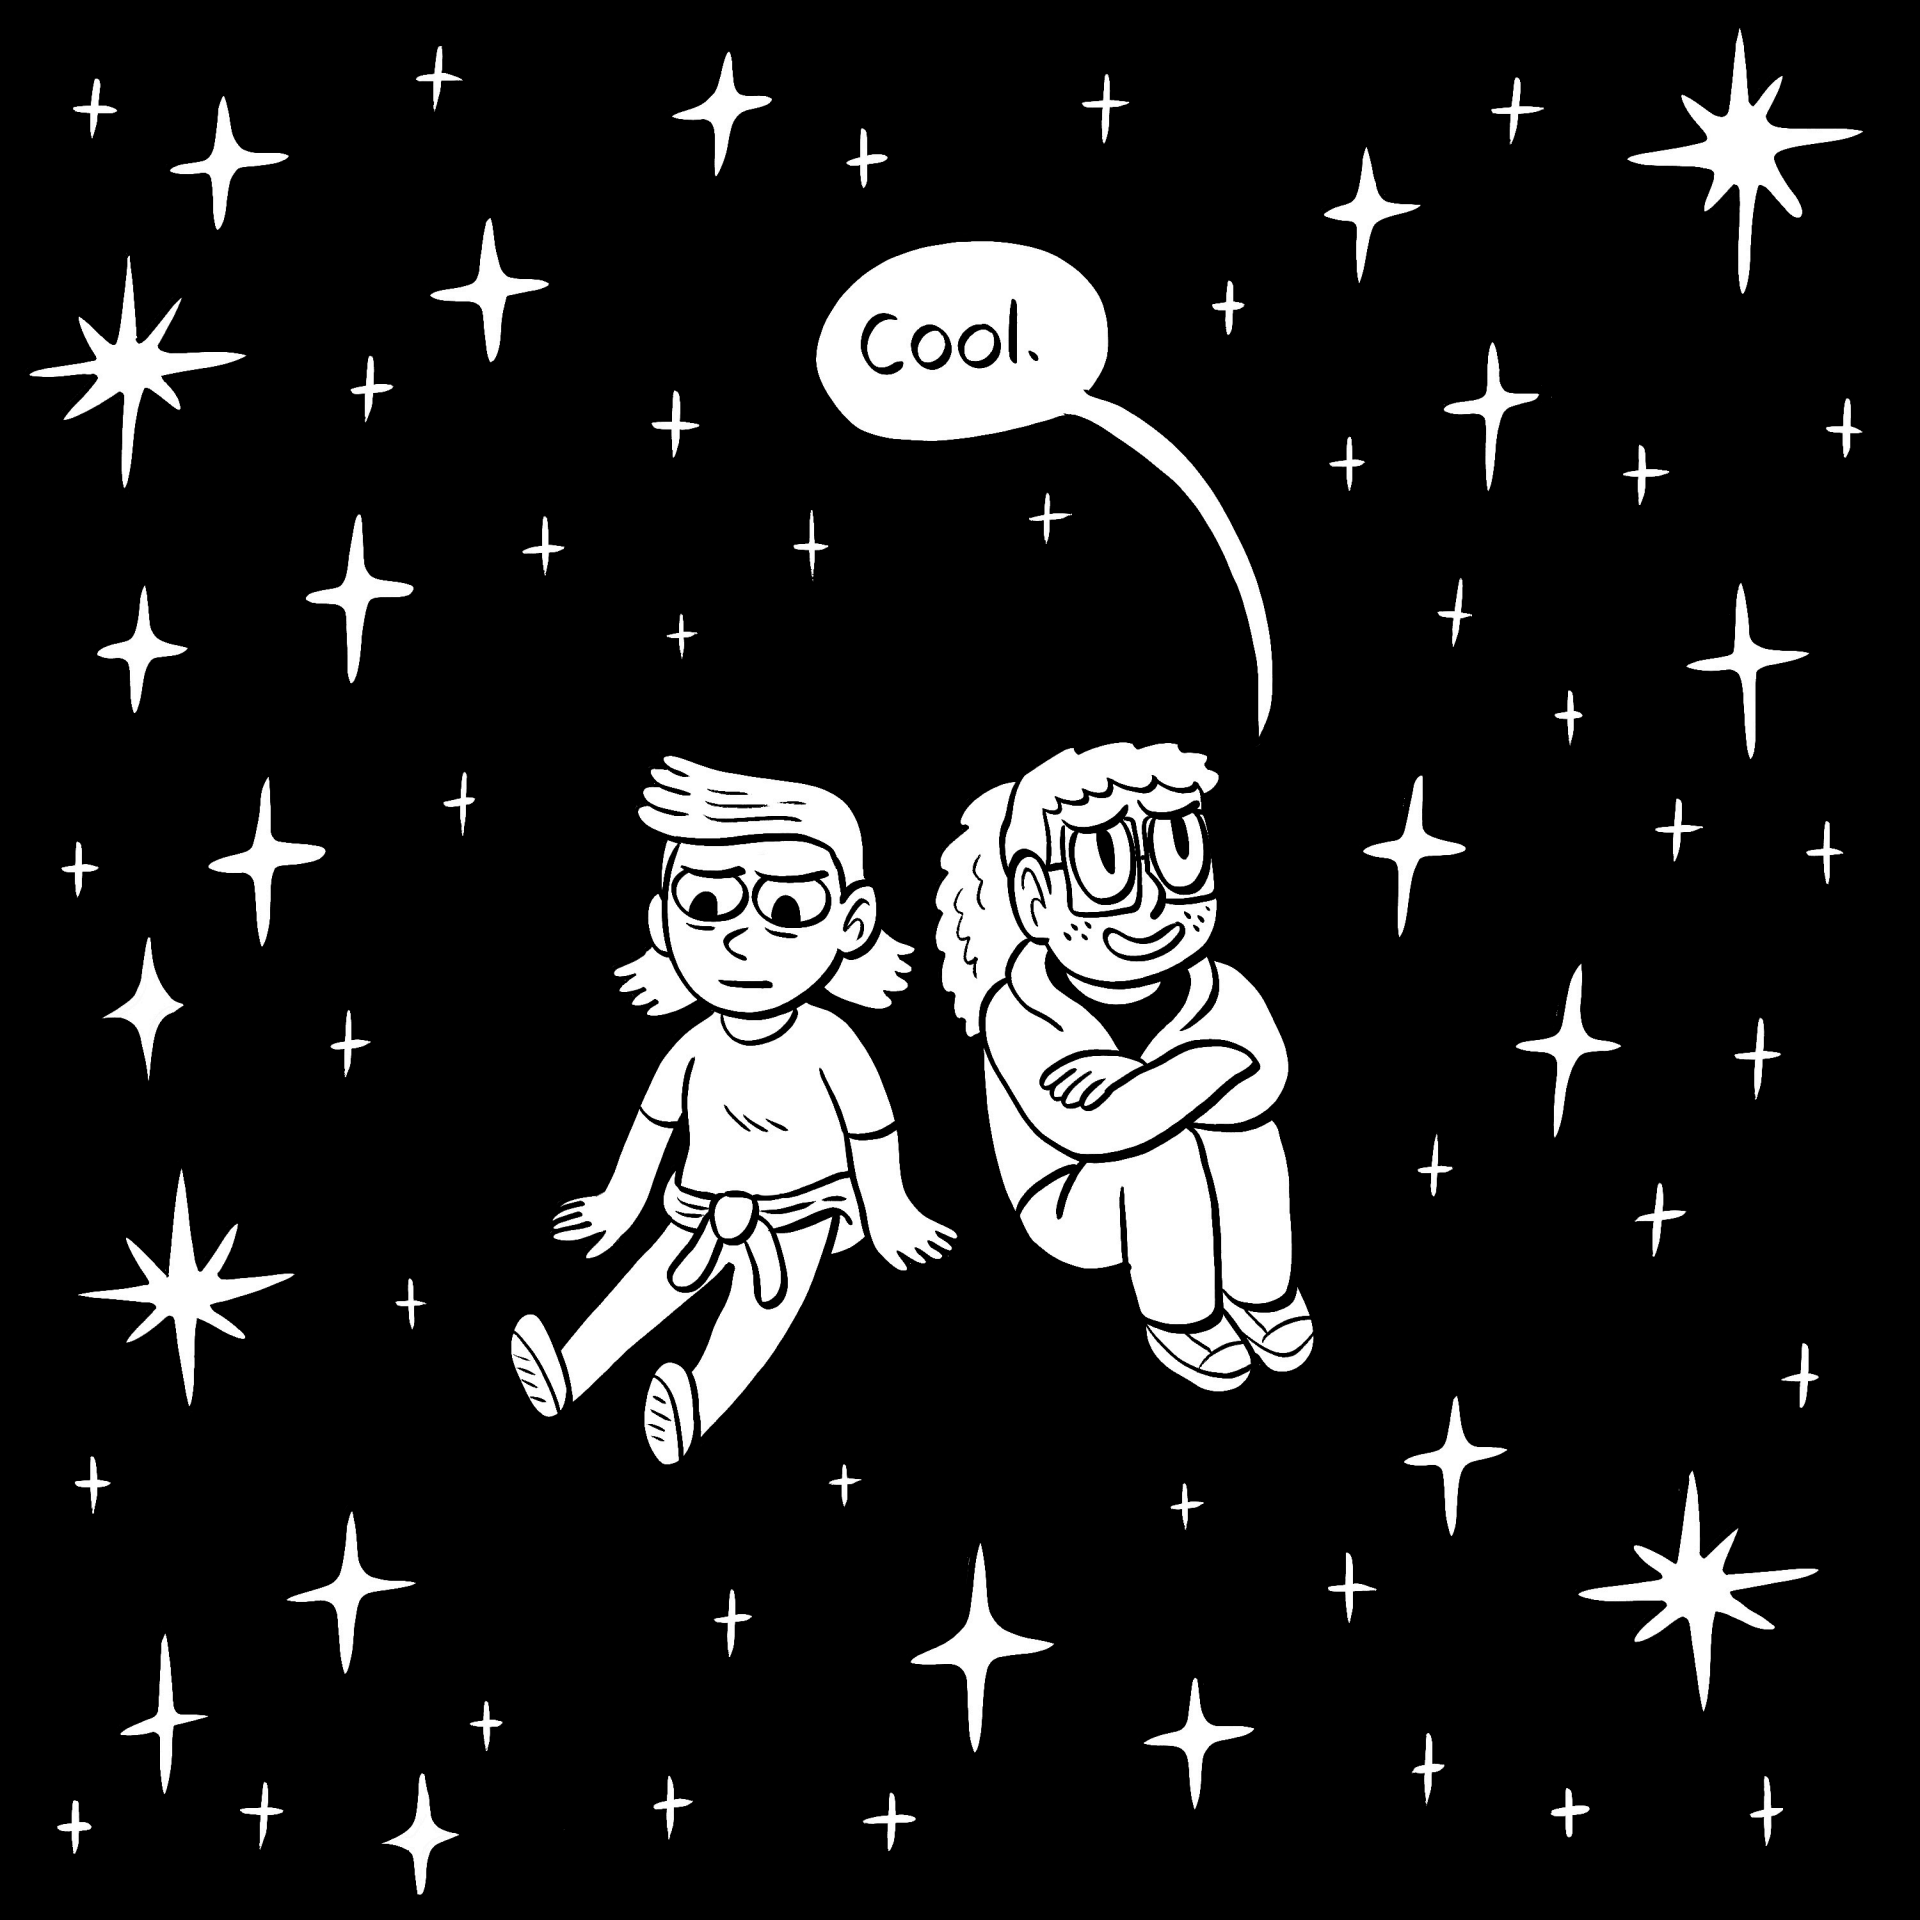
It's okay. Everyone knows.
I'm sorry that I called you a dyke.
...Thanks.

Do you think we'll go to jail?
Maybe. I guess it all depends on what Sally does.

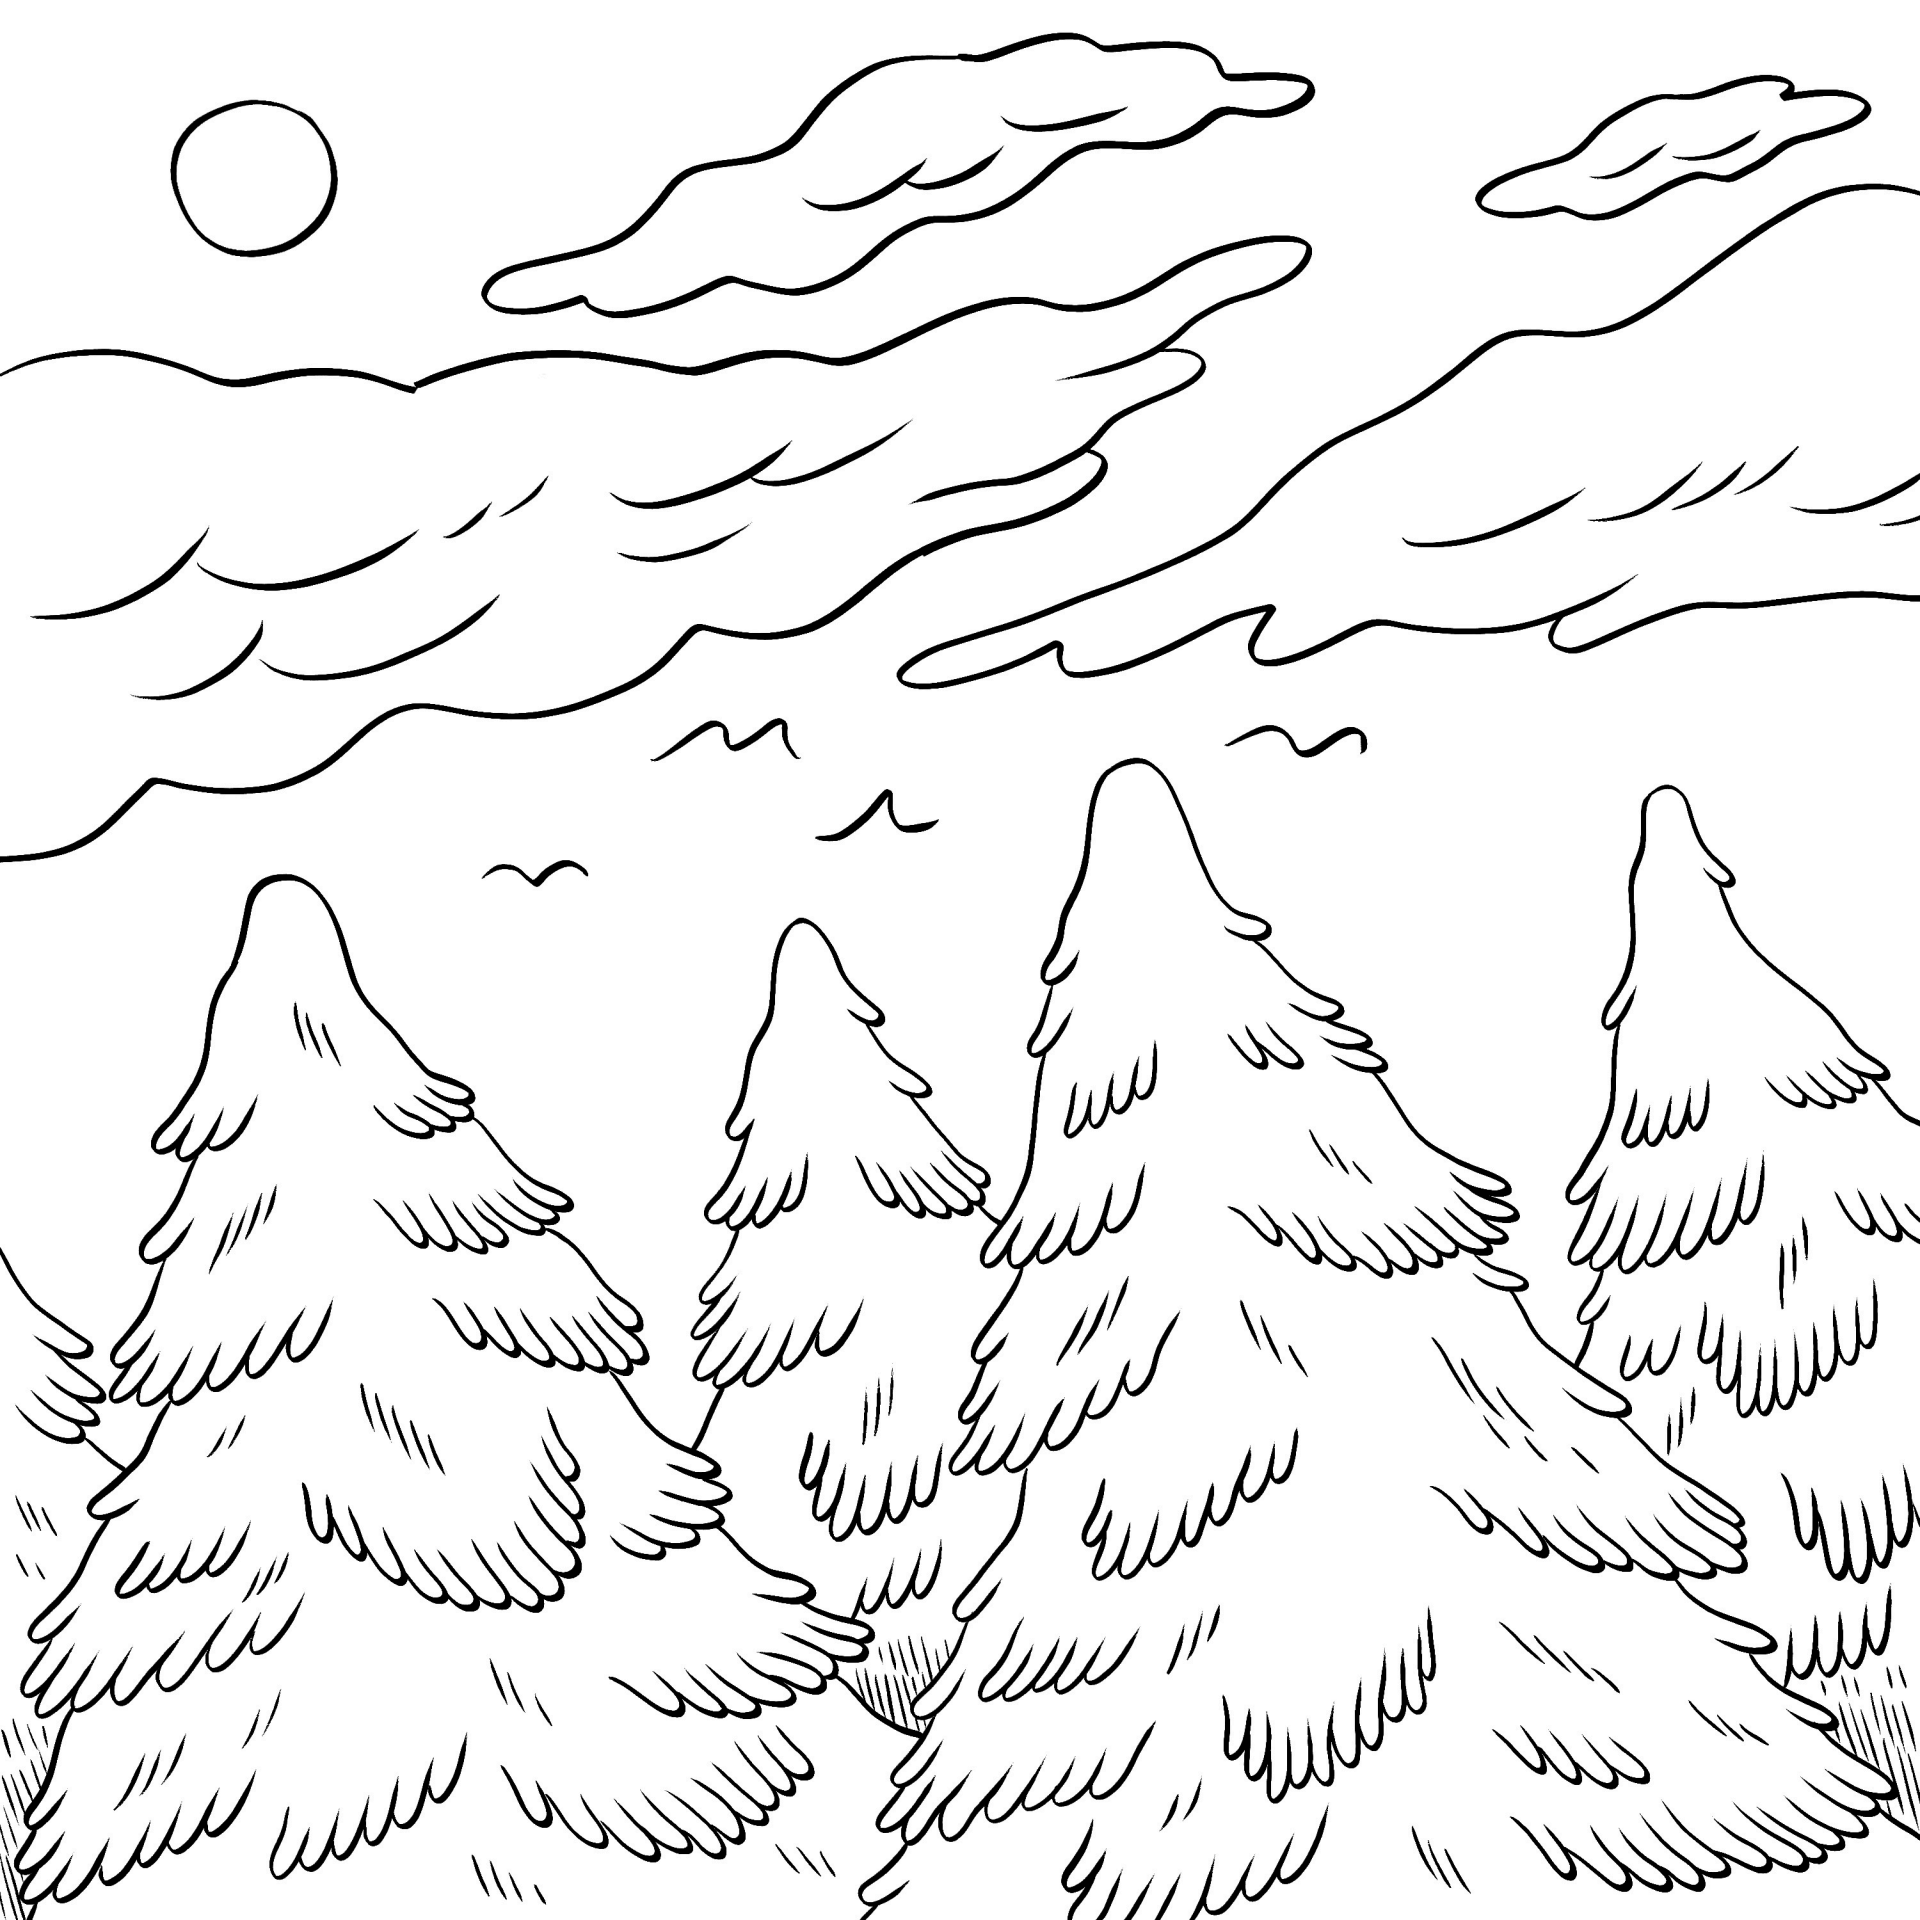
Yeah...

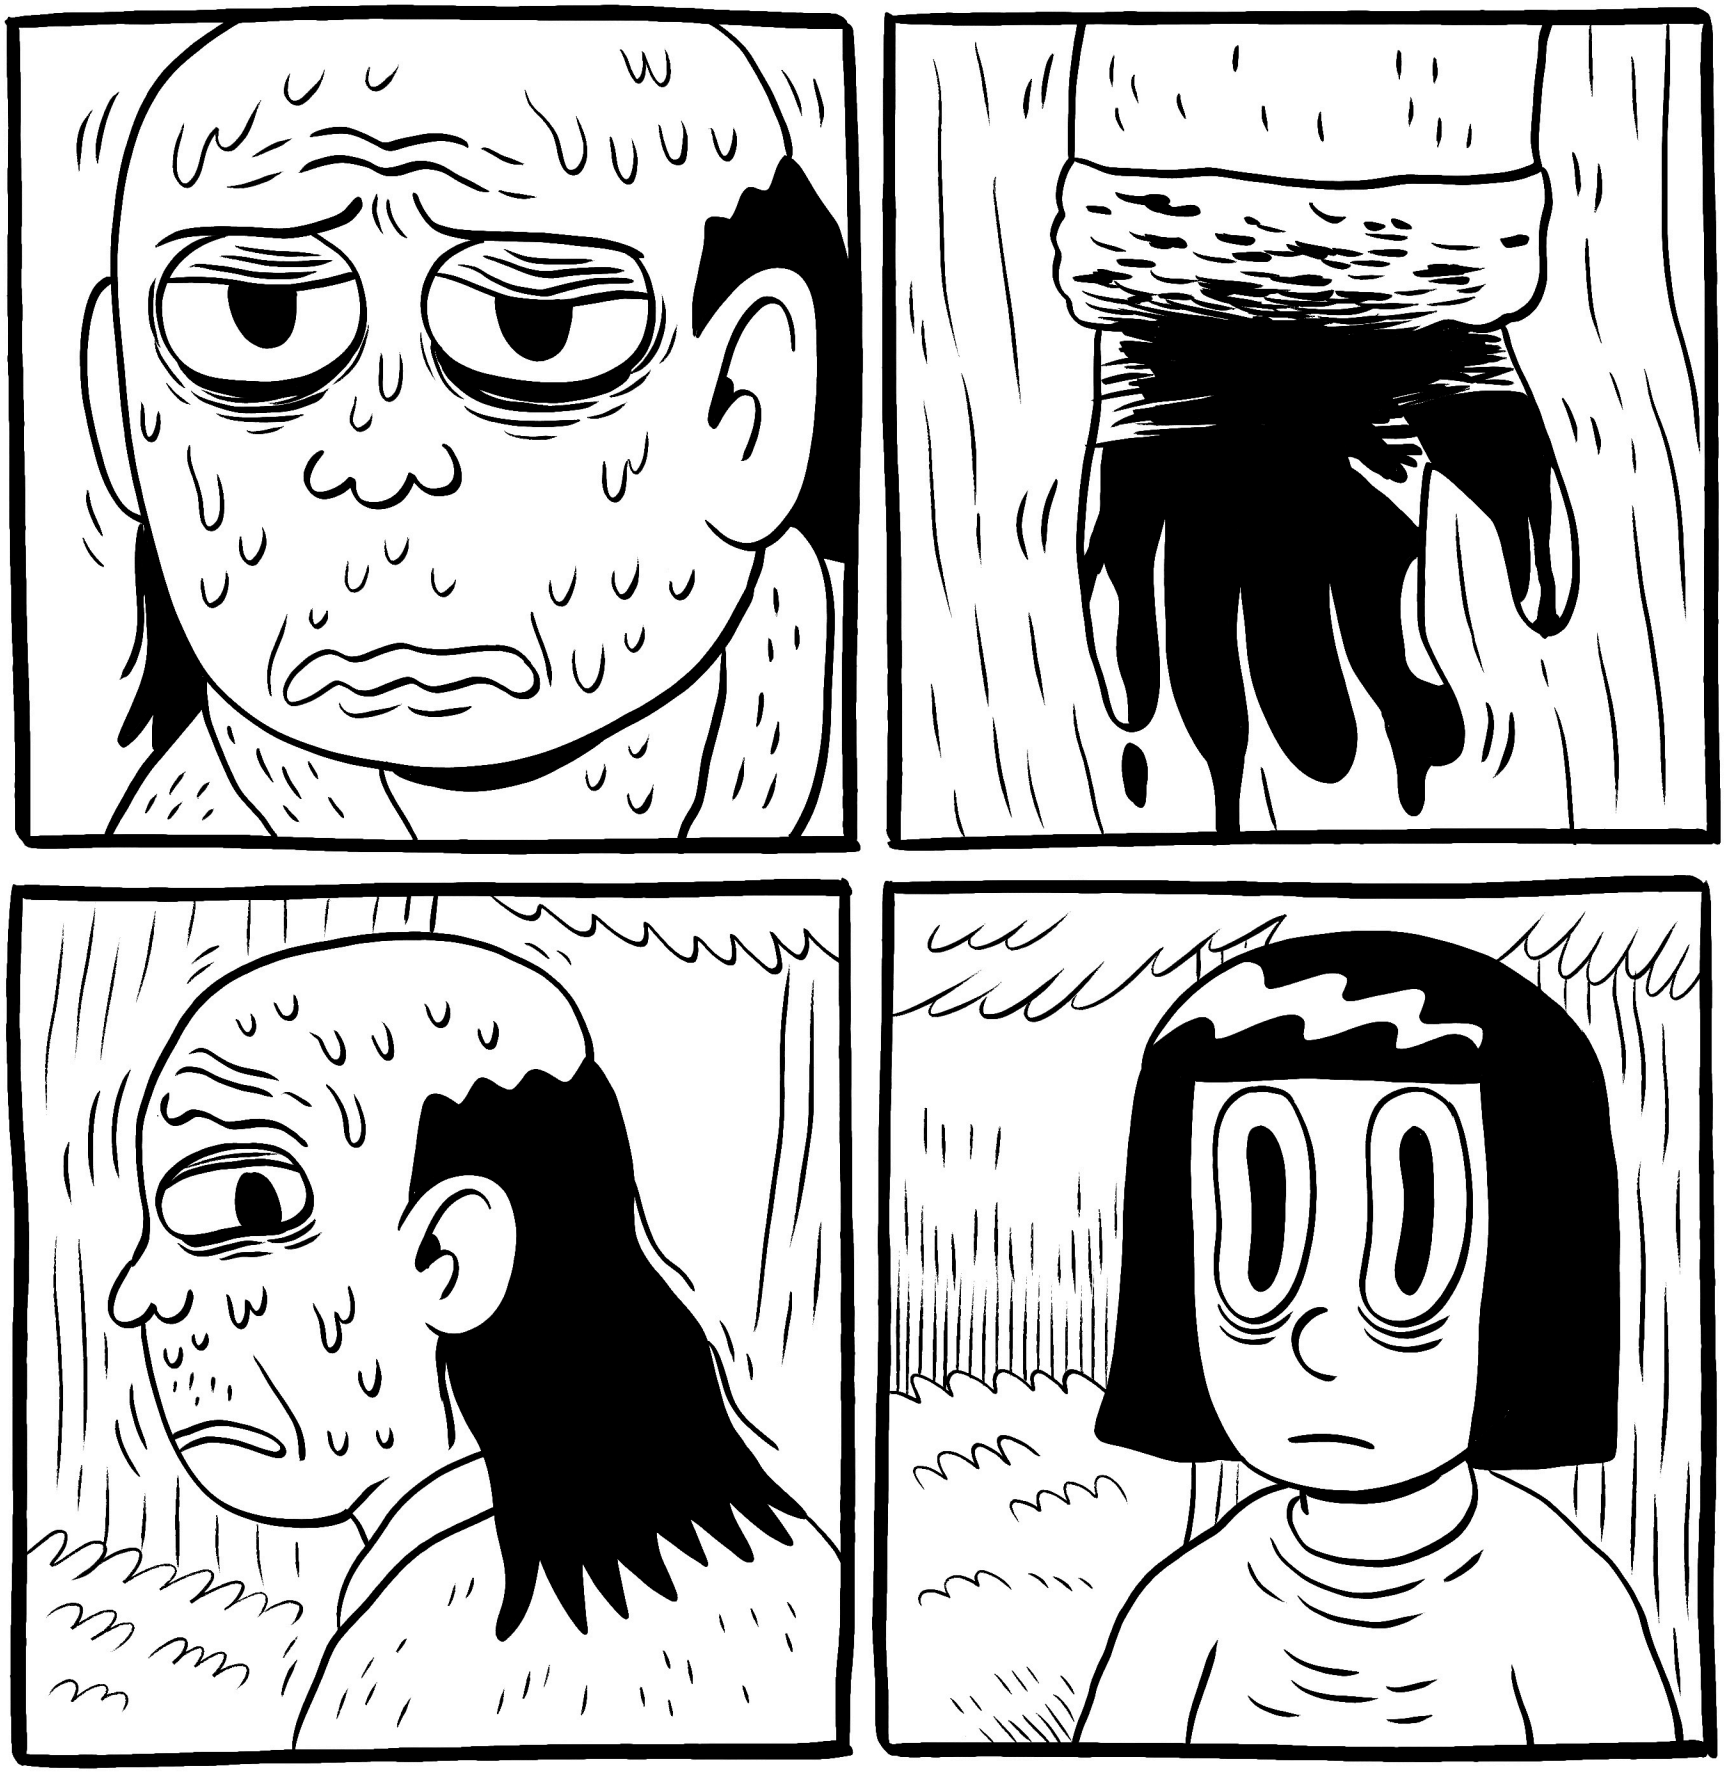
our little secret.





Cool.





Go. Leave
You hurt my hand...
If I ever see you again I'll hurt more than your hand.

Now go away and don't come back.
